Item 8.01. Other Events.

Rene R. Champagne, Chairman and Chief Executive Officer of ITT Educational Services, Inc. (ESI), advised ESI that he entered into a plan (the Plan) with a broker that is designed to comply with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and ESI s insider trading policy. Rule 10b5-1 permits directors, officers and other individuals to establish pre-arranged written plans to buy or sell company securities, if those individuals are not aware of material, non-public information at the time the plans are adopted. Using these plans, individuals can prudently and gradually diversify their investment portfolios over an extended period of time.

Mr. Champagne entered into the Plan on November 2, 2006, during ESI s open trading window and at a time when he represented to ESI that he was not aware of material, non-public information about ESI. The Plan provides for the systematic exercise of stock options to purchase, and subsequent sale of, up to 269,000 shares of ESI s common stock. The Plan provides for sales of specified share amounts at specified market prices, subject to certain limitations. Stock option exercises and sales pursuant to the Plan may begin on January 9, 2007 and will terminate on October 31, 2007, unless otherwise terminated earlier in accordance with the terms of the Plan. Mr. Champagne will have no control over the timing of his stock option exercises and stock sales under the Plan, and there can be no assurance that any or all of the shares covered by the Plan actually will be sold. Any transactions under the Plan will be reported through individual Form 144 and Form 4 filings with the Securities and Exchange Commission.

Mr. Champagne currently beneficially owns 86,688 shares directly, 10,801 shares under the ESI 401(k) Plan and 894,000 shares subject to presently exercisable options.

By filing this Current Report on Form 8-K, ESI does not undertake any obligation to report the establishment of future Rule 10b5-1 plans by Mr. Champagne or other directors or officers of ESI, or to report modifications, terminations, transactions or other activities under such plans.
