Press Release

CVRD Employee Receives The 'Willy Korf Award For Young Excellence'

Rio de Janeiro, June 17, 2002 - Companhia Vale do Rio Doce (CVRD) announces that Paulo Antonio de Souza Junior, an employee of the Company, has received the "Willy Korf Award for Young Excellence".

Paulo Antonio de Souza Junior, who earned a Ph.D. from Johannes Gutenberg Universitat in Mainz, Germany, is a technology analyst at CVRD's Pelletizing Division. The "Willy Korf Award for Young Excellence" has been awarded since 2000 and targets individuals who contribute to the technological development of the steel industry. The awards ceremony was held today in New York, during the "Steel Success Strategies XVII" Conference, organized by American Metal Market and World Steel Dynamics.

Paulo Antonio was recognized by his work "Intelligent Receptor Modelling", which identifies sources of pollution in the environment. Its practical application has contributed to reducing pollution in the metropolitan Vitoria region, Espirito Santo, Brazil in accordance with the environmental protection practices adopted by CVRD.

This press release may contain statements that express management's expectations about future events or results rather than historical facts. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements, and CVRD cannot give assurance that such statements will prove correct. These risks and uncertainties include factors: relating to the Brazilian economy and securities markets, which exhibit volatility and can be adversely affected by developments in other countries; relating to the iron ore business and its dependence on the global steel industry, which is cyclical in nature; and relating to the highly competitive industries in which CVRD operates. For additional information on factors that could cause CVRD's actual results to differ from expectations reflected in forward-looking statements, please see CVRD's reports filed with the Brazilian Comissao de Valores Mobiliarios and the U.S. Securities and Exchange Commission.
