-

**Item 1.01 Entry into a Material Definitive Agreement**

Item 2.03 below is incorporated herein by reference.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet****Arrangement of a Registrant**

On July 14, 2010, Fair Isaac Corporation (the Company) entered into a Note Purchase Agreement (the Note Purchase Agreement) with a group of institutional investors (the Purchasers) pursuant to which the Company issued and sold \$245 million in senior unsecured notes (the Senior Notes) to the Purchasers in a private placement. The Company plans to use the proceeds for refinancing of existing debt obligations. Proceeds may also be used for other corporate purposes.

The Senior Notes were issued in four series as follows:

| Series | Aggregate Principal<br>Amount | Interest Rate | Maturity Date |
|--------|-------------------------------|---------------|---------------|
| E      | \$60 million                  | 4.72%         | July 14, 2016 |
| F      | \$72 million                  | 5.04%         | July 14, 2017 |
| G      | \$28 million                  | 5.42%         | July 14, 2019 |
| H      | \$85 million                  | 5.59%         | July 14, 2020 |

Interest on the Senior Notes is payable semi-annually on January 14 and July 14 of each year, starting on January 14, 2011. The Company is required to pay the entire unpaid principal amount of each series of Senior Notes on the maturity date set forth above for such series. The Company may make optional prepayments of the Senior Notes, subject to certain limitations and the requirement to pay an additional make-whole amount in connection therewith.

The Company is restricted in its borrowings and in general under the Note Purchase Agreement by certain financial covenants. The Company is required to maintain a fixed charge coverage ratio of not less than 2.50 to 1.00 and a consolidated indebtedness to EBITDA ratio of not more than 3.00 to 1.00. The Note Purchase Agreement also contains covenants typical of unsecured credit facilities. The Note Purchase Agreement includes customary default provisions that include a change of control of the Company or the Company's default on other debt exceeding \$25 million. If an event of default occurs, all outstanding obligations may become immediately due and payable.

The foregoing description of the Note Purchase Agreement and the Senior Notes does not purport to be complete and is qualified in its entirety by reference to such documents, forms of which are filed as Exhibit 10.1 hereto and are incorporated by reference in this Current Report on Form 8-K.

**Item 9.01 Financial Statements and Exhibits**

(d) Exhibits

- 10.1 Form of Note Purchase Agreement, dated July 14, 2010, between Fair Isaac Corporation and the Purchasers listed on Schedule A thereto, which includes as Exhibits 1-4 the form of Senior Note for each of Series E, F, G and H (excluding certain schedules and exhibits thereto, which Fair Isaac Corporation agrees to furnish to the Securities and Exchange Commission upon request).
