and, depending on market considerations and other factors, may convert the Preference Shares or the Warrants or purchase or sell Common Shares, if appropriate opportunities to do so are available, on such terms and at such time as they consider advisable.

The powers, rights and privileges of the holders of the Preference Shares are described in the Issuer's Certificate of Designations of Series A Convertible Preference Shares (the "Certificate") attached as Exhibit IV hereto. Each Preference Share is convertible at the option of the holder into Common Shares, subject to restrictions described below, at a one-to-one rate, with certain anti-dilution protections as more fully described in the Certificate. The Preference Shares are subject to mandatory conversion into Common Shares on the occurrence of the later of (a) (1) the approval by the holders of Common Shares and Preference Shares of (i) an amendment to bye-laws of the Issuer as provided in the Subscription Agreement, and (ii) the issuance of Common Shares upon conversion of the Preference Shares and the exercise of the Warrants issued in connection with the transaction described herein, in excess of 19.9% of the total number of Common Shares issued and outstanding on November 19, 2001 ("Requisite Shareholder Approval"); and (2) the approval by certain state regulatory authorities of the acquisition by the persons who are original signatories to the Subscription Agreement as "Purchaser" of greater than 9.9% of the total voting power of all shares of the Issuer entitled to vote generally in the election of directors ("Requisite Regulatory Approval"), and (b) 90 days following the consummation of the Final Adjustment (as defined in the Subscription Agreement) of the securities issued in this transaction as contemplated by the Subscription Agreement.

The powers, rights and privileges of the holders of the Warrants are described in the Form of Warrant attached as Exhibit V hereto. The Warrants are exercisable at any time for a purchase price of \$20 per Common Share and expire on September 19, 2002, subject to certain restrictions on exercise described below.

Pursuant to a certain shareholders agreement, dated as of November 20, 2001, among the Issuer, Warburg, H&F, Insurance, Orbital and certain other investors (the "Shareholders Agreement"), attached as Exhibit VI hereto, the number of shares into which the Preference Shares and Warrants can be converted is restricted in order to keep the restrictions on voting described below in Item 6 effective.

Pursuant to the Shareholders Agreement, Warburg and H&F will be entitled to have their representatives nominated to the board of directors of the Issuer. Immediately following the closing of the transaction, the size of the board of directors was decreased to nine directors, with one director designated by Warburg and one director designated by H&F. Effective as of 12:00 a.m. on the date immediately following the later of the dates on which the Requisite Shareholder Approval and the Requisite Regulatory Approval occur, the size of the board will be increased such that the board shall then and thereafter consist of 15 directors (such number not to be increased without the consent of

Warburg and H&F) and (i) four additional representatives designated by Warburg (five together with the initial director), and (ii) two additional representatives designated by H&F (three together with the initial director) will be appointed by the board to fill the vacancies on the board of directors. Neither Insurance nor Orbital has the right to appoint any director. The

Edgar Filing: TRUSTEES OF GENERAL ELECTRIC PENSION TRUST - Form SC 13D

Reporting Persons expressly disclaim that they are members of a "group" with Warburg and H&F.

- b). An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
- c). A sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
- d). Any other material change in the Issuer's business or corporate structure;
- e). Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
- f). Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- g). A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or
- h). Any action similar to any of those enumerated above.
