EXPLANATORY NOTE

In connection with an Amended and Restated Formation, Contribution and Merger Agreement, dated as of December 18, 2006 (the Agreement), among Registrant, Harris Corporation, Stratex Merger Corp., and Stratex Networks, Inc. (Stratex), as amended on January 26, 2007, Registrant's wholly owned subsidiary, Stratex Merger Corp., merged with and into Stratex on January 26, 2007 (the Merger) with Stratex as the surviving corporation and renamed as Harris Stratex Networks Operating Corporation, and Harris simultaneously contributed its Microwave Communications Division (MCD) and \$32.1 million in cash to Registrant. Pursuant to the terms and conditions of the Agreement, upon the Merger:

each outstanding option to purchase shares of Stratex Common Stock under each of the Stratex Networks, Inc. 1990 Innova Stock Option Plan, the Stratex Networks, Inc. (formerly known as Digital Microwave Corporation) 1994 Stock Incentive Plan, the Stratex Networks, Inc. (formerly known as Digital Microwave Corporation) 1996 Non-Officer Employee Stock Option Plan, the Stratex Networks, Inc. (formerly known as Digital Microwave Corporation) 1998 Non-Officer Employee Stock Option Plan, the Stratex Networks, Inc. 1999 Stock Incentive Plan and the Stratex Networks, Inc. 2002 Stock Incentive Plan (collectively, the Prior Plans), whether vested or unvested, was converted into an option to acquire that number of shares of Registrant's Class A Common Stock equal to one-fourth of the number of shares of Stratex Common Stock issuable upon exercise of the option immediately prior to such conversion at an exercise price per share equal to four times the exercise price per share of Stratex Common Stock immediately prior to such conversion and

each right of any kind, contingent or accrued, to acquire or receive shares of Stratex Common Stock or benefits measured by the value of shares of Stratex Common Stock, and each award of any kind consisting of shares of Stratex Common Stock under any of the Prior Plans (other than options to purchase Stratex Common Stock), was converted into the right to acquire, or the right to receive benefits measured by the value of, that number of shares of Registrant's Class A Common Stock equal to one-fourth of the number of shares of Stratex Common Stock underlying such award (rounded down to the nearest whole number) immediately prior to such conversion, and if such award determined such rights by reference to the extent the value of the shares of Stratex Common Stock exceed a specified reference price, at a reference price per share of Registrant's Class A Common Stock (rounded up to the nearest whole cent) equal to four times the reference price per share of Stratex Common Stock.

Options are subject to rounding to comply with certain legal requirements. Except as provided above, following the effective time of the Merger, each option and other award to purchase shares of Registrant's Class A Common Stock converted as described above will be governed by the same terms and conditions of the Prior Plans as were applicable to the option or other award immediately prior to the effective time of the Merger.

The Registrant is registering 3,360,696 shares of Registrant's Class A Common Stock issuable upon the exercise of options granted under the Prior Plans that were previously registered in registration statements filed with the Securities and Exchange Commission by Stratex.

On December 28, 2006, the Board of Directors of Registrant adopted, and the sole stockholder of Registrant approved, the Harris Stratex Networks, Inc. 2007 Stock Equity Plan. This Registration Statement also registers 5,000,000 shares of Registrant's Class A Common Stock issuable upon the exercise of options or other awards granted under such plan.

Item 5. Interests of Named Experts and Counsel.

The legality of the shares of Common Stock being registered pursuant to this Registration Statement will be passed upon for the Registrant by Bingham McCutchen LLP.

Item 6. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation a derivative action), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceedings, had no reasonable cause to believe their conduct was unlawful.

A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation unless the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's certificate of incorporation, bylaws, disinterested director vote, stockholder vote, agreement or otherwise.

The Registrant's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws provide that the registrant shall indemnify and hold harmless, to the fullest extent permitted by applicable law, a director or officer of the registrant against all liability and loss suffered and expenses (including attorneys' fees) reasonably incurred by those persons in connection with any action, suit or proceeding in which they were, are, or threatened to be involved by virtue of their service as a director or officer of the registrant or their service at the request of the Registrant as a director, officer, employee or agent of, or in any other capacity with respect to, another corporation or a partnership, joint venture, trust or other entity or enterprise. However, with limited exceptions, the Registrant will indemnify such director or officer seeking indemnification in connection with an action, suit or proceeding initiated by such director or officer only if the action, suit or proceeding was authorized by the board of directors of the Registrant. In addition, the Registrant's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws that provide that the registrant will pay, in advance of the disposition of any action, suit or proceeding, any reasonable expenses incurred by such a director or officer subject to such person agreeing to repay any such amounts if it is judicially determined that such person is not entitled to be indemnified for such expenses. The indemnification provided by the Amended and Restated Bylaws are not exclusive of any other rights such persons may have under any bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

The Registrant maintains insurance on behalf of any person who is or was a director, officer, employee or agent of the registrant, or is or was serving at the request of the registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Registrant would have the power to indemnify him against such liability under the provisions of the Registrant's Amended and Restated Certificate of

Incorporation and Amended and Restated Bylaws.

The foregoing statements are subject to the detailed provisions of Section 145 of the Delaware General Corporation Law, the full text of the Amended and Restated Certificate of Incorporation of the Registrant, which was filed with the Securities and Exchange Commission as Exhibit 3.1 to the Form 8-A (File No. 001-33278) on January 26, 2007, and the full text of the Amended and Restated Bylaws of the Registrant, which was filed with the Securities and Exchange Commission as Exhibit 3.2 to the Form 8-A (File No. 001-33278) on January 26, 2007, each of which is incorporated by reference.

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof;
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

- (4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
