=====
This Registration Statement relates to the registration of additional securities of the same class as other securities for which a registration statement on this form relating to an employee benefit plan is effective. Pursuant to General Instruction E of Form S-8, the contents of the Registrant's registration statement on Form S-8 (Registration No. 333-66455) are hereby incorporated by reference.

- (1) Estimated solely for the purpose of determining the registration fee pursuant to Rule 457(h) under the Securities Act of 1933, on the basis of the average high and low prices for the Registrant's common stock on the Nasdaq National Market on November 14, 2001.
- (2) Such presently indeterminable number of additional shares of common stock are registered hereunder as may be issued in the event of a merger, consolidation, reorganization, recapitalization, stock dividend, stock split, stock combination, or other similar changes in the common stock.
- (3) On July 23, 1997, the Board of Directors of the Registrant declared a dividend of one preferred share purchase right for each share of common stock outstanding on August 21, 1997. The 1,200,000 rights registered by this Registration Statement represent one right that may be issued in connection with each share of common stock issuable upon exercise of options granted or to be granted under the Registrant's 1998 Employee Equity Incentive Plan. Such presently indeterminable number of rights are also registered by this Registration Statement as may be issued in the event of a merger, consolidation, reorganization, recapitalization, stock dividend, stock split or other similar change in common stock. The rights are not separately transferable apart from the common stock, nor are they exercisable until the occurrence of certain events. Accordingly, no independent value has been attributed to the rights.
