QUESTIONS & ANSWERS

Although we recommend that you read the complete Joint Proxy Statement/
Prospectus, we have provided for your convenience a brief overview of the issues
to be voted on.

Q WHY IS A SHAREHOLDER
MEETING BEING HELD?

A Shareholders of
Van Kampen Advantage Municipal Income Trust: You are being asked to vote on a
reorganization (the "Reorganization") of Van Kampen Advantage Municipal Income
Trust (the "Target Fund") into Van Kampen Municipal Opportunity Trust (the
"Acquiring Fund"), a closed-end investment company that pursues the same
investment objective and has similar investment policies as the Target Fund.

Shareholders of Van Kampen Municipal Opportunity Trust: You are being asked to
vote on the issuance of common shares of beneficial interest by the Acquiring
Fund in connection with the Reorganization.

Q WHY IS THE
REORGANIZATION BEING RECOMMENDED?

A The Board of Trustees of
each Fund has determined that the Reorganization will benefit common
shareholders of the Target Fund and the Acquiring Fund. The Target Fund and the
Acquiring Fund are similar. Each Fund seeks to provide common shareholders with
a high level of current income exempt from federal income tax, consistent with
preservation of capital. Each Fund invests primarily in municipal securities
rated investment grade at the time of investment. Each Fund is managed by the
same investment advisory personnel. After the Reorganization, it is anticipated
that common shareholders of each Fund will experience a reduced annual operating
expense ratio, as certain fixed

administrative costs will be spread across the combined fund's larger
asset base. It is not anticipated that the Reorganization will directly
benefit holders of preferred shares of the Funds; however, it is
anticipated that preferred shareholders will not be adversely effected by
the Reorganization, and none of the expenses of the Reorganization will
be borne by preferred shareholders.

Q HOW WILL THE
REORGANIZATION AFFECT ME?

A Assuming shareholders of
the Target Fund approve the Reorganization and shareholders of the Acquiring
Fund approve the issuance of common shares of beneficial interest by that Fund,
the assets and liabilities of the Target Fund will be combined with those of the
Acquiring Fund and the Target Fund will dissolve.

Shareholders of the Target Fund: You will become a shareholder of the Acquiring
Fund. If you are a holder of common shares of the Target Fund, you will receive
newly-issued common shares of the Acquiring Fund, and if you are a holder of
preferred shares of the Target Fund, you will receive newly-issued preferred
shares of the Acquiring Fund. The aggregate net asset value of the common shares
you receive in the Reorganization will equal the aggregate net asset value of

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

the common shares you own immediately prior to the Reorganization less the costs of the Reorganization (though you may receive cash for fractional shares). The aggregate liquidation preference of the preferred shares you receive in the Reorganization will equal the aggregate liquidation preference of the preferred shares you own immediately prior to the Reorganization. No certificates for shares of the Acquiring Fund will be issued in connection with the Reorganization, although such certificates will be available upon request.

Shareholders of the Acquiring Fund: You will remain a shareholder of the Acquiring Fund.

Q WILL I HAVE TO PAY ANY SALES LOAD, COMMISSION OR OTHER SIMILAR FEE IN CONNECTION WITH THE REORGANIZATION?

A You will pay no sales loads or commissions in connection with the Reorganization. However, if the Reorganization is completed, the costs associated with the Reorganization, including the costs associated with the shareholder meeting, will be borne by the common shareholders of the Target Fund and the Acquiring Fund in proportion to their projected annual expense savings as a result of the Reorganization.

Q WILL I HAVE TO PAY ANY FEDERAL TAXES AS A RESULT OF THE REORGANIZATION?

A The Reorganization is intended to qualify as a "reorganization" within the meaning of Section 368(a)(1) of the Internal Revenue Code of 1986, as amended. If the Reorganization so qualifies, in general, a shareholder of the Target Fund will recognize no gain or loss upon the receipt of shares of the Acquiring Fund in connection with the Reorganization. Additionally, the Target Fund will not recognize any gain or loss as a result of the transfer of all of its assets and liabilities in exchange for the shares of the Acquiring Fund or as a result of its dissolution. Neither the Acquiring Fund nor its shareholders will recognize any gain or loss in connection with the Reorganization.

Q WHY IS THE VOTE OF COMMON SHAREHOLDERS OF THE ACQUIRING FUND BEING SOLICITED?

A Although the Acquiring Fund will continue its legal existence and operations after the Reorganization, the rules of the New York Stock Exchange and the Chicago Stock Exchange, on which the Acquiring Fund's common shares are listed, require the common shareholders of the Acquiring Fund to approve the issuance of additional common shares of beneficial interest by the Acquiring Fund in connection with the Reorganization. If the issuance of additional common shares of the Acquiring Fund is not approved, the Reorganization will not occur.

Q HOW DOES THE BOARD OF TRUSTEES OF MY FUND SUGGEST I VOTE?

A After careful consideration, the Board of Trustees of each Fund recommends that you vote "FOR" each of the items proposed.

Q HOW DO I VOTE MY PROXY?

A You may cast your vote by mail, phone or internet. To vote by mail, please mark your vote on the enclosed proxy card and sign, date and return the card in the postage-paid envelope provided. JOINT SPECIAL MEETING OF SHAREHOLDERS

SEPTEMBER 23, 2005

This Joint Proxy Statement/Prospectus is furnished to you as a shareholder of
Van Kampen Advantage Municipal Income Trust (the "Target Fund") and/or Van
Kampen Municipal Opportunity Trust (the "Acquiring Fund"). A joint special
meeting of shareholders of the funds (the "Special Meeting") will be held at the
offices of Van Kampen Investments Inc., 1 Parkview Plaza, Oakbrook Terrace,
Illinois 60181-5555 on September 23, 2005 at 10:00 a.m. to consider the items
listed below and discussed in greater detail elsewhere in this Joint Proxy
Statement/Prospectus. If you are unable to attend the Special Meeting or any
adjournment thereof, the Board of Trustees of each fund requests that you vote
your shares by completing and returning the enclosed proxy card or by recording
your voting instructions by telephone or via the internet. The approximate
mailing date of this Joint Proxy Statement/Prospectus and accompanying form of
proxy is , 2005.

The purposes of the Special Meeting are:

For shareholders of the Target Fund:

1. To approve an Agreement and Plan of Reorganization (the "Reorganization Agreement") between the Target Fund and the Acquiring Fund, the termination of the Target Fund's registration under the Investment Company Act of 1940, as amended (the "1940 Act"), and the dissolution of the Target Fund under applicable state law;

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

For common shareholders of the Acquiring Fund:

2. To approve the issuance of additional common shares of the Acquiring Fund in connection with the Reorganization Agreement; and

For shareholders of both funds:

3. To transact such other business as may properly be presented at the Special Meeting or any adjournment thereof.

The Reorganization Agreement that you are being asked to consider involves a transaction that will be referred to in this Joint Proxy Statement/Prospectus as the "Reorganization." The Reorganization seeks to combine two similar funds to achieve certain economies of scale and other operational efficiencies. Each fund pursues the same investment objective to seek to provide common shareholders with a high level of current income exempt from federal income tax, consistent with preservation of capital. Each fund invests primarily in municipal securities rated investment grade at the time of investment. The Target Fund and the Acquiring Fund are sometimes referred to herein each as a "Fund" and collectively as the "Funds."

In the Reorganization, the Acquiring Fund will acquire substantially all of the assets and assume substantially all of the liabilities of the Target Fund in exchange for an equal aggregate value of newly issued common shares of beneficial interest of the Acquiring Fund, par value \$0.01 per share ("Acquiring Fund Common Shares") and newly-issued auction preferred shares of the Acquiring Fund with a par value of \$0.01 per share and a liquidation preference of \$25,000 per share ("Acquiring Fund APS"). The Target Fund will distribute Acquiring Fund Common Shares to holders of common shares of the Target Fund ("Target Fund Common Shares") (Target Fund Common Shares and Acquiring Fund Common Shares are sometimes referred to herein collectively as "Common Shares") and Acquiring Fund APS to holders of auction preferred shares of the Target Fund ("Target Fund APS") (Target Fund APS and Acquiring Fund APS are sometimes referred to herein collectively as "Preferred Shares" or "APS"), and will then terminate its registration under the 1940 Act, and dissolve under applicable state law. The aggregate net asset value of Acquiring Fund Common Shares received in the Reorganization will equal the aggregate net asset value of Target Fund Common Shares held immediately prior to the Reorganization less the costs of the Reorganization (though common shareholders may receive cash for their fractional shares). The aggregate liquidation preference of the Acquiring Fund APS received in the Reorganization will equal the aggregate liquidation preference of the Target Fund APS held immediately prior to the Reorganization. The Acquiring Fund will continue to operate after the Reorganization as a registered closed-end investment company with the investment objective and policies described in this Joint Proxy Statement/Prospectus.

In connection with the Reorganization, common shareholders of the Acquiring Fund are being asked to approve the issuance of additional Acquiring Fund Common Shares.

The Board of Trustees of each Fund has determined that including both proposals in one Joint Proxy Statement/Prospectus will reduce costs and is in the best interests of each Fund's shareholders.

In the event that Target Fund shareholders do not approve the Reorganization or Acquiring Fund common shareholders do not approve the issuance of Acquiring Fund Common Shares, the Target Fund will continue to exist and the Board of

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Trustees of the Target Fund (the "Target Fund Board") will consider what additional action, if any, to take.

This Joint Proxy Statement/Prospectus sets forth concisely the information shareholders of the Funds should know before voting on the proposals and constitutes an offering of Acquiring Fund Common Shares and Acquiring Fund APS. Please read it carefully and retain it for future reference. A Statement of Additional Information, dated _____, 2005, relating to this Joint Proxy Statement/Prospectus (the "Reorganization Statement of Additional Information") has been filed with the Securities and Exchange Commission (the "SEC") and is incorporated herein by reference. SUMMARY

The following is a summary of certain information contained elsewhere in this Joint Proxy Statement/Prospectus and is qualified in its entirety by reference to the more complete information contained in this Joint Proxy Statement/Prospectus and in the Reorganization Statement of Additional Information. Shareholders should read the entire Joint Proxy Statement/Prospectus carefully.

PROPOSAL 1: REORGANIZATION OF THE TARGET FUND

THE PROPOSED REORGANIZATION. The Board of Trustees of each Fund, including the trustees who are not "interested persons," as defined in the 1940 Act, of each Fund, has unanimously approved the Reorganization Agreement. If the shareholders of the Target Fund approve the Reorganization Agreement and the common shareholders of the Acquiring Fund approve the issuance of additional Acquiring Fund Common Shares (see "Proposal 2: Issuance of Additional Acquiring Fund Common Shares"). Acquiring Fund Common Shares and Acquiring Fund APS will be issued to holders of Target Fund Common Shares and Target Fund APS, respectively, in exchange for substantially all of the assets of the Target Fund and the assumption of substantially all of the liabilities of the Target Fund. The Target Fund will then terminate its registration under the 1940 Act and dissolve under applicable state law. The aggregate net asset value of Acquiring Fund Common Shares received in the Reorganization will equal the aggregate net asset value of Target Fund Common Shares held immediately prior to the Reorganization, less the costs of the Reorganization (though holders of Target Fund Common Shares may receive cash for their fractional shares). The aggregate liquidation preference of Acquiring Fund APS received in the Reorganization will equal the aggregate liquidation preference of Target Fund APS held immediately prior to the Reorganization.

BACKGROUND AND REASONS FOR THE PROPOSED REORGANIZATION. The Reorganization seeks to combine two similar Funds to achieve certain economies of scale and other operational efficiencies. Each Fund is registered as a diversified, closed-end management investment company under the 1940 Act. Each Fund invests primarily in municipal securities rated investment grade at the time of investment. The investment objective of each Fund is to seek to provide common shareholders with a high level of current income exempt from federal income tax, consistent with preservation of capital. Each Fund intends to achieve its objective primarily by investing in a diversified portfolio of municipal securities which such Fund's investment adviser believes does not involve undue

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

risk to income or principal. Each Fund may invest in municipal securities subject to the alternative minimum tax provisions of federal tax law. The Funds are managed by the same investment advisory personnel.

7

The proposed Reorganization will combine the assets of these similar funds by reorganizing the Target Fund into the Acquiring Fund. The Target Fund Board, based upon its evaluation of all relevant information, anticipates that the Reorganization will benefit holders of Target Fund Common Shares. The Board of Trustees of the Acquiring Fund (the "Acquiring Fund Board"), based upon its evaluation of all relevant information, anticipates that the Reorganization will benefit holders of Acquiring Fund Common Shares. The Board of Trustees of each Fund believes, based on data presented by Van Kampen Asset Management, investment adviser to each of the Funds (the "Adviser"), that holders of Common Shares of each Fund will experience a reduced annual operating expense ratio as a result of the Reorganization. The combined fund resulting from the Reorganization will have a larger asset base than either of the Funds has currently; certain fixed administrative costs, such as costs of printing shareholder reports and proxy statements, legal expenses, audit fees, mailing costs and other expenses, will be spread across this larger asset base, thereby lowering the expense ratio for common shareholders of the combined fund.

The table below illustrates the anticipated reduction in operating expenses expected as a result of the Reorganization. The table sets forth (i) the fees, expenses and distributions to preferred shareholders paid by the Target Fund for the 12-month period ended January 31, 2005, (ii) the fees, expenses and distributions to preferred shareholders paid by the Acquiring Fund for the 12-month period ended January 31, 2005 and (iii) the pro forma fees, expenses and distributions to preferred shareholders for the Acquiring Fund for the 12-month period ended January 31, 2005, assuming the Reorganization had been completed at the beginning of such period. As shown below, the Reorganization is expected to result

8

in decreased total annual expenses for shareholders of each Fund (although such savings will not be immediately realized (see footnote (c) to the table).

-
- (a) No expense information is presented with respect to Preferred Shares because holders of Preferred Shares do not bear any transaction or operating expenses of either Fund and will not bear any of the Reorganization expenses or any transaction or operating expenses of the combined fund.
 - (b) Common Shares purchased in the secondary market may be subject to brokerage commissions or other charges. No sales load will be charged on the issuance of common shares in the Reorganization. Common Shares are not available for purchase from the Funds but may be purchased through a broker-dealer subject to individually negotiated commission rates.
 - (c) In connection with the Reorganization, there are certain other transaction expenses which include, but are not limited to: all costs related to the preparation, printing and distributing of this Joint Proxy Statement/Prospectus to shareholders; costs related to preparation and distribution of materials distributed to each Fund's Board; all expenses incurred in connection with the preparation of the Reorganization Agreement and registration statement on

Form N-14; SEC and state securities commission filing fees; legal and audit fees; portfolio transfer taxes (if any); and any similar expenses incurred in connection with the Reorganization. In accordance with applicable SEC rules, the Board of Trustees of each Fund reviewed the fees and expenses that will be borne directly or indirectly by the Funds in connection with the Reorganization. After considering various alternatives for allocating these costs, the Board of Trustees of each Fund agreed that, in the event the Reorganization is approved and completed, the expenses of the Reorganization will be shared by the Target Fund and the Acquiring Fund in proportion to their projected annual expense savings as a result of the Reorganization. The table below summarizes each Fund's net assets (Common Shares only) at January 31, 2005, projected annual expense savings to each Fund as a result of the Reorganization, allocation of Reorganization expenses between the Funds in dollars and percentages, an estimated pay-back period (in years) and the resulting effect on each Fund's net asset value per Common Share at January 31, 2005. The projected annual expense savings are generally not expected to be immediately realized. If a shareholder sells his or her Common Shares prior to the estimated pay-back period, then that shareholder may not realize any of the projected expense savings resulting from the reduced expense ratio of the combined fund. The net asset value per Common Share of each Fund will be reduced at the closing date of the Reorganization to reflect the allocation of Reorganization expenses to each Fund. The reduction in net

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

asset value per Common Share resulting from the allocation of Reorganization expenses, when compared to the relative net asset sizes of the Funds involved in the Reorganization, will be greater in the Acquiring Fund than the Target Fund. In the event the Reorganization is not completed, the Adviser will bear the costs associated with the Reorganization. The numbers presented in the table are estimates; actual results may differ.

FUND	NET ASSETS (COMMON SHARES ONLY)	PROJECTED ANNUAL EXPENSE SAVINGS	REORGANIZATION EXPENSE ALLOCATION IN DOLLARS/PERCENTAGE	ESTIMATED PAYBACK PERIOD (IN YEARS)	REDUCTION TO ASSET VALUE PER COMMON SHARE
Target Fund	\$325,753,719	\$130,301	\$222,000/50%	1.70	\$0.01
Acquiring Fund	\$262,463,268	\$131,232	\$222,000/50%	1.69	\$0.01
Total Expenses			\$ 444,000		

(d) Expense information has been restated to reflect permanent reductions made to administrative fees of each Fund effective as of June 1, 2004 and permanent reductions made to management fees of each Fund effective as of November 1, 2004. If assets attributable to Preferred Shares were included, the investment advisory fee would be 0.55% for each Fund and for the Acquiring Fund on a proforma basis.

(e) In seeking to enhance the income for its common shareholders, each of the Funds uses preferred shares as financial leverage. Leverage created

10

by borrowing or other forms of indebtedness would create interest expenses which would, if used by the Funds, be charged to common shareholders (shown above as "Interest Payments on Borrowed Funds"). Leverage created by preferred shares creates dividend payments and/or capital gains distributions to preferred shareholders which are charged to common shareholders (shown above as "Distributions on Preferred Shares"). The dividend rates are based on periodic auctions as described herein and thus will differ based on varying market conditions at the times of such auctions.

EXAMPLE. The following example is intended to help you compare the costs of investing in the Acquiring Fund pro forma after the Reorganization, with the costs of investing in the Target Fund and the Acquiring Fund without the Reorganization. An investor would pay the following expenses on a \$1,000 investment, assuming (1) the operating expense ratio for each Fund (as a percentage of net assets attributable to Common Shares) set forth in the table above and (2) a 5% annual return throughout the period:

	1 YEAR	3 YEARS	5 YEARS	10 YEARS
Van Kampen Advantage Municipal Income Trust.....	\$12	\$37	\$65	\$143
Van Kampen Municipal Opportunity Trust.....	\$12	\$37	\$64	\$142
Pro Forma--Van Kampen Municipal Opportunity Trust.....	\$12	\$36	\$62	\$137

The example set forth above assumes the reinvestment of all dividends and distributions and uses a 5% annual rate of return as mandated by SEC regulations. The example should not be considered a representation of past or future expenses or annual rates of return. Actual expenses or annual rates of return may be more or less than those assumed for purposes of the example.

FURTHER INFORMATION REGARDING THE REORGANIZATION. The Target Fund Board has determined that the Reorganization is in the best interests of holders of Target Fund Common Shares and that the interests of such shareholders will not be diluted as a result of the Reorganization. Similarly, the Board of Trustees of the Acquiring Fund has determined that the Reorganization is in the best interests of holders of Acquiring Fund Common Shares and that the interests of such shareholders will not be diluted as a result of the Reorganization. It is not anticipated that the Reorganization will directly benefit the holders of Preferred Shares of either Fund; however, the Reorganization will not adversely affect the holders of Preferred Shares of either Fund and the expenses of the Reorganization will not be borne by the holders of Preferred Shares of either Fund. As a result of the Reorganization, however, a shareholder of either Fund will hold a reduced

11

percentage of ownership in the larger combined fund than he or she did in either of the separate Funds.

The Reorganization is intended to qualify as a "reorganization" within the meaning of Section 368(a)(1) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code" or "Code"). If the Reorganization so qualifies, in general, a shareholder of the Target Fund will recognize no gain or loss upon the receipt of shares of the Acquiring Fund in connection with the Reorganization. Additionally, the Target Fund will not recognize any gain or loss as a result of the transfer of all of its assets and liabilities in exchange for the shares of the Acquiring Fund or as a result of its dissolution. Neither the Acquiring Fund nor its shareholders will recognize any gain or loss in connection with the Reorganization.

The Target Fund Board requests that shareholders of the Target Fund approve the proposed Reorganization at the Special Meeting to be held on September 23, 2005. Shareholder approval of the Reorganization requires the affirmative vote of shareholders of the Target Fund representing more than 50% of the outstanding Target Fund Common Shares and Target Fund Preferred Shares entitled to vote, each voting separately as a class. Subject to the requisite approval of the shareholders of each Fund with regard to the Reorganization, it is expected that the closing date of the transaction (the "Closing Date") will be after the close of business on or about _____, 2005, but it may be at a different time as described herein.

The Target Fund Board recommends that you vote "FOR" the proposed Reorganization.

PROPOSAL 2: ISSUANCE OF ACQUIRING FUND COMMON SHARES

In connection with the proposed Reorganization described under "Proposal 1: Reorganization of the Target Fund," the Acquiring Fund will issue additional Acquiring Fund Common Shares and list such shares on the NYSE and CHX. The Acquiring Fund will acquire substantially all of the assets and assume substantially all of the liabilities of the Target Fund in exchange for the newly-issued Acquiring Fund Common Shares and newly-issued Acquiring Fund APS. The Reorganization will result in no reduction of net asset value of the

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Acquiring Fund Common Shares, other than the costs of the Reorganization. No gain or loss will be recognized by the Acquiring Fund or its shareholders in connection with the Reorganization. The Acquiring Fund Board, based upon its evaluation of all relevant information, anticipates that the Reorganization will benefit holders of Acquiring Fund Common Shares. In particular, the Acquiring Fund Board believes, based on data presented by the Adviser, that the Acquiring Fund will experience a reduced annual operating expense ratio as a result of the Reorganization.

12

The Acquiring Fund Board requests that shareholders of the Acquiring Fund approve the issuance of additional Acquiring Fund Common Shares at the Special Meeting to be held on September 23, 2005. Shareholder approval of the issuance of additional Acquiring Fund Common Shares requires the affirmative vote of a majority of the votes cast on the proposal, provided that the total votes cast on the proposal represents more than 50% in interest of all securities entitled to vote on the proposal. Subject to the requisite approval of the shareholders of each Fund with regard to the Reorganization, it is expected that the Closing Date will be after the close of business on or about _____, 2005, but it may be at a different time as described herein.

The Acquiring Fund Board recommends that you vote "FOR" the issuance of additional Acquiring Fund Common Shares in connection with the Reorganization.

13

PROPOSAL 1: REORGANIZATION OF THE TARGET FUND

The Reorganization seeks to combine two similar Funds to achieve certain economies of scale and other operational efficiencies. Each Fund is registered as a diversified, closed-end management investment company under the 1940 Act. Each Fund pursues the same investment objective to seek to provide common shareholders with a high level of current income exempt from federal income tax, consistent with preservation of capital. Each Fund invests primarily in municipal securities rated investment grade at the time of investment. The Funds are managed by the same investment advisory personnel.

In the Reorganization, the Acquiring Fund will acquire substantially all of the assets and assume substantially all of the liabilities of the Target Fund in exchange for an equal aggregate value of Acquiring Fund Common Shares and Acquiring Fund APS. The Target Fund will distribute Acquiring Fund Common Shares to holders of Target Fund Common Shares and Acquiring Fund APS to holders of Target Fund APS, and will then terminate its registration under the 1940 Act and dissolve under applicable state law. The aggregate net asset value of Acquiring Fund Common Shares received in the Reorganization will equal the aggregate net asset value of the Target Fund Common Shares held immediately prior to the Reorganization less the costs of the Reorganization (though holders of Target Fund Common Shares may receive cash for their fractional shares). The aggregate liquidation preference of Acquiring Fund APS received in the Reorganization will equal the aggregate liquidation preference of Target Fund APS held immediately prior to the Reorganization. The Acquiring Fund will continue to operate as a registered closed-end investment company with the investment objective and policies described in this Joint Proxy Statement/Prospectus.

The Target Fund Board, based upon its evaluation of all relevant information, anticipates that the common shareholders of the Target Fund will benefit from the Reorganization. In particular, the Target Fund Board believes, based on data

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

presented by the Adviser, that common shareholders of the Target Fund will experience a reduced annual operating expense ratio as a result of the Reorganization. The combined fund resulting from the Reorganization will have a larger asset base than either Fund has currently; certain fixed administrative costs, such as costs of printing shareholder reports and proxy statements, legal expenses, audit fees, mailing costs and other expenses, will be spread across this larger asset base, thereby lowering the expense ratio for common shareholders of the combined fund.

RISK FACTORS AND SPECIAL CONSIDERATIONS

Because each Fund, under normal market conditions, invests substantially all of its assets in municipal securities rated investment grade at the time of investment,

14

any risks inherent in such investments are equally applicable to both Funds and will apply to the combined fund after the Reorganization. The Reorganization itself is not expected to adversely affect the rights of holders of Common Shares or Preferred Shares of either Fund or to create additional risks.

MARKET RISK

Market risk is the possibility that the market values of securities owned by each Fund will decline. The prices of debt securities tend to fall as interest rates rise, and such declines tend to be greater among debt securities with longer maturities. Market risk is often greater among certain types of debt securities, such as zero coupon bonds which do not make regular interest payments but are instead bought at a discount to their face values and paid in full upon maturity. As interest rates change, these securities often fluctuate more in price than securities that make regular interest payments and therefore subject the Funds to greater market risk than a fund that does not own these types of securities. When-issued and delayed delivery transactions are subject to changes in market conditions from the time of the commitment until settlement. This may adversely affect the prices or yields of the securities being purchased. The greater the Funds' outstanding commitments for these securities, the greater the Funds' exposure to market price fluctuations.

INTEREST RATE RISK

Interest rate risk is the risk that prices of municipal securities generally increase when interest rates decline and decrease when interest rates increase. Prices of longer-term securities generally change more in response to interest rate changes than prices of shorter-term securities.

CREDIT RISK

Credit risk refers to an issuer's ability to make timely payments of interest and principal. The degree of credit risk depends on both the financial condition of the issuer and the terms of the obligation. Under normal market conditions, each Fund invests substantially all of its assets in municipal securities rated investment grade at the time of investment. However, to the extent that a Fund may hold securities rated below investment grade, it may be subject to a higher level of credit risk than a fund that holds solely investment grade securities. Securities rated BBB by Standard & Poor's ("S&P") or Baa by Moody's Investors Service, Inc. ("Moody's") are in the lowest of the four investment grades and are considered by the rating agencies to be medium-grade obligations which possess speculative characteristics so that changes in economic conditions or other circumstances are more likely to lead to a weakened capacity of the issuer to make principal and interest payments than in the case of higher-rated securities. The credit quality of non-investment grade securities is considered

speculative by recognized rating

15

agencies with respect to the issuer's continuing ability to pay interest and principal. Lower-grade securities may have less liquidity and a higher incidence of default than higher-grade securities. A Fund may incur higher expenditures to protect its interests in such securities. The credit risks and market prices of lower-grade securities generally are more sensitive to negative issuer developments, such as reduced revenues or increased expenditures, or adverse economic conditions, such as a recession, than are higher-grade securities.

INCOME RISK

The income shareholders receive from a Fund is based primarily on interest rates, which can vary widely over the short- and long-term. If interest rates drop, your income from such Fund may drop as well.

CALL RISK

If interest rates fall, it is possible that issuers of securities with high interest rates will prepay or "call" their securities before their maturity dates. In this event, the proceeds from the called securities would likely be reinvested by the Funds in securities bearing the new, lower interest rates, resulting in a possible decline in the Funds' income and distributions to shareholders.

MUNICIPAL SECURITIES RISK

Under normal market conditions, the Funds invest primarily in municipal securities. The yields of municipal securities may move differently and adversely compared to the yields of overall debt securities markets. Although the interest received from municipal securities generally is exempt from federal income tax, each Fund may invest in municipal securities that pay interest that is subject to the federal alternative minimum tax. The Acquiring Fund may invest all or a substantial portion of its total assets in municipal securities that pay interest that is subject to the federal alternative minimum tax. In addition, there could be changes in applicable tax laws or tax treatments that reduce or eliminate the current federal income tax exemption on municipal securities or otherwise adversely affect the current federal or state tax status of municipal securities.

RISKS OF USING STRATEGIC TRANSACTIONS

Each Fund may engage in certain transactions ("Strategic Transactions") designed to, among other things, reduce its exposure to interest rate movements. For example, each Fund may purchase and sell exchange-listed and over-the-counter put and call options on securities, financial futures and other financial instruments, purchase and sell financial futures contracts and enter into various interest rate transactions such as swaps, caps, floors or collars. If a Fund incorrectly forecasts market values, interest rates or other factors, that Fund's performance

16

could suffer as a result of its Strategic Transactions. Each Fund also may suffer a loss if the other party to the Strategic Transaction fails to meet its obligations. The Funds are not required to use Strategic Transactions and may choose not to do so.

MANAGER RISK

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

As with any managed fund, the investment adviser to each Fund may not be successful in selecting the best-performing securities or investment techniques, and a Fund's performance may lag behind that of similar funds.

MARKET DISCOUNT RISK

Whether investors will realize gains or losses upon the sale of shares of a Fund will depend upon the market price of the shares at the time of original purchase and subsequent sale, which may be less or more than such Fund's net asset value per share. Since the market price of the shares will be affected by such factors as the relative demand for and supply of the shares in the market, general market and economic conditions and other factors beyond the control of the Funds, the Funds cannot predict whether shares of the Funds will trade at, below or above net asset value. Shares of closed-end funds often trade at a discount to their net asset values, and the Funds' shares may trade at such a discount.

In order to reduce or eliminate a market value discount from net asset value, the Board of Trustees of a Fund may, subject to the terms of its Preferred Shares, authorize such Fund from time to time to repurchase its Common Shares in the open market or to tender for its Common Shares at net asset value. The Board of Trustees of each Fund, in consultation with the Adviser, reviews on a quarterly basis the possibility of open-market repurchases and/or tender offers for such Fund's Common Shares. Subject to its borrowing restrictions, a Fund may incur debt to finance such repurchases, which entails risks. The ability of a Fund to enter into tender offers and the common share repurchases may be limited by the 1940 Act asset coverage requirements and any additional asset coverage requirements which may be imposed by a rating agency in connection with any rating of the Preferred Shares. No assurance can be given that the Board of Trustees of a Fund will, in fact, authorize such Fund to undertake such repurchases and/or tender offers or that, if undertaken, such actions would result in such Fund's Common Shares trading at a price which is equal or close to net asset value.

LEVERAGE RISK

Use of leverage, through the issuance of Preferred Shares, involves certain risks to holders of Common Shares of the Funds. For example, each Fund's issuance of Preferred Shares may result in higher volatility of the net asset value of its Common Shares and potentially more volatility in the market value of its Common Shares. In addition, changes in the short-term and medium-term dividend rates on, and the

17

amount of taxable income allocable to, the Preferred Shares of a Fund will affect the yield to holders of Common Shares of a Fund. In certain circumstances, when a Fund is required to allocate taxable income to holders of its Preferred Shares, a Fund may be required to make an additional distribution to such holders in an amount approximately equal to the tax liability resulting from the allocation (an "Additional Dividend"). Leverage will allow holders of each Fund's Common Shares to realize a higher current rate of return than if a Fund were not leveraged as long as such Fund, while accounting for its costs and operating expenses, is able to realize a higher net return on its investment portfolio than the then-current dividend rate (and any Additional Dividend) paid on its Preferred Shares. Similarly, since a pro rata portion of each Fund's net realized capital gains is generally payable to holders of a Fund's Common Shares, the use of leverage will increase the amount of such gains distributed to holders of a Fund's Common Shares. However, short-term, medium-term and long-term interest rates change from time to time as do their relationships to each other (i.e., the slope of the yield curve) depending upon such factors as

supply and demand forces, monetary and tax policies and investor expectations. Changes in any or all of such factors could cause the relationship between short-term, medium-term and long-term rates to change (i.e., to flatten or to invert the slope of the yield curve) so that short-term and medium-term rates may substantially increase relative to the long-term obligations in which each Fund may be invested. To the extent that the current dividend rate (and any Additional Dividend) on a Fund's Preferred Shares approaches the net return on such Fund's investment portfolio, the benefit of leverage to holders of Common Shares of such Fund will be decreased. If the current dividend rate (and any Additional Dividend) on the Preferred Shares of a Fund were to exceed the net return on such Fund's portfolio, holders of Common Shares of such Fund would receive a lower rate of return than if the Fund were not leveraged. Similarly, since both the costs of issuing Preferred Shares and any decline in the value of a Fund's investments (including investments purchased with the proceeds from any Preferred Shares offering) will be borne entirely by holders of such Fund's Common Shares, the effect of leverage in a declining market would result in a greater decrease in net asset value to holders of Common Shares than if a Fund were not leveraged. If a Fund is liquidated, holders of that Fund's Preferred Shares will be entitled to receive liquidating distributions before any distribution is made to holders of Common Shares of such Fund.

In an extreme case, a decline in net asset value could affect a Fund's ability to pay dividends on its Common Shares. Failure to make such dividend payments could adversely affect a Fund's qualification as a regulated investment company under the federal tax laws. However, each Fund intends to take all measures necessary to make required Common Share dividend payments. If a Fund's current investment income is ever insufficient to meet dividend payments on either its Common Shares or its Preferred Shares, such Fund may have to liquidate certain of

18

its investments. In addition, each Fund has the authority to redeem its Preferred Shares for any reason and may be required to redeem all or part of its Preferred Shares in the following circumstances:

- if the asset coverage for the Preferred Shares declines below 200%, either as a result of a decline in the value of a Fund's portfolio investments or as a result of the repurchase of Common Shares in tender offers or otherwise, or
- in order to maintain the asset coverage guidelines established by Moody's and S&P in rating the Preferred Shares.

Redemption of the Preferred Shares or insufficient investment income to make dividend payments, may reduce the net asset value of a Fund's Common Shares and require a Fund to liquidate a portion of its investments at a time when it may be disadvantageous to do so.

ANTI-TAKEOVER PROVISIONS

The Declaration of Trust of each Fund (in each case, the "Declaration of Trust") includes provisions that could limit the ability of other entities or persons to acquire control of that Fund or to change the composition of its Board of Trustees. Such provisions could limit the ability of common shareholders to sell their Common Shares at a premium over prevailing market prices by discouraging a third party from seeking to obtain control of either Fund.

SPECIAL RISKS RELATED TO PREFERRED SHARES

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

AUCTION RISK. The dividend rate for the Preferred Shares of each Fund normally is set through an auction process. In the auction, holders of Preferred Shares may indicate the dividend rate at which they would be willing to hold or sell their shares or purchase additional shares. An auction fails if there are more Preferred Shares offered for sale than there are buyers, in which case holders of Preferred Shares may not be able to sell their shares. Also, if holders of Preferred Shares place bids to retain shares at an auction only at a specified dividend rate and that rate exceeds the rate set at the auction, they will not retain their shares. Additionally, if holders of Preferred Shares buy shares or elect to retain shares without specifying a dividend rate below which they would not wish to buy or continue to hold those shares, they could receive a lower rate of return on their shares than the market rate. Finally, the dividend period for the Preferred Shares may be changed by a Fund, subject to certain conditions, including notice to preferred shareholders, which could also affect the liquidity of an investment in Preferred Shares.

SECONDARY MARKET RISK. Broker-dealers may maintain a secondary trading market in the Preferred Shares outside of auctions; however, they are not obligated to do so and there can be no assurance that such a secondary market will develop or, if it does develop, that it will provide holders of Preferred Shares with a liquid

19

trading market. It may not be possible to sell Preferred Shares between auctions, or it may only be possible to sell them for a price less than their liquidation preference plus any accumulated dividends. An increase in the level of interest rates likely will have an adverse effect on the secondary market price of the Preferred Shares. Preferred Shares may only be transferred outside of auctions to or through broker-dealers or other persons as a Fund permits.

RATINGS AND ASSET COVERAGE RISKS. Although the Preferred Shares of each Fund have been rated "Aaa" by Moody's and "AAA" by S&P, such ratings do not eliminate or necessarily mitigate the risks of investing in Preferred Shares. Moody's or S&P could downgrade its rating of the Preferred Shares or withdraw its rating at any time, which may make the Preferred Shares less liquid at an auction or in the secondary market. If a Fund fails to satisfy its asset coverage ratios, it will be required to redeem a sufficient number of Preferred Shares in order to return to compliance with the asset coverage ratios. A Fund may voluntarily redeem Preferred Shares under certain circumstances in order to meet asset coverage tests.

COMPARISON OF THE FUNDS

INVESTMENT OBJECTIVE AND POLICIES

The Funds pursue the same investment objective and have similar investment policies. Each Fund's investment objective is to seek to provide common shareholders with a high level of current income exempt from federal income tax, consistent with preservation of capital. Each Fund intends to achieve its objective by investing in a diversified portfolio of municipal securities which the Adviser believes does not involve undue risk to income or principal. Under normal market conditions, the Target Fund invests substantially all of its net assets in municipal securities rated investment grade at the time of investment and the Acquiring Fund invests substantially all of its total assets in municipal securities rated investment grade at the time of investment. Under normal market conditions, each Fund invests at least 80% of its net assets in municipal securities. Investment grade securities are rated BBB or higher by S&P or Baa or higher by Moody's in the case of long-term obligations, and have equivalent ratings in the case of short-term obligations. Securities rated BBB by S&P are regarded by S&P as having an adequate capacity to pay interest and repay principal; whereas such securities normally exhibit adequate protection

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

parameters, adverse economic conditions or changing circumstances are more likely, in the opinion of S&P, to lead to a weakened capacity to pay interest and repay principal for debt in this category than in higher rated categories. Securities rated Baa by Moody's are considered by Moody's as medium grade obligations; they are neither highly protected nor poorly secured; interest payments and principal security appear to Moody's to be adequate for the present but certain protective elements may be lacking or may be characteristically

20

unreliable over any great length of time; in the opinion of Moody's, they lack outstanding investment characteristics and in fact have speculative characteristics as well.

The foregoing policies with respect to credit quality of portfolio investments apply only at the time of purchase of a security, and the Funds are not required to dispose of a security in the event that S&P or Moody's (or any other nationally recognized statistical rating organization) downgrades its assessment of the credit characteristics of a particular issuer. In determining whether a Fund will retain or sell such a security, the Adviser may consider such factors as the Adviser's assessment of the credit quality of the issuer of such security, the price at which such security could be sold and the rating, if any, assigned to such security by other nationally recognized statistical rating organizations.

Each Fund may invest an unlimited portion of its assets in municipal securities that pay interest that is subject to the alternative minimum tax provisions of federal tax law. A substantial portion of the income produced by each Fund may be taxable under the alternative minimum tax. The Funds may not be suitable investments for investors who are already subject to the federal alternative minimum tax or who would become subject to the federal alternative minimum tax as a result of an investment in the Funds.

Each Fund may engage in certain hedging transactions and may purchase and sell put and call options on municipal securities and municipal securities indices. Such transactions are not treated as investments in municipal securities for the purpose of each Fund's policy of investing 80% of its total assets in municipal securities.

MUNICIPAL SECURITIES. Municipal securities are obligations issued by or on behalf of states, certain territories and possessions of the United States and the District of Columbia and their political subdivisions, agencies and instrumentalities, the interest on which, in the opinion of bond counsel or other counsel to the issuer of such securities is, at the time of issuance, not includable in gross income for regular federal income tax purposes. Under normal market conditions, each Fund will invest in at least 80% of its net assets in municipal securities. The policy stated in the foregoing sentence is a fundamental policy of each Fund and cannot be changed without shareholder approval.

Municipal securities include long-term obligations, often called municipal bonds, as well as short-term municipal notes, participation certificates, municipal leases, and tax-exempt commercial paper. During ordinary market conditions, longer-term municipal securities generally provide a higher yield than short-term municipal securities of similar credit quality and therefore each Fund generally expects primarily to invest and hold until maturity longer-term municipal securities. The

21

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Funds may, however, invest in short-term municipal securities in certain circumstances.

The two principal classifications of municipal bonds are "general obligation" bonds and "revenue" or "special obligation" bonds, which include "industrial revenue bonds." General obligation bonds are secured by the issuer's pledge of its faith, credit and taxing power for the payment of principal and interest, and accordingly the capacity of the issuer of a general obligation bond as to the timely payment of interest and the repayment of principal when due is affected by the issuer's maintenance of its tax base. Revenue or special obligation bonds are payable only from the revenues derived from a particular facility or class of facilities or, in some cases, from the proceeds of a special tax or other specific revenue source such as from the user of the facility being financed; accordingly the timely payment of interest and the repayment of principal in accordance with the terms of the revenue or special obligation bond is a function of the economic viability of such facility or such revenue source. Although the ratings of Moody's or S&P of the municipal securities in the Fund's portfolio are relative and subjective, and are not absolute standards of quality, such ratings reflect the assessment of Moody's or S&P, as the case may be, of the issuer's ability, or the economic viability of the special revenue source, with respect to the timely payment of interest and the repayment of principal in accordance with the terms of the obligation.

Also included within the general category of municipal securities are participations in lease obligations or installment purchase contract obligations (hereinafter collectively called "lease obligations") of municipal authorities or entities. Although lease obligations do not constitute general obligations of the municipality for which the municipality's taxing power is pledged, a lease obligation may be backed by the municipality's covenant to budget for, appropriate and make the payments due under the lease obligation. However, certain lease obligations contain "non-appropriation" clauses which provide that the municipality has no obligation to make lease or installment purchase payments in future years unless money is appropriated for such purpose on a yearly basis. Typically in "non-appropriation" lease obligations, the lease terminates as of the end of the last fiscal year for which an appropriation is made. Although "non-appropriation" lease obligations are often secured by an assignment of the lessor's interest in the underlying property, disposition of the property in the event of foreclosure might prove difficult. There is no limitation on the percentage of each Fund's assets that may be invested in "non-appropriation" lease obligations. In evaluating such lease obligations, the Adviser will consider such factors as it deems appropriate, including (a) whether the lease can be cancelled, (b) the ability of the lease obligee to direct the sale of the underlying assets, (c) the general creditworthiness of the lease obligor, (d) the likelihood that the municipality will discontinue appropriating funding for the leased property in the event such property is no longer considered essential by the municipality, (e) the legal recourse of the lease obligee in the event of such a

22

failure to appropriate funding and (f) any limitations which are imposed on the lease obligor's ability to utilize substitute property or services than those covered by the lease obligation. The Acquiring Fund will invest in lease obligations which contain non-appropriation clauses only if such obligations are rated investment grade at the time of investment.

Participation certificates are participations in lease obligations of state and local governments or authorities to finance the acquisition of equipment and facilities. They may represent participations in a lease, an installment purchase contract, or a conditional sales contract. Some municipal leases and participation certificates may not be readily marketable.

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

The "issuer" of municipal securities generally is deemed to be the governmental agency, authority, instrumentality or other political subdivision, or the non-governmental user of a revenue bond-financed facility, the assets and revenues of which will be used to meet the payment obligations, or the guarantee of such payment obligations, of the municipal securities.

Municipal securities may have fixed or variable interest rates. Each Fund may purchase floating and variable rate demand notes, which are municipal securities normally having a stated maturity in excess of one year, but which permit the holder to tender the notes for purchase at the principal amount thereof. The interest rate on a floating rate demand note is based on a known lending rate, such as a bank's prime rate, and is adjusted each time such rate is adjusted. The interest rate on a variable rate demand note is adjusted at specified intervals. There generally is no secondary market for these notes, although they may be tendered for redemption at face value. Each such note purchased by a Fund will meet the criteria established for the purchase of municipal securities.

Each Fund may invest up to 15% of its net assets in "inverse floating rate obligations." Floating rate obligations bear rates of interest that are adjusted periodically to reflect changes in market rates of interest. Inverse floating rate obligations have rates that vary inversely with changes in market rates of interest. These securities have varying degrees of liquidity and the market value of such securities generally will fluctuate in response to changes in market rates of interest to a greater extent than the value of an equal principal amount of a fixed rate security having similar credit quality, redemption provisions and maturity. These securities tend to underperform the market for fixed rate bonds in a rising interest rate environment, but tend to outperform the market for fixed rate bonds when interest rates decline or remain relatively stable.

There is no limitation as to the maturity of municipal securities in which a Fund may invest. The Adviser may adjust the average maturity of a Fund's portfolio from time to time, depending on its assessment of the relative yields available on

23

securities of different maturities and its expectations of future changes in interest rates.

Each Fund generally will not invest 25% or more of its total assets in any industry. Governmental issuers of municipal securities are not considered part of any "industry." However, municipal securities backed only by the assets and revenues of nongovernmental users may for this purpose be deemed to be issued by such nongovernmental users, and the 25% limitation would apply to such obligations. It is nonetheless possible that a Fund may invest 25% or more of its total assets in a broader segment of the municipal securities market, such as revenue obligations of hospitals and other health care facilities, housing agency revenue obligations, or airport revenue obligations if the Adviser determines that the yields available from obligations in a particular segment of the market justified the additional risks associated with a large investment in such segment. Although such obligations could be supported by the credit of governmental users, or by the credit of nongovernmental users engaged in a number of industries, economic, business, political and other developments generally affecting the revenues of such users (for example, proposed legislation or pending court decisions affecting the financing of such projects and market factors affecting the demand for their services or products) may have a general adverse effect on all municipal securities in such a market segment.

DEFENSIVE STRATEGIES. At times the Adviser may judge that conditions in the market for municipal securities make pursuing a Fund's basic investment strategy

inconsistent with the best interests of its Shareholders. At such times the Adviser may use alternative strategies, primarily designed to reduce fluctuations in the value of a Fund's assets. In implementing these "defensive" strategies, each Fund may invest to a substantial degree in high quality, short-term municipal securities. If these other municipal securities are not available or, in the Adviser's judgment, do not afford sufficient protection against adverse market conditions, each Fund may invest in taxable securities. Such taxable securities may include: obligations of the U.S. Government, its agencies or instrumentalities; other debt securities rated within the four highest grades by either S&P or Moody's; commercial paper rated in the highest grade by either rating service; certificates of deposit and bankers' acceptances; repurchase agreements with respect to any of the foregoing investments; or any other fixed-income securities that the Adviser considers consistent with such strategy. To the extent that the use of certain of these strategies produces taxable income, this taxable income will be distributed on a pro rata basis among the Preferred Shares and the Common Shares. It is impossible to predict whether, or for how long, a Fund will use any such defensive strategies. Further, the yields on such securities may approach or be less than the then current dividend rate payable to preferred shareholders. In such event, the benefit of leverage to the common shareholders will diminish and a Fund's leveraged capital structure may work to the disadvantage of the common shareholders.

OTHER INVESTMENT PRACTICES AND POLICIES

In connection with the investment objective and policies described above, each Fund may, but is not required to, utilize various other investment strategies as described below to earn income, to facilitate portfolio management and to mitigate risk. Such strategies are generally accepted by modern portfolio managers and are regularly utilized by many investment companies and other institutional investors. These investment practices entail risks. Although the Adviser believes that these investment practices may further the Funds' respective investment objectives, no assurance can be given that these investment practices will achieve this result.

STRATEGIC TRANSACTIONS. Each Fund may engage in certain Strategic Transactions to attempt to protect against possible changes in the market value of securities held in or to be purchased for its portfolio resulting from securities markets fluctuations, to protect unrealized gains in the value of its portfolio securities, to facilitate the sale of such securities for investment purposes, to manage the effective maturity or duration of its portfolio, or to establish a position in the derivatives markets as a temporary substitute for purchasing or selling particular securities. Any or all of these investment techniques may be used at any time and there is no particular strategy that dictates the use of one technique rather than another, as use of any Strategic Transaction is a function of numerous variables, including market conditions. The ability of a Fund to utilize these Strategic Transactions successfully depends on the Adviser's ability to predict pertinent market movements, which cannot be assured. Each Fund complies with applicable regulatory requirements when implementing these strategies, techniques and instruments.

The Target Fund may use Strategic Transactions, other than Strategic Transactions involving financial futures and options thereon, to enhance potential gain, although no more than 5% of the Target Fund's assets may be committed to Strategic Transactions for non-hedging purposes. Among other Strategic Transactions which the Acquiring Fund may utilize, the Acquiring Fund may invest in options on municipal securities. The Acquiring Fund may purchase and sell (write) options on up to 20% of its assets.

Strategic Transactions have risks associated with them, including possible

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

default by the other party to the transaction, liquidity and, to the extent the Adviser's view as to certain market movements is incorrect, the risk that the use of such Strategic Transactions could result in losses greater than if they had not been used. Use of put and call options may result in losses to a Fund, force the sale of portfolio securities at inopportune times or for prices other than at current market values, limit the amount of appreciation a Fund can realize on its investments or cause a Fund to hold a security it might otherwise sell. The use of options and futures transactions entails certain other risks. In particular, the variable degree of correlation between price movements of futures contracts and price movements in the related portfolio position of a Fund creates the possibility that losses on the hedging instrument may

25

be greater than gains in the value of the Fund's position. In addition, futures and options markets may not be liquid in all circumstances and certain over-the-counter options may have no markets. As a result, in certain markets, a Fund might not be able to close out a transaction without incurring substantial losses, if at all.

Although the contemplated use of these futures contracts and options thereon should tend to minimize the risk of loss due to a decline in the value of the hedged position, at the same time they tend to limit any potential gain which might result from an increase in value of such position. Finally, the daily variation margin requirements for futures contracts and the sale of options thereon would create, a greater ongoing potential financial risk than would purchases of options, where the exposure is limited to the cost of the initial premium.

Losses resulting from the use of Strategic Transactions would reduce net asset value, and possibly income, and such losses can be greater than if the Strategic Transactions had not been utilized. Income earned or gains realized or deemed to be earned or realized, if any, by a Fund from engaging in Strategic Transactions generally will be taxable income of the Fund. Such income is allocated to both the Common Shares and the Preferred Shares of a Fund on a pro rata basis.

RATING AGENCY LIMITATIONS ON FUTURES AND OPTIONS TRANSACTIONS. For as long as APS are rated by Moody's, a Fund will engage in transactions in options on securities, futures contracts based on the Municipal Index or Treasury Bonds and options on such futures contracts only when consistent with the provisions set forth in the "Certificate of Vote," unless it receives written confirmation from Moody's that engaging in such transactions would not impair the ratings then assigned to the APS by Moody's. For as long as APS are rated by S&P, a Fund will not buy or sell futures contracts or options thereon or write put options or call options on portfolio securities unless it receives written confirmation from S&P that engaging in such transactions will not impair the ratings then assigned to the APS by S&P, except that a Fund may buy and sell futures contracts based on the Municipal Index or Treasury Bonds, may purchase put and call options on such contracts and may write covered call options and secured put options on portfolio securities (subject to certain limitations described in such Fund's Certificate of Vote).

"WHEN-ISSUED" AND "DELAYED DELIVERY" TRANSACTIONS. Each Fund may also purchase and sell municipal securities on a "when-issued" and "delayed delivery" basis. No income accrues to a Fund on municipal securities in connection with such transactions prior to the date such Fund actually takes delivery of such securities. These transactions are subject to market fluctuation; the value of the municipal securities at delivery may be more or less than their purchase price, and yields generally available on municipal securities when delivery occurs may be higher than yields on the municipal securities obtained pursuant to such transactions. Because the Fund engaging in such transactions relies on the buyer or seller, as the case may be, to consummate the transaction, failure

by the other party to complete the

26

transaction may result in the Fund missing the opportunity of obtaining a price or yield considered to be advantageous. When a Fund is the buyer in such a transaction, however, it will maintain, in a segregated account with its custodian, cash or liquid portfolio securities having an aggregate value equal to the amount of such purchase commitments until payment is made. A Fund will make commitments to purchase municipal securities on such basis only with the intention of actually acquiring these securities, but a Fund may sell such securities prior to the settlement date if such sale is considered to be advisable. To the extent a Fund engages in "when-issued" and "delayed delivery" transactions, it will do so for the purpose of acquiring securities for a Fund's portfolio consistent with that Fund's investment objective and policies and not for the purpose of investment leverage. No specific limitation exists as to the percentage of a Fund's assets which may be used to acquire securities on a "when-issued" or "delayed delivery" basis.

INVESTMENT RESTRICTIONS

Each Funds' investment objective, each Fund's policy with respect to investing at least 80% of its net assets in municipal securities and the following investment restrictions are fundamental and cannot be changed without the approval of the holders of a majority of the Funds' outstanding voting securities (defined in the 1940 Act as the lesser of (i) more than 50% of the Funds' outstanding Common Shares and of the APS, including any outstanding APS, voting by class, or (ii) 67% of the Funds' outstanding Common Shares and of the APS, including any outstanding APS, voting by class, present at a meeting at which the holders of more than 50% of the outstanding shares of each such class are present in person or by proxy). All other investment policies or practices are considered by the Funds not to be fundamental and accordingly may be changed without shareholder approval. If a percentage restriction on investment or use of assets set forth below is adhered to at the time a transaction is effected, later changes in percentage resulting from changing market values will not be considered a deviation from policy. With respect to the limitations on borrowings, the percentage limitations apply at the time of purchase and on an ongoing basis. The investment restrictions of the Acquiring Fund are set forth below. Except as noted herein, the investment restrictions of the Target Fund are similar. The Acquiring Fund may not:

1. With respect to 75% of its total assets, purchase any securities (other than obligations issued or guaranteed as to principal or interest by the United States government or by its agencies or instrumentalities), if as a result more than 5% of the Fund's total assets would be invested in securities of a single issuer or if as a result the Fund would hold more than 10% of the outstanding voting securities of any single issuer.
2. Invest more than 25% of its total assets in a single industry; however, as described above the Fund may from time to time invest more than 25% of its total assets in a particular segment of the municipal securities market.
3. Issue senior securities, as defined in the 1940 Act, other than preferred shares of beneficial interest, except to the extent such issuance might be involved with borrowings described under subparagraph (4) below or with respect to hedging and risk management transactions or the writing of options.
4. Borrow money, except for temporary or emergency purposes from banks or for

27

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

repurchase of the Fund's Shares, and then only in an amount not exceeding one-third of the Fund's total assets, including the amount borrowed. The Fund will not mortgage, pledge or hypothecate any assets except in connection with a borrowing. The Fund will not purchase portfolio securities during any period that such borrowings exceed 5% of the total asset value of the Fund. Notwithstanding this investment restriction, the Fund may enter into "when issued" and "delayed delivery" transactions as described above.

5. Make loans of money or property to any person, except to the extent the securities in which the Fund may invest are considered to be loans and except that the Fund may lend money or property in connection with maintenance of the value of or the Fund's interest with respect to the securities owned by the Fund.
6. Buy any securities "on margin." Neither the deposit of initial or variation margin in connection with hedging and risk management transactions nor short-term credits as may be necessary for the clearance of transactions is considered the purchase of a security on margin.
7. Sell any securities "short," write, purchase or sell puts, calls or combinations thereof, or purchase or sell financial futures or options, except in connection with hedging or risk management transactions.
8. Act as an underwriter of securities, except to the extent the Fund may be deemed to be an underwriter in connection with the sale of securities held in its portfolio.
9. Make investments for the purpose of exercising control or participation in management, except to the extent that exercise by the Fund of its rights under agreements related to municipal securities would be deemed to constitute such control or participation and except that the Fund may purchase securities of other investment companies to the extent permitted by (i) 1940 Act, as amended from time to time, (ii) the rules and regulations promulgated by the Securities and Exchange Commission under the

28

1940 Act, as amended from time to time or, (iii) an exemption or other relief from the provisions of the 1940 Act.

10. Invest in securities issued by other investment companies except as part of a merger, consolidation or other acquisition and except to the extent permitted by (i) the 1940 Act, as amended from time to time, (ii) the rules and regulations promulgated by the Securities and Exchange Commission under the 1940 Act, as amended from time to time or, (iii) an exemption or other relief from the provisions of the 1940 Act.
11. Invest in equity interests in oil, gas or other mineral exploration or development programs, except pursuant to the exercise by the Fund of its rights under agreements relating to municipal securities.
12. Purchase or sell real estate, commodities or commodity contracts, except to the extent the municipal securities the Fund may invest in are considered to be interests in real estate, commodities or commodity contracts or to the extent the Fund exercises its rights under agreements relating to municipal securities (in which case the Fund may liquidate real estate acquired as a result of a default on a mortgage), and except to the extent that financial futures and related options the Fund may invest in are considered to be commodities or commodities contracts.

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

As a matter of operating policy, each Fund will not invest 25% or more of its assets in a single industry; however, each Fund may from time to time invest 25% or more of its assets in a particular segment of the municipal securities market.

MANAGEMENT OF THE FUNDS

THE BOARDS. The Board of Trustees of each Fund is responsible for the overall supervision of the operations of its respective Fund and performs the various duties imposed on trustees of investment companies by the 1940 Act and under applicable state law.

THE ADVISER. The investment adviser for each Fund is Van Kampen Asset Management. The Adviser is a wholly owned subsidiary of Van Kampen Investments Inc. ("Van Kampen Investments"). Van Kampen Investments is a diversified asset management company that administers more than three million retail investor accounts, has extensive capabilities for managing institutional portfolios and has more than \$98 billion under management or supervision as of April 30, 2005. Van Kampen Investments is an indirect wholly owned subsidiary of Morgan Stanley, a preeminent global financial services firm that maintains leading market positions in each of its three primary businesses: securities, asset management and credit services. Morgan Stanley is a full service securities firm engaged in securities trading and brokerage activities, investment banking, research and analysis, financing and financial advisory services. The principal business address of the Adviser

29

and Van Kampen Investments is 1221 Avenue of the Americas, New York, New York 10020.

Pursuant to separate investment advisory agreements between each Fund and the Adviser, each Fund pays the Adviser a monthly fee at the annual rate of 0.55% of such Fund's average daily managed assets, including assets attributable to Preferred Shares. Effective November 1, 2004, the investment advisory fee paid by each Fund was reduced from 0.60% to 0.55%. Subsequent to the Reorganization, the Adviser will continue to receive compensation at the rate of 0.55% of the average daily managed assets, including assets attributable to Preferred Shares, of the combined fund. Because the fees paid to the Adviser are calculated on managed assets, including assets attributable to Preferred Shares, the fees earned by the Adviser will be higher when Preferred Shares are outstanding.

Under a separate accounting services and legal services agreement, the Adviser (or its affiliates) provides accounting and legal services to each Fund. The Adviser (or its affiliates) allocates the cost of such services to each Fund.

PORTFOLIO MANAGEMENT. Each Fund's portfolio is managed by the Adviser's Municipal Fixed Income team. The team is made up of established investment professionals. Current members of the team include Dennis Pietrzak, Executive Director, Robert Wimmel, Vice President, and John Reynoldson, Executive Director.

Dennis Pietrzak has worked for the Adviser since [] and began managing the Funds in []. Robert Wimmel has worked for the Adviser since 1996 and began managing the Funds in []. John Reynoldson has worked for the Adviser since 1987 and began managing the Funds in [].

Dennis Pietrzak is the lead portfolio manager of each Fund. Robert Wimmel and John Reynoldson are co-portfolio managers of each Fund. All team members are responsible for the day-to-day management of each Fund and for the overall strategy of each Fund.

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

The Reorganization Statement of Additional Information provides additional information about the portfolio managers' compensation, other accounts managed by the portfolio managers and the portfolio managers' ownership of securities in each Fund.

PORTFOLIO TRANSACTIONS WITH AFFILIATES. The Adviser may place portfolio transactions, to the extent permitted by law, with brokerage firms affiliated with the Funds and the Adviser if it reasonably believes that the quality of execution and the commission are comparable to that available from other qualified firms.

LEGAL PROCEEDINGS INVOLVING THE ADVISER. The Adviser, certain affiliates of the Adviser, and certain investment companies advised by the Adviser or its affiliates were named as defendants in a number of similar class action complaints which

30

were consolidated. The amended complaint also names as defendants certain individual trustees and directors of certain investment companies advised by affiliates of the Adviser; the complaint does not, however, name the individual trustees of any Van Kampen funds. The complaint generally alleges that defendants violated their statutory disclosure obligations and fiduciary duties by failing properly to disclose (i) that the Adviser and certain affiliates of the Adviser allegedly offered economic incentives to brokers and others to steer investors to the funds advised by the Adviser or its affiliates rather than funds managed by other companies, and (ii) that the funds advised by the Adviser or its affiliates allegedly paid excessive commissions to brokers in return for their alleged efforts to steer investors to these funds. The complaint seeks, among other things, unspecified compensatory damages, rescissory damages, fees and costs. The defendants' motion to dismiss this action is pending. After defendants moved to dismiss, the plaintiffs filed a motion for leave to amend the complaint, which is also pending. The proposed amendment drops all claims against the named investment companies, which are listed only as nominal defendants. The proposed amendment raises similar claims against the Adviser and its affiliates with respect to the investment companies advised by the Adviser or its affiliates, and, in addition, alleges that affiliates of the Adviser received undisclosed compensation for steering investors into thirteen non-affiliated fund families. The defendants intend to continue to defend this action vigorously. While the defendants believe that they have meritorious defenses, the ultimate outcome of this matter is not presently determinable at this early stage of litigation.

The Adviser and certain affiliates of the Adviser are also named as defendants in a derivative suit which additionally names as defendants individual trustees of certain Van Kampen funds; the named investment companies are listed as nominal defendants. The complaint alleges that defendants caused the Van Kampen funds to pay economic incentives to a proprietary sales force to promote the sale of Van Kampen funds. The complaint also alleges that the Van Kampen funds paid excessive commissions to Morgan Stanley and its affiliates in connection with the sales of the funds. The complaint seeks, among other things, the removal of the current trustees of the funds, rescission of the management contracts for the funds, disgorgement of profits by Morgan Stanley and its affiliates and monetary damages. This complaint has been coordinated with the action described in the preceding paragraph. The defendants have moved to dismiss this action and otherwise intend to defend it vigorously. This action is currently stayed until the later of (i) a ruling on the motion to dismiss the action described in the preceding paragraph or (ii) a ruling on a motion to dismiss the action described in the next paragraph. While the defendants believe that they have meritorious defenses, the ultimate outcome of this matter is not presently determinable at this early stage of litigation.

The plaintiff in the action described in the preceding paragraph filed a separate derivative action against the Adviser, certain affiliates of the Adviser, the individual trustees of certain Van Kampen funds, and certain unaffiliated entities. The named

31

investment companies are listed as nominal defendants. The complaint alleges that certain unaffiliated entities engaged in or facilitated market timing and late trading in the Van Kampen funds, and that the Adviser, certain affiliates of the Adviser, and the trustees failed to prevent and/or detect such market timing and late trading. The complaint seeks, among other things, the removal of the current trustees of the funds, rescission of the management contracts and distribution plans for the funds, disgorgement of fees and profits from the Adviser and its affiliates, and monetary damages. The defendants' motion to dismiss this action is pending. While the defendants believe that they have meritorious defenses, the ultimate outcome of this matter is not presently determinable at this early stage of litigation.

The Adviser and the individual trustees of certain Van Kampen funds are named as defendants in a recently filed class action complaint that alleges the defendants breached various fiduciary and statutory duties to investors by failing to ensure that the funds participated in securities class action settlements involving securities held in the funds' portfolios. The complaint seeks, among other things, compensatory and punitive damages. None of the funds are named as defendants, and no claims are asserted against them. Each of the defendants have moved or will move to dismiss the complaint and believe that they have meritorious defenses.

The Adviser, one of the investment companies advised by the Adviser, and certain officers and directors of the investment company are defendants in a class action filed in 2001 alleging that the defendants issued a series of prospectuses and registration statements that were materially false and misleading. Among other things, the complaint alleges that the prospectuses and registration statements contained misleading descriptions of the method defendants used to value senior loan interests in the fund's portfolio, and that defendants materially overstated the net asset value of the fund. The parties recently reached an agreement to settle the case. The court preliminarily approved the settlement agreement in June, 2005, subject to a later hearing on the fairness of the settlement agreement.

ADDITIONAL INFORMATION ABOUT COMMON SHARES OF THE FUNDS

GENERAL. Common shareholders of a Fund are entitled to share equally in dividends declared by such Fund's Board of Trustees payable to holders of the Common Shares and in the net assets of such Fund available for distribution to holders of the Common Shares after payment of the preferential amounts payable to preferred shareholders. Common shareholders do not have preemptive or conversion rights and a Fund's Common Shares are not redeemable. The outstanding Common Shares of each Fund are fully paid and nonassessable (except as described under "Governing Law" below). So long as any Preferred Shares of a Fund are outstanding, holders of the Fund's Common Shares will not be entitled to receive any dividends or other distributions from the Fund unless all accrued dividends on the Fund's outstanding Preferred Shares have been paid, and unless asset coverage (as defined in the 1940 Act) with respect to such Preferred Shares would be at least 200% after giving effect to such distributions.

PURCHASE AND SALE. Purchase and sale procedures for the Common Shares of each of the Funds are identical. Investors typically purchase and sell Common Shares of the Funds through a registered broker-dealer on the NYSE or CHX, thereby incurring a brokerage commission set by the broker-dealer. Alternatively, investors may purchase or sell Common Shares of the Funds through privately negotiated transactions with existing shareholders.

34

As of _____, 2005, (i) the net asset value per share for Target Fund Common Shares was \$[] and the market price per share was \$[], representing a [discount/premium] to net asset value of []%, and (ii) the net asset value per share for Acquiring Fund Common Shares was \$[] and the market price per share was \$[], representing a [discount/premium] to net asset value of []%.

Common Shares of each Fund have traded at a discount to net asset value for extended periods since each Fund's inception. In order to reduce or eliminate a market value discount from net asset value, the Board of Trustees of each Fund may, subject to the terms and conditions of its Preferred Shares, authorize that

35

Fund from time to time to repurchase the Common Shares in the open market or to tender for the Common Shares at net asset value. The Board of Trustees of each Fund, in consultation with the Adviser, will review on a quarterly basis the possibility of open market repurchases and/or tender offers for the Common Shares. Subject to its borrowing restrictions, each Fund may incur debt to finance such repurchases, which entails risks. The ability of a Fund to enter into tender offers and the Common Share repurchases may be limited by the 1940 Act asset coverage requirements and any additional asset coverage requirements which may be imposed by a rating agency in connection with any rating of the Preferred Shares. No assurance can be given that the Board of Trustees of either Fund will, in fact, authorize a Fund to undertake such repurchases and/or tender offers or that, if undertaken, such actions would result in the Common Shares trading at a price which is equal or close to net asset value.

DIVIDENDS AND DISTRIBUTIONS. The Funds' current policies with respect to dividends and distributions relating to their respective Common Shares are similar. It is each Fund's present policy, which may be changed by its Board of Trustees, to make monthly distributions to holders of its Common Shares of substantially all of such Fund's net investment income remaining after the payment of dividends on any outstanding Preferred Shares. Net income of each Fund consists of all interest income accrued on portfolio assets less all expenses of such Fund. Each Fund is required to allocate net capital gains and other taxable income, if any, received by the Fund between its Fund's Common Shares and the APS on a pro rata basis in the year for which such capital gains and other income is realized.

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Expenses of each Fund are accrued each day. Net realized capital gains, if any, are expected to be distributed to shareholders at least once a year. While there are any Preferred Shares of a Fund outstanding, such Fund may not declare any cash dividend or other distribution on its Common Shares, unless at the time of such declaration, (1) all accrued Preferred Shares dividends have been paid and (2) the value of the Fund's total assets (determined after deducting the amount of such dividend or other distribution), less all liabilities and indebtedness of such Fund, is at least 200% (as required by the 1940 Act) of the liquidation value of the outstanding Preferred Shares (expected to equal the aggregate original purchase price of the outstanding Preferred Shares plus any accrued and unpaid dividends thereon, whether or not earned or declared on a cumulative basis). In addition to the requirements of the 1940 Act, each Fund may be required to comply with other asset coverage requirements as a condition of a Fund obtaining a rating of its Preferred Shares from a nationally recognized rating service. These requirements may include an asset coverage test more stringent than under the 1940 Act. This limitation on a Fund's ability to make distributions on its Common Shares could in certain circumstances impair the ability of a Fund to maintain its qualification for taxation as a regulated investment company. Each Fund intends, however, to the

36

extent possible, to purchase or redeem Preferred Shares from time to time to maintain compliance with such asset coverage requirements and may pay special dividends to the holders of the Preferred Shares in certain circumstances in connection with any such impairment of a Fund's status as a regulated investment company.

For information concerning the manner in which dividends and distributions to holders of a Fund's Common Shares may be reinvested automatically in such Fund's Common Shares, see "-- Dividend Reinvestment Plan" below.

DIVIDEND REINVESTMENT PLAN. Each Fund offers a Dividend Reinvestment Plan (each a "Plan," and collectively the "Plans") pursuant to which holders of Common Shares may elect to have all distributions of dividends and all capital gains automatically reinvested in Common Shares pursuant to such Plan. The Plans for the Target Fund and the Acquiring Fund are similar. Unless common shareholders elect to participate in a Plan, common shareholders will receive distributions of dividends and capital gains in cash. EquiServe Trust Company, N.A., as plan agent (the "Plan Agent"), serves as agent for the holders of Common Shares of each Fund in administering the Plans.

After the Reorganization, a holder of shares of a Fund who currently receives dividends in cash will continue to receive dividends in cash; all holders who elect to participate in the Plan of a Fund will have their dividends automatically reinvested in shares of the combined fund. All correspondence concerning the Plan should be directed to the Plan Agent at P.O. Box 43011, Providence, Rhode Island 02940-3011. Telephone calls concerning the Plan may be directed to the Plan Agent between the hours of 7:30 a.m. and 5:00 p.m. Central Standard Time at (800) 341-2929.

ADDITIONAL INFORMATION ABOUT PREFERRED SHARES OF THE FUNDS

GENERAL. Target Fund APS and Acquiring Fund APS are preferred shares of beneficial interest which entitle their holders to receive dividends when, as and if declared by the Board of Trustees of such Fund out of funds legally available therefor, at a rate per annum that may vary for successive dividend periods. The APS of each Fund have a liquidation preference of \$25,000 per share. The net asset value per share of each Fund's Preferred Shares equals its liquidation preference plus accumulated but unpaid dividends per share. Neither Target Fund APS nor Acquiring Fund APS are traded on a stock exchange or

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

over-the-counter. Holders of each Fund's APS do not have preemptive rights to purchase any shares of APS, or any other preferred shares that might be issued.

SERIES. Under the 1940 Act, each Fund is permitted to have outstanding more than one series of preferred shares so long as no single series has priority over another to the distribution of assets of the Fund or the payment of dividends. Both

37

Funds currently have one series of APS outstanding. If the Reorganization is approved and completed, the combined fund will have two series of APS. The existing series of Acquiring Fund APS will comprise Series A. The Acquiring Fund will issue Series B APS in exchange for Target Fund APS. The aggregate liquidation preference of each series will equal the aggregate liquidation preference of the existing shares that the respective series replaces. The number of days in the regular dividend period for each series, the number of shares in each series and the liquidation preference per share will be similar to the existing preferred shares.

PURCHASE AND SALE. APS of the Acquiring Fund and APS of the Target Fund are purchased or sold using similar procedures. The APS of the Funds generally are purchased and sold through auctions conducted on a regular basis by Deutsche Bank, as the auction agent for each Fund's APS (the "Auction Agent") unless the applicable Fund elects to declare a special dividend period. Unless otherwise permitted by the Funds, existing and potential holders of each Fund's APS only may participate in auctions through their broker-dealers. Broker-dealers submit the orders of their respective customers who are existing and potential holders of APS to the Auction Agent. On or prior to each auction date for the APS (the business day next preceding the first day of each dividend period), each holder may submit orders to buy, sell or hold APS to its broker-dealer. Outside of these auctions, shares of APS may be purchased or sold through broker-dealers for the APS in a secondary trading market maintained by the broker-dealers. However, there can be no assurance that a secondary market will develop or if it does develop, that it will provide holders with a liquid trading market for the APS of either Fund.

Auctions are generally held every seven days for Target Fund APS and every 28 days for Acquiring Fund APS. As a result of the Reorganization, the last dividend period for the Target Fund APS prior to the Closing Date and the initial dividend period for the Acquiring Fund APS issued in connection with the Reorganization after the Closing Date may be shorter than the ordinary dividend period for such shares.

DIVIDENDS AND DISTRIBUTIONS. The holders of the APS are entitled to receive, when, as and if declared by the Board of Trustees of the Fund, out of funds legally available therefore, cumulative cash dividends on their shares. Dividends on a Fund's APS so declared and payable shall be paid in preference to and in priority over any dividends so declared and payable on the Fund's Common Shares.

The Acquiring Fund generally pays dividends on Acquiring Fund APS monthly at the rate specified in the preceding auction. The Target Fund generally pays dividends on Target Fund APS once every 28 days at the rate specified in the preceding auction.

Each Fund is required to allocate net capital gains and other taxable income, if any, proportionately between its Common Shares and APS. The amount of taxable

38

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

income allocated to the APS depends upon the amount of such income realized by each Fund, but is generally not expected to be significant.

In normal circumstances, whenever a Fund intends to include any net capital gains or other taxable income in any dividend on APS, such Fund will notify the Auction Agent of the amount to be so included prior to the Auction establishing the applicable rate for such dividend. The Auction Agent will in turn notify each broker-dealer who will notify existing and potential holders of each Fund's APS. As a result, auction participants may, in response to such information, place bids which take account of the inclusion of net capital gains or other taxable income in the dividend. If a Fund retroactively allocates any net capital gains or other taxable income to the APS without having given notice to the Auction Agent such Fund will pay an additional dividend to offset substantially the tax effect thereof.

While the Funds normally utilize the auction procedures described above, each Fund may utilize special dividend periods in certain circumstances to set the dividend rate.

DIVIDEND RATES. The following table provides information about the dividend rates for each Fund's APS as of a recent auction date.

AUCTION DIVIDEND DATE -----	FUND ----	RATE ----
[], 2005	Target Fund APS	[]%
[], 2005	Acquiring Fund APS	[]%

The dividend rates in effect at the closing of the Reorganization will be the rates determined in the auction most recently preceding such closing.

RATINGS. The Target Fund APS and Acquiring Fund APS have each been assigned a rating of "AAA" from S&P and "Aaa" from Moody's. Each Fund intends that, so long as its APS are outstanding, the composition of its portfolio will reflect guidelines established by S&P and Moody's in connection with each Fund's receipt of a rating for such shares of at least "AAA" from S&P and "Aaa" from Moody's. S&P and Moody's, which are nationally recognized statistical rating organizations, issue ratings for various securities reflecting the perceived creditworthiness of such securities. The guidelines for rating such preferred shares have been developed by S&P and Moody's in connection with issuances of asset-backed and similar securities, including debt obligations and variable rate preferred stock, generally on a case-by-case basis through discussions with the issuers of these securities. The guidelines are designed to ensure that assets underlying outstanding debt or preferred stock will be varied sufficiently and will be of sufficient quality and amount to justify investment grade ratings. The guidelines do not have the force of law but have been adopted by each Fund in order to satisfy current requirements necessary for S&P and Moody's to issue the above-described ratings for APS,

which ratings generally are relied upon by institutional investors in purchasing such securities. The guidelines provide a set of tests for portfolio composition and asset coverage that supplement (and in some cases are more restrictive than) the applicable requirements under the 1940 Act.

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Each Fund may, but is not required to, adopt any modifications to these guidelines that hereafter may be established by S&P or Moody's. Failure to adopt any such modifications, however, may result in a change in the ratings described above or a withdrawal of the ratings altogether. In addition, any rating agency providing a rating for a Fund's APS, at any time, may change or withdraw any such rating. As set forth in the Certificate of Vote of Trustees Establishing APS of each Fund (each a "Certificate of Vote"), the Board of Trustees of each Fund, without shareholder approval, may modify certain definitions or restrictions that have been adopted by the Fund pursuant to the rating agency guidelines, provided the Board of Trustees has obtained written confirmation from S&P and Moody's that any such change would not impair the ratings then assigned by S&P and Moody's to the APS. For so long as any shares of a Fund's APS are rated by S&P or Moody's, as the case may be, a Fund's use of options and financial futures contracts and options thereon will be subject to certain limitations mandated by the rating agencies.

REDEMPTIONS. The redemption provisions pertaining to the APS of each Fund are similar. APS of each Fund are generally redeemable at the option of the Fund at \$25,000 per share plus accumulated but unpaid dividends (whether or not earned or declared) to the date of redemption plus, in certain circumstances, a redemption premium. APS of each Fund are also subject to mandatory redemption at a price equal to their liquidation preference plus accumulated but unpaid dividends (whether or not earned or declared) to the date of redemption upon the occurrence of certain specified events, such as the failure of the Fund to maintain asset coverage requirements for the APS specified by Moody's and S&P in connection with their issuance of ratings on the APS. The liquidation preference per share of each Fund's APS is \$25,000.

LIQUIDATION RIGHTS. Upon any liquidation, dissolution or winding up of a Fund, whether voluntary or involuntary, the holders of such Fund's APS will be entitled to receive, out of the assets of the Fund in question available for distribution to shareholders, before any distribution or payment is made upon any of such Fund's Common Shares or any other capital shares of the Fund ranking junior in right of payment upon liquidation to APS of \$25,000 per share together with the amount of any dividends accumulated but unpaid (whether or not earned or declared) thereon to the date of distribution, and after such payment the holders of APS will be entitled to no other payments except for any additional dividends (as described above). If such assets of the Fund are insufficient to make the full liquidation payment on the APS and liquidation payments on any other outstanding class or series of preferred shares of the Fund ranking on a parity with the APS as to

40

payment upon liquidation, then such assets will be distributed among the holders of APS and the holders of shares of such other class or series ratably in proportion to the respective preferential amounts to which they are entitled. After payment of the full amount of liquidation distribution to which they are entitled, the holders of a Fund's APS will not be entitled to any further participation in any distribution of assets by such Fund except for any additional dividends (which are more fully described below). A consolidation, merger or share exchange of a Fund with or into any other entity or entities or a sale, whether for cash, shares of stock, securities or properties, of all or substantially all or any part of the assets of a Fund shall not be deemed or construed to be a liquidation, dissolution or winding up of such Fund for this purpose.

ADDITIONAL INFORMATION. For additional information regarding APS of the Acquiring Fund, Target Fund shareholders should consult the Certificate of Vote of the Acquiring Fund attached as Appendix B to the Reorganization Statement of Additional Information. Acquiring Fund APS issued in connection with the

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Reorganization will be governed by the Certificate of Vote of the Acquiring Fund, which, upon completion of the Reorganization, will be amended to reflect the creation of new series and the issuance of additional Acquiring Fund APS.

GOVERNING LAW

Each Fund is organized as a business trust under the laws of The Commonwealth of Massachusetts. The Target Fund was organized on July 8, 1992 and commenced operations on September 18, 1992; the Acquiring Fund was organized on February 21, 1992 and commenced operations on April 16, 1992.

Under Massachusetts law, shareholders of a business trust may, under certain circumstances, be held personally liable as partners for its obligations. However, the Declaration of Trust of each Fund contains an express disclaimer of shareholder liability in connection with Fund property or for acts, obligations or affairs of the Fund and provides for indemnification and reimbursement of expenses out of the Fund's property for any shareholder held personally liable for the obligations of that Fund. Thus, the risk of a shareholder incurring financial loss on account of shareholder liability is limited to circumstances in which the Fund itself would be unable to meet its obligations. Given the nature of each Fund's assets and operations, the possibility of a Fund being unable to meet its obligations is remote and, in the opinion of counsel to the Funds, the risk to the Funds' respective shareholders is remote.

Each Fund is also subject to federal securities laws, including the 1940 Act and the rules and regulations promulgated by the SEC thereunder, and applicable state securities laws. Each Fund is registered as a non-diversified, closed-end management investment company under the 1940 Act.

41

CERTAIN PROVISIONS OF THE DECLARATIONS OF TRUST

Each Fund's Declaration of Trust includes provisions that could have the effect of limiting the ability of other entities or persons to acquire control of the Fund or to change the composition of its Board of Trustees, and could have the effect of depriving common shareholders of an opportunity to sell their Common Shares at a premium over prevailing market prices by discouraging a third party from seeking to obtain control of such Fund. The Board of Trustees of each Fund is divided into three classes, with the term of one class expiring at the annual meeting of shareholders. At each annual meeting, each class whose term is expiring will be elected to a three-year term. This provision could delay for up to two years the replacement of a majority of the Board of Trustees. A trustee may be removed from office only for cause by a written instrument signed by at least two-thirds of the remaining trustees or by a vote of the holders of at least two-thirds of the class of shares of the Fund that elected such trustee and entitled to vote on the matter.

In addition, each Fund's Declaration of Trust requires the favorable vote of the holders of at least 75% of the outstanding shares of each class of the Fund in question voting as a class, then entitled to vote to approve, adopt or authorize certain transactions with 5%-or-greater holders of a class of shares and their associates, unless the Board of Trustees shall by resolution have approved a memorandum of understanding with such holders, in which case normal voting requirements would be in effect. For purposes of these provisions, a 5%-or-greater holder of a class of shares (a "Principal Shareholder") refers to any person who, whether directly or indirectly and whether alone or together with its affiliates and associates, beneficially owns 5% or more of the outstanding shares of any class of beneficial interest of such Fund. The transactions subject to these special approval requirements are: (i) the merger or consolidation of a Fund or any subsidiary of a Fund with or into any

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Principal Shareholder; (ii) the issuance of any securities of a Fund to any Principal Shareholder for cash (except pursuant to the Dividend Reinvestment Plan); (iii) the sale, lease or exchange of all or any substantial part of the assets of a Fund to any Principal Shareholder (except assets having an aggregate fair market value of less than \$1,000,000, aggregating for the purpose of such computation all assets sold, leased or exchanged in any series of similar transactions within a twelve-month period); or (iv) the sale, lease or exchange to a Fund or any subsidiary thereof, in exchange for securities of a Fund, of any assets of any Principal Shareholder (except assets having an aggregate fair market value of less than \$1,000,000, aggregating for purposes of such computation all assets sold, leased or exchanged in any series of similar transactions within a twelve-month period).

The Board of Trustees of each Fund has determined that the 75% voting requirements described above, which are greater than the minimum requirements under Massachusetts law or the 1940 Act, are in the best interest of shareholders of

42

each respective Fund generally. Reference should be made to the Declaration of Trust of each Fund on file with the SEC for the full text of these provisions.

The Declaration of Trust of each Fund further provides that no trustee, officer, employee or agent of a Fund is liable to such Fund or to any shareholder, nor is any trustee, officer, employee or agent liable to any third persons in connection with the affairs of such Fund, except as such liability may arise from his or her own bad faith, willful misfeasance, gross negligence, or reckless disregard of their duties. It also provides that all third persons shall look solely to Fund property for satisfaction of claims arising in connection with the affairs of a Fund. With the exceptions stated, the Declaration of Trust provides that a trustee or officer is entitled to be indemnified against all liability in connection with the affairs of a Fund.

CONVERSION TO OPEN-END FUND

Each Fund may be converted to an open-end investment company at any time by an amendment to its Declaration of Trust. Each Fund's Declaration of Trust provides that such an amendment would require the approval of (a) a majority of the trustees, including the approval by a majority of the disinterested trustees of such Fund, and (b) the lesser of (i) more than 50% of such Fund's outstanding common and preferred shares, each voting as a class or (ii) 67% of the common and preferred shares, each voting as a class, present at a meeting at which holders of more than 50% of the outstanding shares of each such class are present in person or by proxy. If approved in the foregoing manner, conversion of a Fund could not occur until 90 days after the shareholders' meeting at which such conversion was approved and would also require at least 30 days prior notice to all shareholders. Conversion of a Fund to an open-end investment company would require the redemption of all outstanding Preferred Shares, which would eliminate the leveraged capital structure of such Fund. In the event of conversion, the Common Shares would cease to be listed on the NYSE, AMEX, CHX, NASDAQ National Market System or other national securities exchange or national market system. Shareholders of an open-end investment company may require the company to redeem their shares at any time (except in certain circumstances as authorized by or under the 1940 Act) at their net asset value, less such redemption charge, if any, as might be in effect at the time of a redemption. If a Fund were converted to an open-end fund, it is likely that new Common Shares would be sold at net asset value plus a sales load. Following any such conversion, it is also possible that certain of the Fund's investment policies and strategies would have to be modified to assure sufficient portfolio liquidity. In particular the Fund would be required to maintain its portfolio

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

such that not more than 15% of its assets would be invested in illiquid securities. Such requirement could cause the Fund to dispose of portfolio securities or other assets at a time when it is not advantageous to do so, and could adversely affect the ability of the Fund to meet its investment objective.

43

VOTING RIGHTS

Voting rights are identical for the holders of each Fund's Common Shares. Holders of each Fund's Common Shares are entitled to one vote for each share held. Except as set forth herein, or except as expressly required by applicable law or expressly set forth in the designation of rights and preferences with respect to a Fund's Preferred Shares, holders of Preferred Shares have no voting rights. When holders of a Fund's Preferred Shares are entitled to vote, they are also entitled to cast one vote per share held.

Preferred shareholders of a Fund, voting as a class, are entitled to elect two of the Fund's trustees. Under the 1940 Act, if at any time dividends on a Fund's preferred shares are unpaid in an amount equal to two full years dividends thereon, the holders of all outstanding preferred shares, voting as a class, are entitled to elect a majority of the Fund's trustees until all dividends have been paid or declared and set apart for payment.

The Certificate of Vote establishing the Preferred Shares of each Fund provides that such Fund shall not take certain actions relating to the preferences, rights or powers of holders of such Fund's Preferred Shares without the affirmative vote of the holders of a majority of the outstanding Preferred Shares. Additionally, if a Fund has more than one series of Preferred Shares outstanding, an affirmative vote of a majority of the outstanding shares of each series of Preferred Shares, each voting separately as a class, is required with respect to any matter that materially affects the series in a manner different from that of other series of such Fund's Preferred Shares. The specific provisions of each Fund's Certificate of Vote with respect to the voting rights of holders of Preferred Shares may differ and Target Fund shareholders should consult the Certificate of Vote governing the Acquiring Fund APS, included as Appendix B to the Reorganization Statement of Additional Information.

- (a) As required, effective November 1, 2001, the Trust has adopted the provisions of the AICPA Audit and Accounting Guide for Investment Companies and began accreting market discount on fixed income securities. The effect of this change for the year ended October 31, 2002 was to increase net investment income by \$.01, decrease net realized and unrealized gains and losses per share by \$.01 and increase the ratio of net investment income to average net assets applicable to common shares by .03%. Per share, ratios and supplemental data for periods prior to October 31, 2002 have not been restated to reflect this change in presentation.
- (b) Total return assumes an investment at the common share market price at the beginning of the period indicated, reinvestment of all distributions for the period in accordance with the Trust's dividend reinvestment plan, and sale of all shares at the closing common share market price at the end of the period indicated.
- (c) Ratios do not reflect the effect of dividend payments to preferred shareholders.
- (d) Ratios reflect the effect of dividend payments to preferred shareholders.
- (e) Calculated by subtracting the Trust's total liabilities (not including the preferred shares) from the Trust's total assets and dividing this by the number of preferred shares outstanding.

INFORMATION ABOUT THE REORGANIZATION

GENERAL

Under the Reorganization Agreement (a form of which is attached as Appendix A to the Reorganization Statement of Additional Information), the Acquiring Fund will acquire substantially all of the assets, and will assume substantially all of the liabilities, of the Target Fund, in exchange for Acquiring Fund Common Shares and Acquiring Fund APS to be issued by the Acquiring Fund. The Acquiring Fund will issue and cause to be listed on the NYSE and the CHX additional Acquiring Fund Common Shares. The Acquiring Fund Common Shares issued to the Target Fund will have an aggregate net asset value equal to the aggregate net asset value of the Target Fund Common Shares less the costs of the Reorganization (though cash may be paid in lieu of any fractional shares). The Acquiring Fund APS issued to the Target Fund will have an aggregate liquidation preference equal to the aggregate liquidation preference of the Target Fund APS. Upon receipt by the Target Fund of such shares, the Target Fund will (i) distribute the Acquiring Fund Common Shares to the holders of Target Fund Common Shares and (ii) distribute the Acquiring Fund APS to the holders of Target Fund APS. As soon as practicable after the Closing Date for the Reorganization, the Target Fund will deregister as an investment company under the 1940 Act and dissolve under applicable state law.

The Target Fund will distribute the Acquiring Fund Common Shares and the Acquiring Fund APS received by it pro rata to its holders of record of Target Fund Common Shares and Target Fund APS, as applicable, in exchange for such shareholders' shares in the Target Fund. Such distribution will be accomplished by opening new accounts on the books of the Acquiring Fund in the names of the common and preferred shareholders of the Target Fund and transferring to those shareholder accounts the Acquiring Fund Common Shares and the Acquiring Fund APS previously credited on those books to the accounts of the Target Fund. Each newly-opened account on the books of the Acquiring Fund for the former common shareholders of the Target Fund will represent the respective pro rata number of Acquiring Fund Common Shares (rounded down, in the case of fractional shares

held in an account other than a Dividend Reinvestment Plan account, to the next largest number of whole shares) due such shareholder. No fractional Acquiring Fund Common Shares will be issued (except for shares held in a Dividend Reinvestment Plan account). In the event of fractional shares held in an account other than a Dividend Reinvestment Plan account, the Acquiring Fund's transfer agent will aggregate all fractional Acquiring Fund Common Shares and sell the resulting whole shares on the NYSE for the account of all holders of fractional interests, and each such holder will be entitled to the pro rata share of the proceeds from such sale upon surrender of the Target Fund Common Share certificates. Similarly, each newly-opened account on the books of the Acquiring Fund for the

47

former preferred shareholders of Target Fund APS would represent the respective pro rata number of Acquiring Fund APS due such shareholder. See "Terms of the Reorganization Agreement--Surrender and Exchange of Share Certificates" below for a description of the procedures to be followed by Target Fund shareholders to obtain their Acquiring Fund Common Shares or Acquiring Fund APS (and cash in lieu of fractional shares, if any).

As a result of the Reorganization, every holder of Target Fund Common Shares would own Acquiring Fund Common Shares that (except for cash payments received in lieu of fractional shares) will have an aggregate net asset value immediately after the Closing Date equal to the aggregate net asset value of that shareholder's Target Fund Common Shares immediately prior to the Closing Date less the costs of the Reorganization. Since the Acquiring Fund Common Shares will be issued at net asset value in exchange for the net assets of the Target Fund having a value equal to the aggregate net asset value of those Acquiring Fund Common Shares, the net asset value per share of Acquiring Fund Common Shares should remain virtually unchanged by the Reorganization except for its share of the reorganization costs. Similarly, the aggregate liquidation preference of the Acquiring Fund APS to be issued to the Target Fund will equal the aggregate liquidation preference of the Target Fund APS. Each holder of Target Fund APS would receive Acquiring Fund APS that would have an aggregate liquidation preference immediately after the Closing Date equal to the aggregate liquidation preference of that shareholder's Target Fund APS immediately prior to the Closing Date. The liquidation preference per share of the Acquiring Fund APS will remain unchanged by the Reorganization. Thus, the Reorganization will result in no dilution of net asset value of the Target Fund Common Shares or Acquiring Fund Common Shares, other than to reflect the costs of the Reorganization, and will result in no dilution of the value per share of Acquiring Fund APS or Target Fund APS. However, as a result of the Reorganization, a shareholder of either Fund will hold a reduced percentage of ownership in the larger combined entity than he or she did in either of the separate Funds.

No sales charge or fee of any kind will be charged to shareholders of the Target Fund in connection with their receipt of Acquiring Fund Common Shares or Acquiring Fund APS in the Reorganization. Holders of Target Fund APS will find that the auction dates and dividend payment dates for the Acquiring Fund APS received in the Reorganization are ordinarily (i.e., except in the case of a special dividend period) on a seven day schedule, similar to the schedule of dividend payment dates for Target Fund APS. The auction procedures for the Acquiring Fund APS and the Target Fund APS are similar. As a result of the Reorganization, the last dividend period for the Target Fund APS prior to the Closing Date and the initial dividend period for the Acquiring Fund APS issued in connection with the Reorganization after the Closing Date may be shorter than the ordinary dividend period for such shares.

TERMS OF THE REORGANIZATION AGREEMENT

The following is a summary of the significant terms of the Reorganization Agreement. This summary is qualified in its entirety by reference to the form of Reorganization Agreement, attached as Appendix A to the Reorganization Statement of Additional Information.

VALUATION OF ASSETS AND LIABILITIES. The respective assets of each of the Funds will be valued after the close of business on the NYSE (generally, 4:00 p.m., Eastern time) on the Closing Date. For the purpose of determining the net asset value of a Common Share of each Fund, the value of the securities held by the Fund plus any cash or other assets (including interest accrued but not yet received) minus all liabilities (including accrued expenses) and the aggregate liquidation value of the outstanding Preferred Shares of the Fund is divided by the total number of Common Shares of the Fund outstanding at such time. Daily expenses, including the fees payable to the Adviser, will accrue on the Closing Date.

AMENDMENTS AND CONDITIONS. The Reorganization Agreement may be amended at any time prior to the Closing Date with respect to any of the terms therein. The obligations of each Fund pursuant to the Reorganization Agreement are subject to various conditions, including a registration statement on Form N-14 being declared effective by the SEC, approval by the shareholders of the Target Fund, approval of the issuance of additional Acquiring Fund Common Shares by common shareholders of the Acquiring Fund, receipt of an opinion of counsel as to tax matters, receipt of an opinion of counsel as to corporate and securities matters and the continuing accuracy of various representations and warranties of the Funds being confirmed by the respective parties.

POSTPONEMENT; TERMINATION. Under the Reorganization Agreement, the Board of Trustees of either Fund may cause the Reorganization to be postponed or abandoned in certain circumstances should such Board determine that it is in the best interests of the shareholders of its respective Fund to do so.

The Reorganization Agreement may be terminated, and the Reorganization abandoned at any time (whether before or after adoption thereof by the shareholders of either of the Funds) prior to the Closing Date, or the Closing Date may be postponed: (i) by mutual consent of the Boards of Trustees of the Funds and (ii) by the Board of Trustees of either Fund if any condition to that Fund's obligations set forth in the Reorganization Agreement has not been fulfilled or waived by such Board.

SURRENDER AND EXCHANGE OF SHARE CERTIFICATES. After the Closing Date, each holder of an outstanding certificate or certificates formerly representing Target Fund Common Shares will be entitled to receive, upon surrender of his or her certificate or certificates, a certificate or certificates representing the number of Acquiring Fund Common Shares distributable with respect to such holder's Target

49

Fund Common Shares, together with cash in lieu of any fractional Acquiring Fund Common Shares held in an account other than a Dividend Reinvestment Plan account. Promptly after the Closing Date, the transfer agent for the Acquiring Fund Common Shares will mail to each holder of certificates formerly representing Target Fund Common Shares a letter of transmittal for use in surrendering his or her certificates for certificates representing Acquiring Fund Common Shares and cash in lieu of any fractional shares held in an account other than a Dividend Reinvestment Plan account.

Please do not send in any share certificates at this time. Upon consummation of the Reorganization, holders of Target Fund Common Shares will be furnished

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

with instructions for exchanging their share certificates for Acquiring Fund share certificates and, if applicable, cash in lieu of fractional shares.

From and after the Closing Date, certificates formerly representing Target Fund Common Shares will be deemed for all purposes to evidence ownership of the number of full Acquiring Fund Common Shares distributable with respect to the Target Fund Common Shares held before the Reorganization as described above and as shown in the table above, provided that, until such share certificates have been so surrendered, no dividends payable to the holders of record of Target Fund Common Shares as of any date subsequent to the Closing Date will be reinvested pursuant to the Acquiring Fund's Dividend Reinvestment Plan, but will instead be paid in cash. Once such Target Fund share certificates have been surrendered, participants in the Target Fund's Dividend Reinvestment Plan will automatically be enrolled in the Dividend Reinvestment Plan of the Acquiring Fund.

From and after the Closing Date, there will be no transfers on the share transfer books of the Target Fund. If, after the Closing Date, certificates representing Target Fund Common Shares are presented to the Acquiring Fund, they will be cancelled and exchanged for certificates representing Acquiring Fund Common Shares, and cash in lieu of fractional shares, if applicable, distributable with respect to such Target Fund Common Shares in the Reorganization.

Preferred Shares are held in "street name" by the Depository Trust Company and all transfers will be accomplished by book entry.

EXPENSES OF THE REORGANIZATION. In the event the Reorganization is approved and completed, the expenses of the Reorganization will be shared by the Target Fund and the Acquiring Fund in proportion to their respective projected annual expense savings as a result of the Reorganization. In the event the Reorganization is not completed, the Adviser will bear the costs associated with the Reorganization.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE REORGANIZATION

The following is a general summary of the material anticipated U.S. federal income tax consequences of the Reorganization. The discussion is based upon the

50

Internal Revenue Code, Treasury regulations, court decisions, published positions of the Internal Revenue Service ("IRS") and other applicable authorities, all as in effect on the date hereof and all of which are subject to change or differing interpretations (possibly with retroactive effect). The discussion is limited to U.S. persons who hold shares of the Target Fund as capital assets for U.S. federal income tax purposes (generally, assets held for investment). This summary does not address all of the U.S. federal income tax consequences that may be relevant to a particular shareholder or to shareholders who may be subject to special treatment under U.S. federal income tax laws. No ruling has been or will be obtained from the IRS regarding any matter relating to the Reorganization. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax aspects described below. Prospective investors must consult their own tax advisers as to the U.S. federal income tax consequences of the Reorganization, as well as the effects of state, local and non-U.S. tax laws.

It is a condition to closing the Reorganization that each of the Target Fund and the Acquiring Fund receives an opinion from Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden Arps"), dated as of the Closing Date, regarding the characterization of the Reorganization as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code. As such a reorganization, the

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

U.S. federal income tax consequences of the Reorganization can be summarized as follows:

- No gain or loss will be recognized by the Target Fund or the Acquiring Fund upon the transfer to the Acquiring Fund of substantially all of the assets of the Target Fund in exchange for Acquiring Fund Common Shares and Acquiring Fund APS and the assumption by the Acquiring Fund of substantially all of the liabilities of the Target Fund and the subsequent liquidation of the Target Fund.
- No gain or loss will be recognized by a shareholder of the Target Fund who exchanges, as the case may be, all of his, her or its Target Fund Common Shares for Acquiring Fund Common Shares pursuant to the Reorganization (except with respect to cash received in lieu of a fractional share of the Acquiring Fund, as discussed below) or all of his, her or its Target Fund APS for Acquiring Fund APS pursuant to the Reorganization.
- The aggregate tax basis of the Acquiring Fund Common Shares or Acquiring Fund APS, as the case may be, received by a shareholder of the Target Fund pursuant to the Reorganization will be the same as the aggregate tax basis of the shares of the Target Fund surrendered in exchange therefor (reduced by any amount of tax basis allocable to a fractional share for which cash is received).

51

- The holding period of the Acquiring Fund Common Shares or Acquiring Fund APS, as the case may be, received by a shareholder of the Target Fund pursuant to the Reorganization will include the holding period of the shares of the Target Fund surrendered in exchange therefor.
- A shareholder of the Target Fund that receives cash in lieu of a fractional Acquiring Fund Common Share pursuant to the Reorganization will recognize capital gain or loss with respect to the fractional share in an amount equal to the difference between the amount of cash received for the fractional share and the portion of such shareholder's tax basis in its Target Fund Common Shares that is allocable to the fractional share. The capital gain or loss will be long-term if the holding period for such Target Fund Common Shares is more than one year as of the date of the exchange.
- The Acquiring Fund's tax basis in the Target Fund's assets received by the Acquiring Fund pursuant to the Reorganization will equal the tax basis of such assets in the hands of the Target Fund immediately prior to the Reorganization, and the Acquiring Fund's holding period of such assets will include the period during which the assets were held by the Target Fund.

The Acquiring Fund intends to continue to be taxed under the rules applicable to regulated investment companies as defined in Section 851 of the Internal Revenue Code, which are the same rules currently applicable to the Target Fund and its shareholders.

The opinion of Skadden Arps will be based on U.S. federal income tax law in effect on the Closing Date. In rendering its opinion, Skadden Arps will also rely upon certain representations of the management of the Acquiring Fund and the Target Fund and assume, among other things, that the Reorganization will be consummated in accordance with the Reorganization Agreement and as described herein. An opinion of counsel is not binding on the IRS or any court.

SHAREHOLDER APPROVAL

Under the Declaration of Trust of the Target Fund (as amended to date and including the Certificate of Vote of the Target Fund), relevant Massachusetts law and the rules of the NYSE and CHX, shareholder approval of the Reorganization Agreement requires the affirmative vote of shareholders of the Target Fund representing more than 50% of the outstanding Target Fund Common Shares and Target Fund APS entitled to vote, each voting separately as a class.

52

PROPOSAL 2: ISSUANCE OF ADDITIONAL ACQUIRING FUND COMMON SHARES

Pursuant to the Reorganization Agreement, which is described more fully under "Proposal 1: Reorganization of the Target Fund" herein, the Acquiring Fund will acquire substantially all of the assets and assume substantially all of the liabilities of the Target Fund in exchange for Acquiring Fund Common Shares and Acquiring Fund APS. The Target Fund will distribute Acquiring Fund Common Shares to holders of Target Fund Common Shares and Acquiring Fund APS to holders of Target Fund APS, and will then terminate its registration under the 1940 Act and dissolve under applicable state law. The Acquiring Fund Board, based upon its evaluation of all relevant information, anticipates that the Reorganization will benefit holders of Acquiring Fund Common Shares.

The aggregate net asset value of Acquiring Fund Common Shares received in the Reorganization will equal the aggregate net asset value of the Target Fund Common Shares held immediately prior to the Reorganization, less the costs of the Reorganization (though holders of Target Fund Common Shares may receive cash for their fractional shares). The aggregate liquidation preference of Acquiring Fund APS received in the Reorganization will equal the aggregate liquidation preference of Target Fund APS held immediately prior to the Reorganization. The Reorganization will result in no dilution of net asset value of the Acquiring Fund Common Shares, other than to reflect the costs of the Reorganization. No gain or loss will be recognized by the Acquiring Fund or its shareholders in connection with the Reorganization. The Acquiring Fund will continue to operate as a registered closed-end investment company with the investment objective and policies described in this Joint Proxy Statement/Prospectus.

In connection with the Reorganization and as contemplated by the Reorganization Agreement, the Acquiring Fund will issue additional Acquiring Fund Common Shares and list such shares on the NYSE and the CHX. While applicable state and federal law does not require the shareholders of the Acquiring Fund to approve the Reorganization, applicable NYSE and CHX rules require the common shareholders of the Acquiring Fund to approve the issuance of additional Acquiring Fund Common Shares to be issued in connection with the Reorganization.

SHAREHOLDER APPROVAL

Shareholder approval of the issuance of additional Acquiring Fund Common Shares requires the affirmative vote of a majority of the votes cast on the proposal, provided that the total votes cast on the proposal represents more than 50% in interest of all securities entitled to vote on the proposal. For more information regarding voting requirements, see the section entitled "Other Information--Voting Information and Requirements" below.

53

OTHER INFORMATION

VOTING INFORMATION AND REQUIREMENTS

GENERAL. A list of shareholders of each Fund entitled to be present and vote at the Special Meeting will be available at the offices of the Funds, 1 Parkview Plaza, Oakbrook Terrace, Illinois 60181-5555, for inspection by any shareholder during regular business hours for ten days prior to the date of the Special Meeting.

RECORD DATE. The Board of Trustees of each Fund has fixed the close of business on July 29, 2005 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Special Meeting or any adjournment thereof. Shareholders on the Record Date will be entitled to one vote for each share held, with no shares having cumulative voting rights. At the Record Date, the Target Fund had outstanding [] Target Fund Common Shares and [] Target Fund APS and the Acquiring Fund had outstanding [] Acquiring Fund Common Shares and [] Acquiring Fund APS.

PROXIES. Shareholders may vote by appearing in person at the Special Meeting, by returning the enclosed proxy card or by casting their vote via telephone or the internet using the instructions provided on the enclosed proxy card and more fully described below. Shareholders of each Fund have the opportunity to submit their voting instructions via the internet by utilizing a program provided by a third-party vendor hired by the Funds, or by "touch-tone" telephone voting. The giving of such a proxy will not affect your right to vote in person should you decide to attend the Special Meeting. To use the internet, please access the internet address found on your proxy card. To record your voting instructions by automated telephone, please call the toll-free number listed on your proxy card. The internet and automated telephone voting instructions are designed to authenticate shareholder identities, to allow shareholders to give their voting instructions, and to confirm that shareholders' instructions have been recorded properly. Shareholders submitting their voting instructions via the internet should understand that there may be costs associated with internet access, such as usage charges from internet access providers and telephone companies, that must be borne by the shareholders. Any person giving a proxy may revoke it at any time prior to its exercise by giving written notice of the revocation to the Secretary of the applicable Fund at the address indicated above, by delivering a duly executed proxy bearing a later date, by recording later-dated voting instructions via the internet or automated telephone or by attending the Special Meeting and voting in person. The giving of a proxy will not affect your right to vote in person if you attend the Special Meeting and wish to do so.

All properly executed proxies received prior to the Special Meeting will be voted in accordance with the instructions marked thereon or otherwise as provided therein. Unless instructions to the contrary are marked, proxies will be voted

54

"FOR" the approval of each proposal. Abstentions and broker non-votes (i.e., where a nominee such as a broker, holding shares for beneficial owners, votes on certain matters pursuant to discretionary authority or instructions from beneficial owners, but with respect to one or more proposals does not receive instructions from beneficial owners or does not exercise discretionary authority) are not treated as votes "FOR" a proposal.

With respect to Proposal 1, abstentions and broker non-votes have the same effect as votes "AGAINST" the proposals since their approvals are based on the affirmative vote of a majority of the total Target Fund Common Shares

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

outstanding and a majority of the total Target Fund APS outstanding. With respect to Proposal 2, abstentions will not be treated as votes "FOR" the proposal but will be counted as votes cast on the proposal and will therefore have the same effect as votes "AGAINST" the proposal. Broker non-votes will not be treated as votes "FOR" the proposal and will not be counted as votes cast on the proposal and will therefore have the effect of reducing the aggregate number of shares voting on the proposal and reducing the number of votes "FOR" required to approve the proposal.

With respect to each proposal, a majority of the outstanding shares of each class entitled to vote on the proposal must be present in person or by proxy to have a quorum to conduct business at the Special Meeting. Abstentions and broker non-votes will be deemed present for quorum purposes.

CERTAIN VOTING INFORMATION REGARDING TARGET FUND APS. Pursuant to the rules of the NYSE, Target Fund APS held in "street name" may be voted under certain conditions by broker-dealer firms and counted for purposes of establishing a quorum of that Fund if no instructions are received one business day before the Special Meeting or, if adjourned, one business day before the day to which the Special Meeting is adjourned. These conditions include, among others, that (i) at least 30% of the Target Fund's Preferred Shares outstanding have voted on the Reorganization and (ii) less than 10% of the Target Fund's Preferred Shares outstanding have voted against the Reorganization. In such instance, the broker-dealer firm will vote such uninstructed Target Fund APS on the Reorganization in the same proportion as the votes cast by all holders of Target Fund APS who voted on the Reorganization. The Target Fund will include shares held of record by broker-dealers as to which such authority has been granted in its tabulation of the total number of shares present for purposes of determining whether the necessary quorum of shareholders of the Target Fund exists.

55

SHAREHOLDER INFORMATION

[As of _____, 2005 to the knowledge of the Funds, no shareholder owned beneficially more than 5% of a Fund's outstanding Common Shares.]

[_____]

[To the knowledge of the Funds, no trustee or executive officer owned, directly or beneficially, Common Shares of the Funds as of _____, 2005 and no trustees or executive officers owned Preferred Shares of the Funds as of that date.]

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 30(f) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934, as amended, require the Funds' trustees, officers, investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered class of a Fund's equity securities to file forms with the SEC and the NYSE, as applicable, reporting their affiliation with such Fund and reports of ownership and changes in ownership of Fund shares. These persons and entities are required by SEC regulation to furnish the Fund with copies of all such forms they file. Based on a review of these forms furnished to each Fund, each Fund believes that during its last fiscal year, its trustees, officers, investment adviser and affiliated persons of the investment adviser complied with the applicable filing requirements.

SHAREHOLDER PROPOSALS

To be considered for presentation at a shareholders' meeting, rules

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

promulgated by the SEC generally require that, among other things, a shareholder's proposal must be received at the offices of the relevant Fund a reasonable time before a solicitation is made. Timely submission of a proposal does not necessarily mean that such proposal will be included. Any shareholder who wishes to submit a proposal for consideration at a meeting of such shareholder's Fund should send such proposal to the respective Fund at the principal executive offices of the Fund at 1221 Avenue of the Americas, New York, New York 10020.

Information regarding the deadline for timely submission of proposals intended to be presented at the year 2006 Annual Meeting of the Funds will be provided in the proxy statement relating to the 2005 Annual Meeting of the Funds, which is expected to take place later this year. If the Reorganization of the Target Fund is approved and completed prior to its 2005 Annual Meeting, the Target Fund will cease to exist and will not hold its 2005 Annual Meeting.

SOLICITATION OF PROXIES

Solicitation of proxies on behalf of the Funds is being made primarily by the mailing of this Notice and Joint Proxy Statement/Prospectus with its enclosures on

56

or about [], 2005. Shareholders whose shares are held by nominees such as brokers can vote their proxies by contacting their respective nominee. In addition to the solicitation of proxies by mail, employees of the Adviser and its affiliates as well as dealers or their representatives may, without additional compensation, solicit proxies in person or by mail, telephone, telegraph, facsimile or oral communication. The Funds have retained Computershare Fund Services ("Computershare") to make telephone calls to shareholders to remind them to vote. Computershare will be paid a project management fee as well as fees charged on a per call basis and certain other expenses. Management estimates that any such solicitation would cost approximately \$ [] for the Target Fund and \$ [] for the Acquiring Fund. Proxy solicitation expenses are an expense of the Reorganization which will be borne by the Target Fund and the Acquiring Fund in proportion to their projected annual expense savings as a result of the Reorganization.

LEGAL MATTERS

Certain legal matters concerning the federal income tax consequences of the Reorganization and the issuance of Acquiring Fund Common Shares and Acquiring Fund APS will be passed upon by Skadden Arps, which serves as counsel to the Target Fund and the Acquiring Fund. Wayne W. Whalen, a partner of Skadden Arps, is a trustee of both the Target Fund and the Acquiring Fund.

OTHER MATTERS TO COME BEFORE THE MEETING

The Board of Trustees of each Fund knows of no business other than that described in this Joint Proxy Statement/Prospectus which will be presented for consideration at the Special Meeting. If any other matters are properly presented, it is the intention of the persons named on the enclosed proxy card to vote proxies in accordance with their best judgment.

In the event that a quorum is present at the Special Meeting but sufficient votes to approve any of the proposals are not received, proxies (including abstentions and broker non-votes) will be voted in favor of one or more adjournments of the Special Meeting to permit further solicitation of proxies on such proposals, provided that the Board of Trustees of each Fund determines that such an adjournment and additional solicitation is reasonable and in the

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

interest of shareholders based on a consideration of all relevant factors, including the percentage of votes then cast, the percentage of negative votes cast, the nature of the proposed solicitation activities and the nature of the reasons for such further solicitation. Any such adjournment will require the affirmative vote of the holders of a majority of the outstanding shares voted at the session of the Special Meeting to be adjourned.

57

If you cannot be present in person at the Special Meeting, please fill in, sign and return the enclosed proxy card promptly or please record your voting instructions by telephone or via the internet. No postage is necessary if the enclosed proxy card is mailed in the United States.

EXHIBIT I

DESCRIPTION OF SECURITIES RATINGS

STANDARD & POOR'S -- A brief description of the applicable Standard & Poor's (S&P) rating symbols and their meanings (as published by S&P) follows:

A S&P issue credit rating is a current opinion of the creditworthiness of an obligor with respect to a specific financial obligation, a specific class of financial obligations, or a specific financial program (including ratings on medium-term note programs and commercial paper programs). It takes into consideration the creditworthiness of guarantors, insurers, or other forms of credit enhancement on the obligation and takes into account the currency in which the obligation is denominated. The issue credit rating is not a recommendation to purchase, sell, or hold a financial obligation, inasmuch as it does not comment as to market price or suitability for a particular investor. Issue credit ratings are based on current information furnished by the obligors or obtained by S&P from other sources it considers reliable. S&P does not perform an audit in connection with any credit rating and may, on occasion, rely on unaudited financial information. Credit ratings may be changed, suspended, or withdrawn as a result of changes in, or unavailability of, such information, or based on other circumstances. Issue credit ratings can be either long-term or short-term. Short-term ratings are generally assigned to those obligations considered short term in the relevant market. In the U.S., for example, that means obligations with an original maturity of no more than 365 days, including commercial paper. Short-term ratings are also used to indicate the creditworthiness of an obligor with respect to put features on long-term obligations. The result is a dual rating, in which the short-term ratings address the put feature, in addition to the usual long-term rating. Medium-term notes are assigned long-term ratings.

LONG-TERM ISSUE CREDIT RATINGS

Issue credit ratings are based, in varying degrees, on the following considerations:

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

- Likelihood of payment -- capacity and willingness of the obligor to meet its financial commitment on an obligation in accordance with the terms of the obligation;

- Nature of and provisions of the obligation;

- Protection afforded by, and relative position of, the obligation in the event of bankruptcy, reorganization, or other arrangement under the laws of bankruptcy and other laws affecting creditors' rights.

The issue rating definitions are expressed in terms of default risk. As such, they pertain to senior obligations of an entity. Junior obligations are typically rated lower

I-1

than senior obligations, to reflect the lower priority in bankruptcy, as noted above. (Such differentiation applies when an entity has both senior and subordinated obligations, secured and unsecured obligations, or operating company and holding company obligations.) Accordingly, in the case of junior debt, the rating may not conform exactly with the category definition.

AAA: An obligation rated "AAA" has the highest rating assigned by S&P. The obligor's capacity to meet its financial commitment on the obligation is extremely strong.

AA: An obligation rated "AA" differs from the highest-rated obligations only in small degree. The obligor's capacity to meet its financial commitment on the obligation is very strong.

A: An obligation rated "A" is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher rated categories. However, the obligor's capacity to meet its financial commitment on the obligation is still strong.

BBB: An obligation rated "BBB" exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to lead to a weakened capacity of the obligor to meet its financial commitment on the obligation.

SPECULATIVE GRADE

BB, B, CCC, CC, C: Obligations rated "BB", "B", "CCC", "CC" and "C" are regarded as having significant speculative characteristics. "BB" indicates the least degree of speculation and "C" the highest. While such obligations will likely have some quality and protective characteristics, these may be outweighed by large uncertainties or major exposures to adverse conditions.

BB: An obligation rated "BB" is less vulnerable to nonpayment than other speculative issues. However, it faces major ongoing uncertainties or exposure to adverse business, financial, or economic conditions which could lead to the obligor's inadequate capacity to meet its financial commitment on the obligation.

B: An obligation rated "B" is more vulnerable to nonpayment than obligations rated "BB", but the obligor currently has the capacity to meet its financial commitment on the obligation. Adverse business, financial, or economic conditions will likely impair the obligor's capacity or willingness to meet its financial commitment on the obligation.

CCC: An obligation rated "CCC" is currently vulnerable to nonpayment, and is

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

dependent upon favorable business, financial, and economic conditions for the obligor to meet its financial commitment on the obligation. In the event of adverse

I-2

business, financial, or economic conditions, the obligor is not likely to have the capacity to meet its financial commitment on the obligation.

CC: An obligation rated "CC" is currently highly vulnerable to nonpayment.

C: A subordinated debt or preferred stock obligation rated "C" is CURRENTLY HIGHLY VULNERABLE to nonpayment. The "C" rating may be used to cover a situation where a bankruptcy petition has been filed or similar action taken, but payments on this obligation are being continued. A "C" also will be assigned to a preferred stock issue in arrears on dividends or sinking fund payments, but that is currently paying.

D: An obligation rated "D" is in payment default. The "D" rating category is used when payments on an obligation are not made on the date due even if the applicable grace period has not expired, unless S&P believes that such payments will be made during such grace period. The "D" rating also will be used upon the filing of a bankruptcy petition or the taking of a similar action if payments on an obligation are jeopardized.

Plus (+) or minus (-): The ratings from "AA" to "CCC" may be modified by the addition of a plus or minus sign to show relative standing within the major rating categories.

r: This symbol is attached to the ratings of instruments with significant noncredit risks. It highlights risks to principal or volatility of expected returns which are not addressed in the credit rating.

N.R.: This indicates that no rating has been requested, that there is insufficient information on which to base a rating, or that S&P does not rate a particular obligation as a matter of policy.

SHORT-TERM ISSUE CREDIT RATINGS

A-1: A short-term obligation rated "A-1" is rated in the highest category by S&P. The obligor's capacity to meet its financial commitment on the obligation is strong. Within this category, certain obligations are designated with a plus sign (+). This indicates that the obligor's capacity to meet its financial commitment on these obligations is extremely strong.

A-2: A short-term obligation rated "A-2" is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher rating categories. However, the obligor's capacity to meet its financial commitment on the obligation is satisfactory.

A-3: A short-term obligation rated "A-3" exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more

I-3

likely to lead to a weakened capacity of the obligor to meet its financial commitment on the obligation.

B: A short-term obligation rated "B" is regarded as having significant

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

speculative characteristics. The obligor currently has the capacity to meet its financial commitment on the obligation; however, it faces major ongoing uncertainties which could lead to the obligor's inadequate capacity to meet its financial commitment on the obligation.

C: A short-term obligation rated "C" is currently vulnerable to nonpayment and is dependent upon favorable business, financial, and economic conditions for the obligor to meet its financial commitment on the obligation.

D: A short-term obligation rated "D" is in payment default. The "D" rating category is used when payments on an obligation are not made on the date due even if the applicable grace period has not expired, unless S&P believes that such payments will be made during such grace period. The "D" rating also will be used upon the filing of a bankruptcy petition or the taking of a similar action if payments on an obligation are jeopardized.

MOODY'S INVESTORS SERVICE INC. -- A brief description of the applicable Moody's Investors Service, Inc. (Moody's) rating symbols and their meanings (as published by Moody's) follows:

Aaa: Obligations rated Aaa are judged to be of the highest quality with minimal credit risk.

Aa: Obligations rated Aa are judged to be of high quality and are subject to very low credit risk.

A: Obligations rated A are considered upper-medium grade and are subject to low credit risk.

Baa: Obligations rated Baa are subject to moderate credit risk. They are considered medium-grade and as such may possess certain speculative characteristics.

Ba: Obligations rated Ba are judged to have speculative elements and are subject to substantial credit risk.

B: Obligations rated B are considered speculative and are subject to high credit risk.

Caa: Obligations rated Caa are judged to be of poor standing and are subject to very high credit risk.

Ca: Obligations rated Ca are highly speculative and are likely in, or very near, default, with some prospect of recovery of principal and interest.

I-4

C: Obligations rated C are the lowest rated class of bonds, and are typically in default, with little prospect for recovery of principal or interest.

Note: Moody's appends numerical modifiers 1, 2, and 3 to each generic rating classification from Aa through Caa. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category; the modifier 2 indicates a mid-range ranking; and the modifier 3 indicates a ranking in the lower end of that generic rating category.

Moody's assigns long-term ratings to individual debt securities issued from medium-term note (MTN) programs, in addition to indicating ratings to MTN programs themselves. Notes issued under MTN programs with such indicated ratings are rated at issuance at the rating applicable to all pari passu notes issued under the same program, at the program's relevant indicated rating, provided

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

such notes do not exhibit any of the characteristics listed below:

- Notes containing features that link interest or principal to the credit performance of any third party or parties.
- Notes allowing for negative coupons, or negative principal.
- Notes containing any provision that could obligate the investor to make any additional payments.
- Notes containing provisions that subordinate the claim.

For notes with any of these characteristics, the rating of the individual note may differ from the indicated rating of the program.

Market participants must determine whether any particular note is rated, and if so, at what rating level. Moody's encourages market participants to contact Moody's Ratings Desks directly or visit www.moody.com directly if they have questions regarding ratings for specific notes issued under a medium-term note program. Unrated notes issued under an MTN program may be assigned an NR symbol.

I-5

SHORT-TERM RATINGS

Moody's short-term ratings are opinions of the ability of issuers to honor short-term financial obligations. Ratings may be assigned to issuers, short-term programs or to individual short-term debt instruments. Such obligations generally have an original maturity not exceeding thirteen months, unless explicitly noted. Moody's employs the following designations to indicate the relative repayment ability of rated issuers:

P-1

Issuers (or supporting institutions) rated Prime-1 have a superior ability to repay short-term debt obligations.

P-2

Issuers (or supporting institutions) rated Prime-2 have a strong ability to repay short-term debt obligations.

P-3

Issuers (or supporting institutions) rated Prime-3 have an acceptable ability to repay short-term obligations.

NP

Issuers (or supporting institutions) rated Not Prime do not fall within any of the Prime rating categories.

NOTE: Canadian issuers rated P-1 or P-2 have their short-term ratings enhanced by the senior-most long-term rating of the issuer, its guarantor or support-provider.

COMPENSATION

Each trustee/director/managing general partner (hereinafter referred to in this section as "trustee") who is not an affiliated person (as defined in the 1940 Act) of Van Kampen Investments, the Adviser or Van Kampen Funds Inc. (each a "Non-Affiliated Trustee") is compensated by an annual retainer and meeting fees for services to funds in the Fund Complex. Each fund in the Fund Complex (except Van Kampen Exchange Fund) provides a deferred compensation plan to its Non-Affiliated Trustees that allows trustees to defer receipt of their compensation until retirement and earn a return on such deferred amounts. Amounts deferred are retained by the Funds and earn a rate of return

S-7

determined by reference to the return on the common shares of the Funds or other funds in the Fund Complex as selected by the respective Non-Affiliated Trustee. To the extent permitted by the 1940 Act, the Funds may invest in securities of

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

those funds selected by the Non-Affiliated Trustees in order to match the deferred compensation obligation. The deferred compensation plan is not funded and obligations thereunder represent general unsecured claims against the general assets of the Funds. Deferring compensation has the same economic effect as if the Non-Affiliated Trustee reinvested his or her compensation into the funds. Each fund in the Fund Complex (except Van Kampen Exchange Fund) provides a retirement plan to its Non-Affiliated Trustees that provides Non-Affiliated Trustees with compensation after retirement, provided that certain eligibility requirements are met. Under the retirement plan, a Non-Affiliated Trustee who is receiving compensation from the Funds prior to such Non-Affiliated Trustee's retirement, has at least 10 years of service (including years of service prior to adoption of the retirement plan) and retires at or after attaining the age of 60, is eligible to receive a retirement benefit per year for each of the 10 years following such retirement from the Funds. Non-Affiliated Trustees retiring prior to the age of 60 or with fewer than 10 years but more than 5 years of service may receive reduced retirement benefits from the Funds.

Additional information regarding compensation and benefits for trustees is set forth below for the periods described in the notes accompanying the table.

Because the funds in the Fund Complex have different fiscal year ends, the amounts shown in this column are presented on a calendar year basis.

BOARD COMMITTEES

The Board of Trustees of each Fund has the same three standing committees (an audit committee, a brokerage and services committee and a governance committee). Each committee is comprised solely of "Independent Trustees", which is defined for purposes herein as trustees who: (1) are not "interested persons" of the Funds as defined by the 1940 Act and (2) are "independent" of the Funds as defined by the New York Stock Exchange, American Stock Exchange and Chicago Stock Exchange listing standards.

The Board's audit committee consists of Jerry D. Choate, Rod Dammeyer and R. Craig Kennedy. In addition to being Independent Trustees as defined above, each of these trustees also meets the additional independence requirements for audit committee members as defined by the New York Stock Exchange, American Stock Exchange and Chicago Stock Exchange listing standards. The audit committee makes recommendations to the Board of Trustees concerning the selection of the Funds' independent registered public accounting firm, reviews

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

with such independent registered public accounting firm the scope and results of the Funds' annual audit and considers any comments which the independent registered public accounting firm may have regarding the Funds' financial statements, books of account or internal controls. The Board of Trustees has adopted a formal written charter for the audit committee which sets forth the audit committee's responsibilities. The audit committee has reviewed and discussed the financial statements of the Funds with management as well as with the independent registered public accounting firm of the Funds, and discussed with the independent registered public accounting firm the matters required to be discussed under the Statement of Auditing Standards No. 61. The audit committee has received the written disclosures and the letter from the independent registered public accounting firm required under Independence Standards Board Standard No. 1 and has discussed with the independent registered public accounting firm its independence. Based on this review, the audit committee recommended to the Board of Trustees of the Funds that the Funds' audited financial statements be included in the Funds' annual reports to shareholders for the most recent fiscal year for filing with the SEC.

The Board's brokerage and services committee consists of Linda Hutton Heagy, Hugo F. Sonnenschein and Suzanne H. Woolsey. The brokerage and services committee reviews the Fund's allocation of brokerage transactions and soft-dollar practices.

The Board's governance committee consists of David C. Arch, Howard J Kerr and Jack E. Nelson. In addition to being Independent Trustees as defined above, each of these trustees also meets the additional independence requirements for nominating committee members as defined by the New York Stock Exchange, American Stock Exchange and Chicago Stock Exchange listing standards. The governance committee identifies individuals qualified to serve as Independent Trustees on the Board and on committees of the Board, advises the Board with respect to Board composition, procedures and committees, develops and recommends to the Board a set of corporate governance principles applicable to the Funds, monitors corporate governance matters and makes recommendations to the Board, and acts as the administrative committee with respect to Board policies and procedures, committee policies and procedures and codes of ethics. The Independent Trustees of the Funds select and nominate any other nominee Independent Trustees for the Funds. While the Independent Trustees of the Funds expect to be able to continue to identify from their own resources an ample number of qualified candidates for the Board of Trustees as they deem appropriate, they will consider nominations from shareholders to the Board. Nominations from shareholders should be in writing and sent to the respective Fund's offices at 1221 Avenue of the Americas, New York, New York 10020 or directly to the Independent Trustees at the address specified above for each Trustee.

During the Funds' last fiscal year, the Board of Trustees held 16 meetings. During the Funds' last fiscal year, the audit committee of the Board held 5 meetings, the brokerage and services committee of the Board held 4 meetings and the governance committee of the Board held 5 meetings.

INVESTMENT ADVISORY AGREEMENT

Each Fund and the Adviser are parties to an investment advisory agreement (each an "Advisory Agreement"). Under an Advisory Agreement, each Fund retains the Adviser to manage the investment of such Fund's assets, including the placing of orders for the purchase and sale of portfolio securities. The Adviser obtains and evaluates economic, statistical and financial information to formulate strategy and implement such Fund's investment objective. The Adviser also furnishes offices, necessary facilities and equipment, provides administrative services to such Fund, renders periodic reports to the Fund's Board of Trustees and permits its officers and employees to serve without compensation as trustees or officers of such Fund if elected to such positions. Each Fund, however, bears the costs of its day-to-day operations, including auction agent fees, fees for broker-dealers participating in auctions of such Fund's Preferred Shares, custodian fees, legal and independent registered public accounting firm fees, the costs of reports and proxies to shareholders, compensation of trustees of such Fund (other than those who are affiliated persons of Van Kampen Investments, the Adviser or Van Kampen Funds Inc.) and all

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

other ordinary business expenses not specifically assumed by the Adviser. The Advisory Agreement also provides that the Adviser shall not be liable to a Fund for any actions or omissions in the absence of willful misfeasance, bad faith, negligence or reckless disregard of its obligations and duties under the Advisory Agreement.

Each Advisory Agreement may be continued from year to year if specifically approved at least annually (a) (i) by a Fund's Board of Trustees or (ii) by a vote of a majority of a Fund's outstanding voting securities and (b) by a vote of a majority of the trustees who are not parties to the agreement or interested persons of any such party by votes cast in person at a meeting called for such purpose. Each Advisory Agreement provides that it shall terminate automatically if assigned and that it may be terminated without penalty by either party on 60 days' written notice.

In approving each Advisory Agreement, the Board of Trustees, including the non-interested trustees, considered the nature, quality and scope of the services provided by the Adviser, the performance, fees and expenses of a Fund compared to other similar investment companies, the Adviser's expenses in providing the services and the profitability of the Adviser and its affiliated companies. The Board of Trustees also reviewed the benefit to the Adviser of receiving research paid for by Fund assets and the propriety of such an arrangement and evaluated other benefits the Adviser derives from its relationship with a Fund. The Board of Trustees considered the extent to which any economies of scale experienced by the Adviser are shared with a Fund's shareholders, and the propriety of alternative breakpoints in a Fund's advisory fee schedule. The Board of Trustees

S-12

considered comparative advisory fees of a Fund and other investment companies at different asset levels, and considered the trends in the industry versus historical and projected sales and redemptions of a Fund. The Board of Trustees reviewed reports from third parties about the foregoing factors and considered changes, if any, in such items since its previous approval. The Board of Trustees discussed the financial strength of the Adviser and its affiliated companies and the capability of the personnel of the Adviser. The Board of Trustees reviewed the statutory and regulatory requirements for approval of advisory agreements. The Board of Trustees, including the non-interested trustees, evaluated all of the foregoing and determined, in the exercise of its business judgment, that approval of each Advisory Agreement was in the best interests of the respective Fund and its shareholders.

Prior to the date of this Statement of Additional Information, Van Kampen Advisors Inc., an affiliate of the Adviser, acted as sub-adviser to the Fund. Van Kampen Advisors Inc. was located at 40 Broad Street, Suite 915, Boston, Massachusetts 02109. The Adviser paid to Van Kampen Advisors Inc. on a monthly basis a portion of the net advisory fees that the Adviser received from the Fund.

ACCOUNTING SERVICES AGREEMENT

Each Fund has entered into an accounting services agreement pursuant to which the Adviser provides accounting services to each Fund supplementary to those provided by the custodian. Such services are expected to enable the Funds to more closely monitor and maintain its accounts and records. Each Fund pays all costs and expenses related to such services, including all salary and related benefits of accounting personnel, as well as the overhead and expenses of office space and the equipment necessary to render such services. Each Fund shares together with the other Van Kampen funds in the cost of providing such services with 25% of such costs shared proportionately based on the respective number of classes of securities issued per fund and the remaining 75% of such costs based proportionately on the respective net assets per fund.

Payment by the funds for such services is made on a cost basis for the salary and salary-related benefits, including but not limited to bonuses, group insurance and other regular wages for the employment of personnel. FUND MANAGEMENT

OTHER ACCOUNTS MANAGED BY THE PORTFOLIO MANAGERS

As of December 31, 2004, Dennis Piectrzak managed [] registered investment companies with a total of \$[] billion in assets; [] pooled investment vehicles other than registered investment companies with a total of \$[] million in assets; and [] other accounts with a total of \$[] billion in assets.

As of December 31, 2004, Robert Wimmel managed 36 registered investment companies with a total of \$11.0 billion in assets; 0 pooled investment vehicles other than registered investment companies; and 0 other accounts.

As of December 31, 2004, John Reynoldson managed 33 registered investment companies with a total of \$7.8 billion in assets; 0 pooled investment vehicles other than registered investment companies; and 0 other accounts.

Because the portfolio managers manage assets for other investment

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

companies, pooled investment vehicles and/or other accounts (including institutional clients, pension plans and certain high net worth individuals), there may be an incentive to favor one client over another resulting in conflicts of interest. For instance, the Adviser may receive fees from certain accounts that are higher than the fee it receives from the Funds, or it may receive a performance-based fee on certain accounts. In those instances, the portfolio managers may have an incentive to favor the higher and/or performance-based fee accounts over the Funds. The portfolio managers of the Funds do not currently manage assets for other investment companies, pooled investment vehicles or other accounts that charge a performance fee. The Adviser has adopted trade allocation and other policies and procedures that it believes are reasonably designed to address these and other conflicts of interest.

PORTFOLIO MANAGER COMPENSATION

STRUCTURE. Portfolio managers receive a combination of base compensation and discretionary compensation, comprised of a cash bonus and several deferred compensation programs described below. The methodology used to determine portfolio manager compensation is applied across all accounts managed by the portfolio manager.

BASE SALARY COMPENSATION. Generally, portfolio managers receive base compensation based on the level of their position with the Adviser.

DISCRETIONARY COMPENSATION. In addition to base compensation, portfolio managers may receive discretionary compensation. Discretionary compensation can include:

- Cash Bonus;
- Morgan Stanley's Equity Incentive Compensation Program (EICP) awards--a mandatory program that defers a portion of discretionary year-end compensation into restricted stock units or other awards based on Morgan Stanley common stock that are subject to vesting and other conditions;

S-15

- Investment Management Deferred Compensation Plan (IMDCP) awards--a mandatory program that defers a portion of discretionary year-end compensation and notionally invests it in designated funds advised by the Adviser or its affiliates. The award is subject to vesting and other conditions. Portfolio managers must notionally invest a minimum of 25% to a maximum of 50% of the IMDCP deferral into a combination of the designated funds they manage that are included in the IMDCP fund menu.
- Select Employees' Capital Accumulation Program (SECAP) awards--a voluntary program that permits employees to elect to defer a portion of their discretionary compensation and notionally invest the deferred amount across a range of designated investment funds, including funds advised by the Adviser or its affiliates; and
- Voluntary Equity Incentive Compensation Program (VEICP) awards--a voluntary program that permits employees to elect to defer a portion of their discretionary compensation to invest in Morgan Stanley stock units.

Several factors determine discretionary compensation, which can vary by portfolio management team and circumstances. In order of relative importance, these factors include

- Investment performance. A portfolio manager's compensation is linked to the pre-tax investment performance of the accounts managed by the

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

portfolio manager. Investment performance is calculated for one-, three and five-year periods measured against a fund's primary benchmark (as set forth in a fund's prospectus), indices and/or peer groups. Generally, the greatest weight is placed on the three- and five-year periods.

- Revenues generated by the investment companies, pooled investment vehicles and other accounts managed by the portfolio manager.
- Contribution to the business objectives of the Adviser.
- The dollar amount of assets managed by the portfolio manager.
- Market compensation survey research by independent third parties.
- Other qualitative factors, such as contributions to client objectives.
- Performance of Morgan Stanley and Morgan Stanley Investment Management, and the overall performance of the Global Investor Group, a department within Morgan Stanley Investment Management that includes all investment professionals.

Occasionally, to attract new hires or to retain key employees, the total amount of compensation will be guaranteed in advance of the fiscal year end based on current market levels. In limited circumstances, the guarantee may continue for more than one year. The guaranteed compensation is based on the same factors as those comprising overall compensation described above.

S-16

SECURITIES OWNERSHIP OF PORTFOLIO MANAGERS

As of the end of each Fund's most recently completed fiscal year, the dollar range of securities beneficially owned by each portfolio manager in each Fund is shown below:

-----	-----	-----
(1)	(1)	(1)

(1) This amount includes amounts held directly or notionally in the Fund through certain defined contribution and/or deferred compensation programs.

CODE OF ETHICS

The Funds and the Adviser have adopted a Code of Ethics (the "Code of Ethics") that sets forth general and specific standards relating to the securities trading activities of their employees. The Code of Ethics does not prohibit employees from acquiring securities that may be purchased or held by the Funds, but is intended to ensure that all employees conduct their personal transactions in a manner that does not interfere with the portfolio transactions of the Funds or other Van Kampen funds, or that such employees take unfair advantage of their relationship with the Funds. Among other things, the Code of Ethics prohibits certain types of transactions absent prior approval, imposes various trading restrictions (such as time periods during which personal transactions may or may not be made) and requires quarterly reporting of securities transactions and other reporting matters. All reportable securities transactions and other required reports are to be reviewed by appropriate

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

personnel for compliance with the Code of Ethics. Additional restrictions apply to portfolio managers, traders, research analysts and others who may have access to nonpublic information about the trading activities of the Funds or other Van Kampen funds or who otherwise are involved in the investment advisory process. Exceptions to these and other provisions of the Code of Ethics may be granted in particular circumstances after review by appropriate personnel.

PORTFOLIO TRANSACTIONS AND BROKERAGE ALLOCATION

The Adviser is responsible for decisions to buy and sell securities for the Funds, the selection of brokers and dealers to effect the transactions and the negotiation of prices and any brokerage commissions on such transactions. While the Adviser will be primarily responsible for the placement of each Fund's portfolio business, the policies and practices in this regard are subject to review by each Fund's Board of Trustees.

As most transactions made by a Fund are principal transactions at net prices, a Fund generally incurs little or no brokerage costs. The portfolio securities in which a Fund invests are normally purchased directly from the issuer or in the over-the-counter market from an underwriter or market maker for the securities. Purchases from underwriters of portfolio securities include a commission or concession paid by the issuer to the underwriter and purchases from dealers serving as market makers include a spread or markup to the dealer between the bid and asked price. Sales to dealers are effected at bid prices. A Fund may also purchase certain money market instruments directly from an issuer, in which case no commissions or discounts are paid, or may purchase and sell listed

S-17

securities on an exchange, which are effected through brokers who charge a commission for their services.

The Adviser is responsible for placing portfolio transactions and does so in a manner deemed fair and reasonable to each Fund and not according to any formula. The primary consideration in all portfolio transactions is prompt execution of orders in an effective manner at the most favorable price. In selecting broker-dealers and in negotiating prices and any brokerage commissions on such transactions, the Adviser considers the firm's reliability, integrity and financial condition and the firm's execution capability, the size and breadth of the market for the security, the size of and difficulty in executing the order, and the best net price. There are many instances when, in the judgment of the Adviser, more than one firm can offer comparable execution services. In selecting among such firms, consideration may be given to those firms which supply research and other services in addition to execution services. The Adviser is authorized to pay higher commissions to brokerage firms that provide it with investment and research information than to firms which do not provide such services if the Adviser determines that such commissions are reasonable in relation to the overall services provided. No specific value can be assigned to such research services which are furnished without cost to the Adviser. Since statistical and other research information is only supplementary to the research efforts of the Adviser to the Fund and still must be analyzed and reviewed by its staff, the receipt of research information is not expected to reduce its expenses materially. The investment advisory fee is not reduced as a result of the Adviser's receipt of such research services. Services provided may include (a) furnishing advice as to the value of securities, the advisability of investing in, purchasing or selling securities, and the availability of securities or purchasers or sellers of securities; (b) furnishing analyses and reports concerning issuers, industries, securities, economic factors and trends, portfolio strategy, and the performance of accounts; and (c) effecting securities transactions and performing functions

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

incidental thereto (such as clearance, settlement and custody). Research services furnished by firms through which a Fund effects its securities transactions may be used by the Adviser in servicing all of its advisory accounts; not all of such services may be used by the Adviser in connection with a Fund.

The Adviser also may place portfolio transactions, to the extent permitted by law, with brokerage firms affiliated with a Fund and the Adviser if it reasonably believes that the quality of execution and the commission are comparable to that available from other qualified firms.

The Adviser may place portfolio transactions at or about the same time for other advisory accounts, including other investment companies. The Adviser seeks to allocate portfolio transactions equitably whenever concurrent decisions are made to purchase or sell securities for a Fund and another advisory account. In some cases, this procedure could have an adverse effect on the price or the amount of securities available to a Fund. In making such allocations among a Fund and other advisory accounts, the main factors considered by the Adviser are the respective sizes of such Fund and other advisory accounts, the respective investment objectives, the relative size of portfolio holdings of the same or comparable securities, the availability of cash for investment, the size of investment commitments generally held and opinions of the persons responsible for recommending the investment.

Certain broker-dealers, through which a Fund may effect securities transactions, are affiliated persons (as defined in the 1940 Act) of a Fund or affiliated persons of such

S-18

affiliates, including Morgan Stanley or its subsidiaries. Each Fund's Board of Trustees has adopted certain policies incorporating the standards of Rule 17e-1 issued by the SEC under the 1940 Act which require that the commissions paid to affiliates of the Fund must be reasonable and fair compared to the commissions, fees or other remuneration received or to be received by other brokers in connection with comparable transactions involving similar securities during a comparable period of time. The rule and procedures also contain review requirements and require the Adviser to furnish reports to the trustees and to maintain records in connection with such reviews. After consideration of all factors deemed relevant, the trustees will consider from time to time whether the advisory fee for each Fund will be reduced by all or a portion of the brokerage commission paid to affiliated brokers.

Unless otherwise disclosed below, a Fund paid no commissions to affiliated brokers during the last three fiscal years. Each Fund paid the following commissions to brokers during the fiscal years shown:

RIC under the Code at all times since the end of its first taxable year when it so qualified; qualifies and will continue to qualify as a RIC under the Code for its taxable year ending upon its liquidation; and has satisfied the distribution requirements imposed by the Code for each of its taxable years.

3. The Reorganization.

- (a) Subject to receiving the requisite approvals of the shareholders of the Target Fund, and to the other terms and conditions contained herein, (i) the Target Fund agrees to convey, transfer and deliver to the Acquiring Fund and the Acquiring Fund agrees to acquire from the Target Fund, on the Closing Date, all of the Target Fund Investments (including interest accrued as of the Valuation Time on debt instruments), and assume substantially all of the liabilities of the Target Fund, in exchange for that number of Target Fund Common Shares and Target Fund Preferred Shares provided in Section 4 of this Agreement. Pursuant to this Agreement, as soon as practicable after the Closing Date, the Target Fund will distribute all Acquiring Fund Common Shares and Acquiring Fund APS received by it to its shareholders in exchange for their Target Fund Common Shares and Target Fund Preferred Shares. Such distributions shall be accomplished by the opening of shareholder accounts on the share ledger records of the Acquiring Fund in the amounts due the shareholders of the Target Fund based on their respective holdings in the Target Fund as of the Valuation Time.
- (b) If it is determined that the portfolios of the Target Fund and the Acquiring Fund, when aggregated, would contain investments exceeding certain percentage limitations imposed upon the Acquiring Fund with respect to such investments, the Target Fund, if requested by the Acquiring Fund, will dispose of a sufficient amount of such investments as may be necessary to avoid violating such limitations as of the Closing Date. Notwithstanding the foregoing, (a) nothing herein will require the Target Fund to dispose of any portfolios, securities or other investments, if, in the reasonable judgment of the Target Fund's trustees or investment adviser, such disposition would adversely affect the tax-free nature of the Reorganization for federal income tax purposes or would otherwise not be in the best interests of the Target Fund, and (b) nothing will permit the Target Fund to dispose of any portfolio securities or other investments if, in the reasonable judgment of the Acquiring Fund's trustees or investment adviser, such disposition would adversely affect the tax-free nature of the Reorganization for federal income tax purposes or would otherwise not be in the best interests of the Acquiring Fund.
- (c) Prior to the Closing Date, the Target Fund shall declare a dividend or dividends which, together with all such previous dividends, shall have the effect of distributing to their respective shareholders all of their respective net investment company taxable income to and including the Closing Date, if any (computed without regard to any deduction for dividends paid), and all of its net capital gain, if any, realized to and including the Closing Date. In this regard and in connection with the Reorganization, the last dividend period for the Target Fund Preferred Shares prior to the Closing Date

- (d) The Target Fund will pay or cause to be paid to the Acquiring Fund any interest the Target Fund receives on or after the Closing Date with respect to any of the Target Fund Investments transferred to the Acquiring Fund hereunder.

A-6

- (e) The Valuation Time shall be 4:00 p.m., Eastern time, on XXXX, 2005, or such earlier or later day and time as may be mutually agreed upon in writing (the "Valuation Time").
- (f) Recourse for liabilities assumed from the Target Fund by the Acquiring Fund in the Reorganization will be limited to the net assets acquired by the Acquiring Fund. The known liabilities of the Target Fund, as of the Valuation Time, shall be confirmed to the Acquiring Fund pursuant to Section 2(j) of this Agreement.
- (g) The Target Fund will be terminated following the Closing Date by terminating its registration under the 1940 Act and its organization under Massachusetts law and will withdraw its authority to do business in any state where it is required to do so.
- (h) The Acquiring Fund will file with the Secretary of State of The Commonwealth of Massachusetts, as required, any amendment to its Certificate of Vote establishing the powers, rights and preferences of the Acquiring Fund APS prior to the closing of the Reorganization.

4. Issuance and Valuation of Acquiring Fund Common Shares and Acquiring Fund APS in the Reorganization.

Acquiring Fund Common Shares and Acquiring Fund APS of an aggregate net asset value or aggregate liquidation preference, as the case may be, equal to the value of the assets of the Target Fund acquired in the Reorganization determined as hereinafter provided, reduced by the amount of liabilities of the Target Fund assumed by the Acquiring Fund in the Reorganization, shall be issued by the Acquiring Fund to the Target Fund in exchange for such assets of the Target Fund. The Acquiring Fund will issue to the Target Fund (i) a number of Acquiring Fund Common Shares, the aggregate net asset value of which will equal the aggregate net asset value of the Target Fund Common Shares, determined as set forth below, and (ii) a number of Acquiring Fund APS, the aggregate liquidation preference and value of which will equal the aggregate liquidation preference and value of the Target Fund Preferred Shares, determined as set forth below.

The net asset value of each of the Funds and the liquidation preference and value of each of the Target Fund Preferred Shares and the Acquiring Fund APS shall be determined as of the Valuation Time in accordance with the regular procedures of the investment adviser, and no formula will be used to adjust the net asset value so determined of any Fund to take into account differences in realized and unrealized gains and losses. Values in all cases shall be determined as of the Valuation Time. The value of the Target Fund Investments to be transferred to the Acquiring Fund shall be determined pursuant to the regular

procedures of the investment adviser.

Such valuation and determination shall be made by the Acquiring Fund in cooperation with the Target Fund and shall be confirmed in writing by the Acquiring Fund to the Target Fund. The net asset value per share of the Acquiring Fund Common Shares and the liquidation preference and value per share of the Acquiring Fund APS shall be determined in accordance with such procedures and the Acquiring Fund shall certify the computations involved. For purposes of determining the net asset value of each of a Target Fund Common Share and an Acquiring Fund Common Share, the value of the securities held by the applicable Fund plus any cash or other assets (including interest accrued but not yet received) minus all liabilities (including accrued expenses) and the aggregate liquidation value of the outstanding shares of Target Fund Preferred Shares or Acquiring Fund APS, as the case may be, is divided by the total number of Target Fund Common Shares or Acquiring Fund Common Shares, as the case may be, outstanding at such time.

A-7

The Acquiring Fund shall issue to the Target Fund separate certificates or share deposit receipts for the Acquiring Fund Common Shares and the Acquiring Fund APS, each registered in the name of the Target Fund. The Target Fund shall then distribute the Acquiring Fund Common Shares and the Acquiring Fund APS to the holders of Target Fund Common Shares and Target Fund Preferred Shares by redelivering the certificates or share deposit receipts evidencing ownership of (i) the Acquiring Fund Common Shares to EquiServe Trust Company, N.A., as the transfer agent and registrar for the Acquiring Fund Common Shares, for distribution to the holders of Target Fund Common Shares on the basis of such holder's proportionate interest in the aggregate net asset value of the Target Fund Common Shares and (ii) the Acquiring Fund APS to Deutsche Bank Trust Company Americas, as the transfer agent and registrar for the Acquiring Fund APS, for distribution to the holders of Target Fund Preferred Shares on the basis of such holder's proportionate interest in the aggregate liquidation preference and value of the Target Fund Preferred Shares. With respect to any Target Fund shareholder holding certificates evidencing ownership of Target Fund Common Shares as of the Closing Date, and subject to the Acquiring Fund being informed thereof in writing by the Target Fund, the Acquiring Fund will not permit such shareholder to receive new certificates evidencing ownership of the Acquiring Fund Common Shares or Acquiring Fund APS, exchange Acquiring Fund Common Shares or Acquiring Fund APS credited to such shareholder's account for shares of other investment companies managed by the Adviser or any of its affiliates, or pledge or redeem such Acquiring Fund Common Shares or Acquiring Fund APS, in any case, until notified by the Target Fund or its agent that such shareholder has surrendered his or her outstanding certificates evidencing ownership of Target Fund Common Shares or Target Fund Preferred Shares or, in the event of lost certificates, posted adequate bond. The Target Fund, at its own expense, will request its shareholders to surrender their outstanding certificates evidencing ownership of Target Fund Common Shares or Target Fund Preferred Shares, as the case may be, or post adequate bond therefor.

No fractional shares of Acquiring Fund Common Shares will be issued to holders of Target Fund Common Shares unless such shares are held in a Dividend Reinvestment Plan account. In lieu thereof, the Acquiring Fund's transfer agent, EquiServe Trust Company, N.A., will aggregate all fractional Acquiring Fund Common Shares to be issued in connection with the Reorganization (other than those issued to a Dividend Reinvestment Plan account) and sell the resulting full shares on the New York Stock Exchange at the current market price for Acquiring Fund Common Shares for the account of all holders of such fractional interests, and each such holder will receive such holder's pro rata share of the

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

proceeds of such sale upon surrender of such holder's certificates representing Acquiring Fund Common Shares.

5. Payment of Expenses.

- (a) With respect to expenses incurred in connection with the Reorganization, the Target Fund and the Acquiring Fund will share, in proportion to their respective projected annual expense savings, all expenses incurred in connection with the Reorganization, including, but not limited to, all costs related to the preparation and distribution of materials distributed to each Fund's Board of Trustees; expenses incurred in connection with the preparation of the Agreement and Plan of Reorganization and a registration statement on Form N-14; SEC and state securities commission filing fees and legal and audit fees in connection with the Reorganization; costs of printing and distributing the Joint Proxy Statement/ Prospectus; legal fees incurred preparing each Fund's board materials, attending each Fund's board meetings and preparing the minutes; auditing fees associated with each Fund's financial statements; stock exchange fees, rating agency fees, portfolio transfer taxes (if any) and any similar expenses incurred in connection with the Reorganization.
- (b) If for any reason the Reorganization is not consummated, no party shall be liable to any other party for any damages resulting therefrom, including, without limitation, consequential damages, and the investment adviser shall pay all expenses incurred by each Fund in connection with the Reorganization.

A-8

6. Covenants of the Funds.

- (c) The Target Fund undertakes that if the Reorganization is consummated, it will file an application pursuant to Section 8(f) of the 1940 Act for an order declaring that the Target Fund has ceased to be a registered investment company.
- (d) The Acquiring Fund will file the N-14 Registration Statement with the Securities and Exchange Commission (the "Commission") and will use its best efforts to provide that the N-14

- (e) The Acquiring Fund has no plan or intention to sell or otherwise dispose of the Target Fund Investments, except for dispositions made in the ordinary course of business.
- (f) Each of the Funds agrees that by the Closing Date all of its federal and other tax returns and reports required to be filed on or before such date shall have been filed and all taxes shown as due on said returns either have been paid or adequate liability reserves have been provided for the payment of such taxes.

The intention of the parties is that the transaction contemplated by this Agreement will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. Neither the Acquiring Fund nor the Target Fund shall take any action or cause any action to be taken (including, without limitation, the filing of any tax return) that is inconsistent with such treatment or results in the failure of the transaction to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. At or prior to the Closing Date, the Acquiring Fund and the Target Fund will take such action, or cause such action to be taken, as is reasonably necessary to enable Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden"), special counsel to the Funds, to render the tax opinion required herein (including, without limitation, each party's execution of representations reasonably requested by and addressed to Skadden.

In connection with this covenant, the Funds agree to cooperate with each other in filing any tax return, amended return or claim for refund, determining a liability for taxes or a right to a refund of taxes or participating in or conducting any audit or other proceeding in respect of taxes. The Acquiring Fund agrees to retain for a period of ten (10) years following the Closing Date all returns, schedules and work papers and all material records or other documents relating to tax matters of the Target Fund for each of such Fund's taxable period first ending after the Closing Date and for all prior taxable periods.

After the Closing Date, the Target Fund shall prepare, or cause its agents to prepare, any federal, state or local tax returns required to be filed by such fund with respect to its final taxable year ending with its complete liquidation and for any prior periods or taxable years and further shall cause such tax returns to be duly filed with the appropriate taxing authorities. Notwithstanding the aforementioned provisions of this subsection, any expenses incurred by the Target Fund (other than for payment of taxes) in connection with the preparation and filing of said tax returns after the Closing Date shall be borne by such Fund to the extent such expenses have been accrued by such Fund in the ordinary course without regard to the Reorganization; any excess expenses shall be borne by the investment adviser or an

affiliate thereof.

A-9

- (g) The Target Fund agrees to mail to its shareholders of record entitled to vote at the special meeting of shareholders at which action is to be considered regarding this Agreement, in sufficient time to comply with requirements as to notice thereof, a combined proxy statement and prospectus which complies in all material respects with the applicable provisions of Section 14(a) of the 1934 Act and Section 20(a) of the 1940 Act, and the rules and regulations, respectively, thereunder.

 - (iii) this Agreement and the Reorganization provided for herein and the execution of this Agreement have been duly authorized and approved by all requisite action of the Acquiring Fund, and this Agreement has been duly executed and delivered by the Acquiring Fund and (assuming this Agreement is a valid and binding obligation of the other party hereto) is a valid and

- (iv) neither the execution or delivery by the Acquiring Fund of this Agreement nor the consummation by the Acquiring Fund of the transactions contemplated hereby violate any provision of any statute or any published regulation or any judgment or order disclosed to counsel by the Acquiring Fund as being applicable to the Acquiring Fund;
- (v) the Acquiring Fund Common Shares and Acquiring Fund APS have each been duly authorized and, upon issuance thereof in accordance with this Agreement, each will be validly issued, fully paid and, except as provided in Section 5.1 of the Acquiring Fund's Declaration of Trust, nonassessable; and

- (d) That there shall not be any material litigation pending with respect to the matters contemplated by this Agreement.
- (e) That the Acquiring Fund shall have received the opinion of Skadden, counsel for the Target Fund, dated as of the Closing Date, addressed to the Acquiring Fund, substantially in the form and to the effect that:

 - (ii) the Target Fund is registered as a closed-end, management investment company under the 1940 Act;

- (iii) this Agreement and the Reorganization provided for herein and the execution of this Agreement have been duly authorized by all requisite action of the Target Fund, and this Agreement has been duly executed and delivered by the Target Fund and (assuming this Agreement is a valid and binding obligation of the other party hereto) is a valid and binding obligation of the Target Fund;

- (f) That the Acquiring Fund shall have obtained an opinion from Skadden, counsel for the Target Fund, dated as of the Closing Date, addressed to the Acquiring Fund, that the consummation of the transactions set forth in this Agreement comply with the requirements of a reorganization as described in Section 368(a) of the Code.
- (g) That the N-14 Registration Statement shall have become effective under the 1933 Act and no stop order suspending such effectiveness shall have been instituted or, to the knowledge of the Target Fund, be contemplated by the SEC.
- (h) That all proceedings taken by the Target Fund and its counsel in connection with the Reorganization and all documents incidental thereto shall be satisfactory in form and substance to the Acquiring Fund.

In this regard, the last dividend period for the Target Fund Preferred Shares may be shorter than the dividend period for such APS determined as set forth in the applicable Certificate of Vote.

10. Termination, Postponement and Waivers.

- (a) Notwithstanding anything contained in this Agreement to the contrary, this Agreement may be terminated and the Reorganization abandoned at any time (whether before or after adoption thereof by the shareholders of the Funds) prior to the Closing Date, or the Closing Date may be postponed, (i) by mutual consent of the Boards of Trustees of the

Funds, (ii) by the Board of Trustees of the Target Fund if any condition of the Target Fund's obligations set forth in Section 8 of this Agreement has not been fulfilled or waived by such Board; or (iii) by the Board of Trustees of the Acquiring Fund if any condition of the Acquiring Fund's obligations set forth in Section 9 of this Agreement have not been fulfilled or waived by such Board.

- (b) If the transactions contemplated by this Agreement have not been consummated by December 31, 2005, this Agreement automatically shall terminate on that date, unless a later date is mutually agreed to by the Boards of Trustees of the Funds.
- (c) In the event of termination of this Agreement pursuant to the provisions hereof, the same shall become void and have no further effect, and there shall not be any liability on the part of any Fund or persons who are their directors, trustees, officers, agents or shareholders in respect of this Agreement.
- (d) At any time prior to the Closing Date, any of the terms or conditions of this Agreement may be waived by the Board of Trustees of any Fund (whichever is entitled to the benefit thereof), if, in the judgment of such Board after consultation with its counsel, such action or waiver will not have a material adverse effect on the benefits intended under this Agreement to the shareholders of their respective fund, on behalf of which such action is taken.
- (e) The respective representations and warranties contained in Sections 1 and 2 of this Agreement shall expire with, and be terminated by, the consummation of the Reorganization, and neither Fund nor any of its officers, trustees, agents or shareholders shall have any liability with respect to such representations or warranties after the Closing Date. This provision shall not protect any officer, trustee, agent or shareholder of either Fund against any liability to the entity

for which that officer, trustee, agent or shareholder so acts or to its shareholders, to which that officer, trustee, agent or shareholder otherwise would be subject by reason of willful misfeasance, bad faith, gross negligence, or reckless disregard of the duties in the conduct of such office.

- (f) If any order or orders of the Commission with respect to this Agreement shall be issued prior to the Closing Date and shall impose any terms or conditions which are determined by action of the Boards of Trustees of the Funds to be acceptable, such terms and conditions shall be binding as if a part of this Agreement without further vote or approval of the shareholders of the Funds unless such terms and conditions shall result in a change in the method of computing the number of Acquiring Fund Common Shares or Acquiring Fund APS to be issued to the Acquired Funds, as applicable, in which event, unless such terms and conditions shall have been included in the proxy solicitation materials furnished to the shareholders of the Funds prior to the meetings at which the Reorganization shall have been approved, this Agreement shall not be consummated and shall terminate unless the Funds promptly shall call a special meeting of shareholders at which such conditions so imposed shall be submitted for approval.

11. Indemnification.

- (a) Each party (an "Indemnitor") shall indemnify and hold the other and its officers, trustees, agents and persons controlled by or controlling any of them (each an "Indemnified

A-15

Party") harmless from and against any and all losses, damages, liabilities, claims, demands, judgments, settlements, deficiencies, taxes, assessments, charges, costs and expenses of any nature whatsoever (including reasonable attorneys' fees) including amounts paid in satisfaction of judgments, in compromise or as fines and penalties, and counsel fees reasonably incurred by such Indemnified Party in connection with the defense or disposition of any claim, action, suit or other proceeding, whether civil or criminal, before any court or administrative or investigative body in which such Indemnified Party may be or may have been involved as a party or otherwise or with which such Indemnified Party may be or may have been threatened (collectively, the "Losses") arising out of or related to any claim of a breach of any representation, warranty or covenant made herein by the Indemnitor, provided, however, that no Indemnified Party shall be indemnified hereunder against any Losses arising directly from such Indemnified Party's (i) willful misfeasance, (ii) bad faith, (iii) gross negligence or (iv) reckless disregard of the duties involved in the conduct of such Indemnified Party's position.

- (b) The Indemnified Party shall use its best efforts to minimize any liabilities, damages, deficiencies, claims, judgments, assessments, costs and expenses in respect of which indemnity may be sought hereunder. The Indemnified Party shall give written notice to Indemnitor within the earlier of ten (10) days of receipt of written notice to Indemnified Party or

thirty (30) days from discovery by Indemnified Party of any matters which may give rise to a claim for indemnification or reimbursement under this Agreement. The failure to give such notice shall not affect the right of Indemnified Party to indemnify hereunder unless such failure has materially and adversely affected the rights of the Indemnitor; provided that in any event such notice shall have been given prior to the expiration of the Survival Period. At any time after ten (10) days from the giving of such notice, Indemnified Party may, at its option, resist, settle or otherwise compromise, or pay such claim unless it shall have received notice from Indemnitor that Indemnitor intends, at Indemnitor's sole cost and expense, to assume the defense of any such matter, in which case Indemnified Party shall have the right, at no cost or expense to Indemnitor, to participate in such defense. If Indemnitor does not assume the defense of such matter, and in any event until Indemnitor states in writing that it will assume the defense, Indemnitor shall pay all costs of Indemnified Party arising out of the defense until the defense is assumed; provided, however, that Indemnified Party shall consult with Indemnitor and obtain indemnitor's prior written consent to any payment or settlement of any such claim. Indemnitor shall keep Indemnified Party fully apprised at all times as to the status of the defense. If Indemnitor does not assume the defense, Indemnified Party shall keep Indemnitor apprised at all times as to the status of the defense. Following indemnification as provided for hereunder, Indemnitor shall be subrogated to all rights of Indemnified Party with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made.

12. Other Matters.

A-16

- (a) All covenants, agreements, representations and warranties made under this Agreement and any certificates delivered pursuant to this Agreement shall be deemed to have been material and relied upon by each of the parties, notwithstanding any investigation made by them or on their behalf.
- (b) All notices hereunder shall be sufficiently given for all purposes hereunder if in writing and delivered personally or sent by registered mail or certified mail, postage prepaid. Notice to the Target Fund shall be addressed to the Target Fund c/o Van Kampen Asset Management, 1221 Avenue of the Americas, New York, New York 10020, Attention: General Counsel, or at such other address as the Target Fund may designate by written notice to the Acquiring Fund. Notice to the Acquiring Fund shall be addressed to the Acquiring Fund c/o Van Kampen Asset Management, 1221 Avenue of the Americas, New York, New York 10020, Attention: General Counsel, or at such other address and to the attention of such other person as the Acquiring Fund may designate by written notice to the

Target Fund. Any notice shall be deemed to have been served or given as of the date such notice is delivered personally or mailed.

- (c) This Agreement supersedes all previous correspondence and oral communications between the parties regarding the Reorganization, constitutes the only understanding with respect to the Reorganization, may not be changed except by a letter of agreement signed by each party and shall be governed by and construed in accordance with the laws of the State of Illinois applicable to agreements made and to be performed in said state.
- (d) It is expressly agreed that the obligations of the Funds hereunder shall not be binding upon any of their respective trustees, shareholders, nominees, officers, agents, or employees personally, but shall bind only the trust property of the respective Fund as provided in such Fund's Declaration of Trust. The execution and delivery of this Agreement has been authorized by the trustees of each Fund and signed by authorized officers of each Fund, acting as such, and neither such authorization by such trustees, nor such execution and delivery by such officers shall be deemed to have been made by any of them individually or to impose any liability on any of them personally, but shall bind only the trust property of each Fund as provided in such Funds' Declaration of Trust.

This Agreement may be executed in any number of counterparts, each of which, when executed and delivered, shall be deemed to be an original but all such counterparts together shall constitute but one instrument.

IN WITNESS WHEREOF, the parties have hereunto caused this Agreement to be executed and delivered by their duly authorized officers as of the day and year first written above.

THE COMMONWEALTH OF MASSACHUSETTS

Office of the Massachusetts Secretary of State
Michael J. Connolly, Secretary

CERTIFICATE OF VOTE OF TRUSTEES ESTABLISHING
TWO SERIES OF PREFERRED SHARES

I, Ronald A. Nyberg, Secretary, of Van Kampen Merritt Municipal Opportunity Trust (the "Fund") located at One Parkview Plaza, Oakbrook Terrace, IL 60181, do hereby certify that at a meeting of the trustees of the Fund held on May 14, 1992, the following vote establishing and designating two series of preferred shares of beneficial interest and determining the relative rights and preferences thereof was duly adopted:

First: Pursuant to authority expressly vested in the Board of Trustees of the Fund by Article VI of its Declaration of Trust (which, as amended or restated from time to time, is, together with this Certificate of Vote, herein called the "Declaration of Trust"), the Board of Trustees hereby authorizes the issuance of two series of 3,000 shares of its authorized preferred shares of beneficial interest, par value \$.01 per share ("Preferred Shares"), liquidation preference of \$50,000 per share, designated, respectively, Auction Preferred Shares, Series A ("APS Series A") and Auction Preferred Shares, Series B ("APS Series B") (collectively the APS Series A and APS Series B are referred to herein as "APS").

Second: The preferences, voting powers, qualifications, and special or relative rights or privileges of each such series of preferred shares of beneficial interest are as follows:

DESIGNATION

APS SERIES A: A series of 1,500 preferred shares of beneficial interest, \$.01 par value, liquidation preference \$50,000 per share, is hereby designated "Auction Preferred Shares, Series A" (hereinafter, "APS Series A"). Each share of APS Series A shall be issued on June 10, 1992; have an Applicable Rate for its Initial Dividend Period

(which period shall continue to and including Tuesday, January 12, 1993) equal to 3.50% per annum; have an initial Dividend Payment Date of Wednesday, July 1, 1992; and have such other preferences, limitations and relative voting rights, in addition to those required by applicable law or set forth in the Declaration

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

of Trust applicable to preferred shares of beneficial interest of the Fund, as are set forth in Part I and Part II of this Certificate of Vote. The APS Series A shall constitute a separate series of Preferred Shares of beneficial interest of the Fund, and each share of APS Series A shall be identical except as provided in Section 3 of Part I of this Certificate of Vote.

APS SERIES B: A series of 1,500 preferred shares of beneficial interest, par value \$.01 per share, liquidation preference \$50,000 per share, is hereby designated "Auction Preferred Shares, Series B" (hereinafter, "APS Series B"). Each share of APS Series B shall be issued on June 10, 1992; have an Applicable Rate for its Initial Dividend Period (which period shall continue to and including Thursday, January 21, 1993) equal to 3.50% per annum; have an initial Dividend Payment Date of Wednesday, July 1, 1992; and have such other preferences, limitations and relative voting rights, in addition to those required by applicable law or set forth in the Declaration of Trust applicable to preferred shares of beneficial interest of the Fund, as are set forth in Part I and Part II of this Certificate of Vote. The APS Series B shall constitute a separate series of Preferred Shares of the Fund, and each share of APS Series B shall be identical except as provided in Section 3 of Part I of this Certificate of Vote.

No holder of any series of APS shall have, solely by reason of being such a holder of any series of APS, any right to acquire, purchase or subscribe for any APS, common shares of beneficial interest, par value \$.01 per share, of the Fund or other securities of the Fund which it may hereafter issue or sell (whether out of the number of shares authorized by the Declaration of Trust, or out of any shares acquired by the Fund after the issuance thereof, or otherwise).

PART I.

1. Number of Shares; Ranking. (a) No fractional APS shall be issued.

(b) APS which at any time have been redeemed or purchased by the Fund shall, after such redemption or purchase, have the status of authorized but unissued Preferred Shares, without designation as to series.

(c) The shares of each series of APS shall rank on a parity with shares of any other series of Preferred Shares (including any other series of APS) as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund.

2. Dividends. (a) The Holder of shares of any series of APS shall be entitled to receive, when, as and if declared by the Board of Trustees, out of funds legally available therefor, cumulative cash dividends at the Applicable Rate per annum thereof, determined as set forth in paragraph (c) of this Section 2, and no more (except to the

2

extent set forth in Section 12 of this Part I), payable on the respective dates (each a "Dividend Payment Date") determined as set forth in paragraph (b) of this Section 2. Dividends on shares of any series of APS shall accumulate at the Applicable Rate per annum from the Date of Original Issue thereof.

(b) (i) Dividends shall be payable subject to subparagraph (b)(ii) of this Section 2, on shares of:

(A) APS Series A, on Wednesday, July 1, 1992 and the first Business Day of each calendar month thereafter, provided that in any calendar month in which an Auction Date for such series is scheduled to

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

occur, dividends shall be payable on the first Business Day next succeeding such Auction Date, and

(B) APS Series B, on Wednesday, July 1, 1992 and the first Business Day of each calendar month thereafter, provided that in any calendar month in which an Auction Date for such series is scheduled to occur, dividends shall be payable on the first Business Day next succeeding such Auction Date,

provided that if the Fund, subject to the conditions set forth in Section 4 of this Part I, designates any Subsequent Dividend Period as a Special Dividend Period, dividends will be payable: (1) with respect to a Special Dividend Period of less than 35 days, the day after the last day thereof and (2) with respect to a Special Dividend Period of 35 days or more, the first Business Day of each calendar month thereafter provided that, in any calendar month in which an Auction Date is scheduled to occur, dividends shall be payable on the first Business Day next succeeding such Auction Date.

After any Special Dividend Period, dividends on shares of such series of APS shall be payable, subject to subparagraph (b)(ii) of this Section 2, on the first Business Day of each calendar month thereafter, provided that in any calendar month in which an Auction Date for such series is scheduled to occur, dividends shall be payable on the first Business Day next succeeding such Auction Date if such series is APS Series A, and on the first Business Day of each calendar month thereafter, provided that in any calendar month in which an Auction Date for such series is scheduled to occur, dividends shall be payable on the first Business day next succeeding such Auction Date if such series is APS Series B, subject in each case to the options of the Fund to further designate from time to time any Subsequent Dividend Period hereof as a Special Dividend Period.

(ii) In the case of dividends that would otherwise be payable on a Sunday, Tuesday, Wednesday, Thursday, Friday or Saturday as determined by subparagraph (b)(i) of this Section 2, including clause (1), (2) or (3) of the proviso thereto, if (i) the Sunday, Monday or Tuesday that would otherwise be the Dividend Payment Date is not a Business Day, then dividends shall be payable on the first Business Day that falls after such Sunday, Monday or Tuesday, or (ii) the Wednesday, Thursday, Friday or Saturday that would otherwise be the Dividend Payment Date is not a Business

3

Day, then dividends shall be payable on the first Business Day that falls prior to such Wednesday, Thursday, Friday or Saturday.

(iii) The Fund shall pay to the Auction Agent not later than 12:00 Noon, New York City time, on the Business Day next preceding each Dividend Payment Date for shares of such series, an aggregate amount of funds available on the next Business Day in The City of New York, New York, equal to the dividends to be paid to all Holders of shares of such series on such Dividend Payment Date.

(iv) All moneys paid to the Auction Agent for the payment of dividends (or for the payment of any late charges pursuant to subparagraph (c)(i) of this Section 2) shall be held in trust for the payment of such dividends (and any such late charge) by the Auction Agent for the benefit of the Holders specified in subparagraph (b)(v) of this Section 2. Any moneys paid to the Auction Agent in accordance with the foregoing but not applied by the Auction Agent to the payment of dividends (and any late charge) will, to the extent permitted by law, be repaid to the Fund at the end of 90 days from the date on which such moneys

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

were so to have been applied.

(v) Each dividend on the APS shall be paid on the Dividend Payment Date therefor to the Holders as their names appear on the share books of the Fund on the Business Day next preceding such Dividend Payment Date. Dividends in arrears for any past Dividend Period may be declared and paid at any time, without reference to any regular Dividend Payment Date, to the Holders as their names appear on the share books of the Fund on such date, not exceeding 15 days preceding the payment date thereof, as may be fixed by the Board of Trustees.

(c) (i) The dividend rate on shares of any series of APS during the period from and after the Date of Original Issue thereof to and including the last day of the Initial Dividend Period therefor shall be equal to the rate per annum set forth with respect to such series under "Designation," above. For each Subsequent Dividend Period of any series of APS outstanding thereafter, the dividend rate on shares of such series shall be equal to the rate per annum that results from an Auction for such series on the Auction Date next preceding such Subsequent Dividend Period; provided, however, that if an Auction for any Subsequent Dividend Period of any series of APS is not held for any reason or if a Failure to Deposit occurs and such failure has not been cured as set forth below prior to any succeeding Subsequent Dividend Period thereof, then, subject to the next succeeding provision, the dividend rate on the shares of such series for any such Subsequent Dividend Period shall be the Maximum Rate (as defined herein) for such series on the Auction Date for such Subsequent Dividend Period; provided, further, however, that if any Failure to Deposit shall have occurred with respect to shares of any series of APS during any Rate Period thereof, and prior to 12:00 noon, New York City time, on the third Business Day next succeeding the date on which such Failure to Deposit occurred, such Failure to Deposit shall not have been cured in accordance with the next succeeding sentence or the Fund shall not have paid to the Auction Agent a late charge equal to the sum of (1) if such Failure to Deposit consisted of the failure timely to pay to the Auction Agent the full amount of dividends with respect to any Dividend Period on the shares of such series, an amount computed by multiplying (x) 200% of the

4

"AA" Composite Commercial Paper Rate (or Treasury Rate, if applicable) for the Rate Period during which such Failure to Deposit occurs on the Dividend Payment Date for such Dividend Period by (y) a fraction, the numerator of which shall be the number of days for which such Failure to Deposit has not been cured in accordance with the next succeeding sentence (including the day such Failure to Deposit occurs and excluding the day such Failure to Deposit is cured) and the denominator of which shall be 365, and applying the rate obtained against the aggregate liquidation preference of the outstanding shares of such series of APS and (2) if such Failure to Deposit consisted of the failure timely to pay to the Auction Agent the Redemption Price of the shares of such series of APS, if any, for which Notice of Redemption has been given by the Fund pursuant to paragraph (b) of Section 3 of this Part I, an amount computed by multiplying (x) 200% of the "AA" Composite Commercial Paper Rate (or Treasury Rate, if applicable) for the Rate Period during which such Failure to Deposit occurs on the redemption date by (y) a fraction, the numerator of which shall, then the dividend rate for shares of such series of APS for each Subsequent Dividend Period thereof commencing after such failure to and including the Subsequent Dividend Period, if any, during which such Failure to Deposit is so cured shall be a rate per annum equal to the Maximum Rate on the Auction Date for such Subsequent Dividend Period (but with the prevailing rating for such shares, for purposes of determining such Maximum Rate, being deemed to be "Below "ba3"/BB-") (the rate per annum at which dividends are payable on the APS for any Rate Period for such shares being herein referred to as the "Applicable Rate" for such shares). A

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Failure to Deposit with respect to shares of any series of APS shall have been cured (if such Failure to Deposit is not solely due to the willful failure of the Fund to make the required payment to the Auction Agent) with respect to any Rate Period if, not later than 12:00 Noon, New York City time, on the fourth Business Day preceding the Auction Date for the Rate Period subsequent to such Rate Period the Fund shall have paid to the Auction Agent (A) all accumulated and unpaid dividends on the shares of such series of APS and (B) without duplication, the Redemption Price for the APS, if any, for which Notice of Redemption has been given by the Fund pursuant to paragraph (b) of Section 3 of this Part I.

(ii) The amount of dividends per share payable on shares of any series of APS on any date on which dividends shall be payable on shares of such series shall be computed by multiplying the respective Applicable Rate for such series in effect for such Dividend Period or Dividend Periods or part thereof for which dividends have not been paid by a fraction, the numerator of which shall be the number of days in such Dividend Period or Dividend Periods or part thereof and the denominator of which shall be 365 if such Dividend Period is a Rate Period, or is contained in a Rate Period, of less than one year and 360 for all other Dividend Periods, and applying the rate obtained against \$50,000.

(d) Any dividend payment made on the APS shall first be credited against the earliest accumulated but unpaid dividends due with respect to such APS.

(e) Except as set forth in the next sentence, no dividends shall be declared or paid or set apart for payment on the shares of any class or series of shares

5

ranking, as to the payment of dividends, on a parity with the APS for any period unless full cumulative dividends have been or contemporaneously are declared and paid on the shares of each series of APS through the most recent Dividend Payment Date for each such series. When dividends are not paid in full upon the APS through their most recent respective Dividend Payment Dates or upon the shares of any other class or series of shares ranking on a parity as to the payment of dividends with the APS through their most recent respective dividend payment dates, all dividends declared upon the APS and any other such class or series of shares ranking on a parity as to the payment of dividends with the APS shall be declared pro rata so that the amount of dividends declared per share on the APS and such other class or series of shares shall in all cases bear to each other the same ratio that accumulated dividends per share on the APS and such other class or series of shares bear to each other (for purposes of this sentence, the amount of dividends declared per share shall be based on the Applicable Rate for such shares for the Dividend Periods during which dividends were not paid in full). Holders of the APS shall not be entitled to any dividend, whether payable in cash, property or shares, in excess of full cumulative dividends, as herein provided, on the APS. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on the APS which may be in arrears, and, except to the extent set forth in subsection (c)(i) of this Section 2, no additional sum of money shall be payable in respect of any such arrearage.

(f) Dividends on the APS shall be designated as exempt-interest dividends up to the amount of tax-exempt income of the Fund, to the extent permitted by, and for purposes of, Section 852 of the Internal Revenue Code of 1986, as amended from time to time.

(g) The Board of Trustees shall not declare any dividend (except a dividend payable in Common Shares), or declare any other distribution, upon the

Common Shares, or purchase Common Shares, unless in every such case the APS have, at the time of any such declaration or purchase, an asset coverage (as defined in and determined pursuant to the 1940 Act) of at least 200% (or such other asset coverage as may in the future be specified in or under the 1940 Act as the minimum asset coverage for senior securities which are stock of a closed-end investment company as a condition of declaring dividends on its common stock) after deducting the amount of such dividend, distribution or purchase price, as the case may be.

3. Redemption. (a) (i) Upon giving a Notice of Redemption, as provided below, the Fund at its option may redeem shares of any series of APS, in whole or in part, on the Second Business Day next preceding any Dividend Payment Date applicable to those shares of APS called for redemption, out of funds legally available therefor, at the Optional Redemption Price; provided that during a Special Dividend Period of 365 days or more no share of APS will be subject to optional redemption during any Non-Call Period; provided, that shares of any series of APS may not be redeemed in part if after such partial redemption fewer than 250 shares of such series remain outstanding.

6

(ii) If fewer than all of the outstanding shares of any series of APS are to be redeemed pursuant to subparagraph (a) (i) of this Section 3, the number of shares of such series to be redeemed shall be determined by the Board of Trustees, and such shares shall be redeemed pro rata from the Holders of such series in proportion to the number of such shares held by such Holders.

(iii) No APS shall be redeemed pursuant to subparagraphs (a) (i) or (a) (ii) of this Section 3 unless, on the date on which the Fund intends to give notice of such redemption pursuant to paragraph (b) of this Section 3, (a) the Fund has available Deposit Securities with maturity or tender dates not later than the day preceding the applicable redemption date and having a value not less than the amount (including the applicable premium, if any) due to Holders of the APS by reason of the redemption of such shares on such redemption date and (b) Moody's Eligible Assets (if Moody's is then rating the APS) and S&P Eligible Assets (if S&P is then rating the APS) each at least equal the APS Basic Maintenance Amount, and would at least equal the APS Basic Maintenance Amount immediately subsequent to such redemption, if such redemption were to occur on such date, and on the date of redemption.

(iv) Subject to Section 3(g), the Fund shall redeem at the Mandatory Redemption Price certain of the APS if the Fund fails to maintain the APS Basic Maintenance Amount or 1940 Act APS Asset Coverage in accordance with the requirements of the rating agency or agencies then rating the APS and such failure is not cured on or before the APS Basic Maintenance Cure Date or the 1940 Act Cure Date, as the case may be. The number of APS to be redeemed shall be equal to the lesser of (i) the minimum number of APS the redemption of which, if deemed to have occurred immediately prior to the opening of business on the Cure Date, together with all other Preferred Shares subject to redemption or retirement, would result in the satisfaction of the APS Basic Maintenance Amount or the 1940 Act APS Asset Coverage, as the case may be, on such Cure Date (provided that, if there is no such minimum number of APS and other Preferred Shares the redemption of which would have such result, all the APS and Preferred Shares then outstanding shall be redeemed), and (ii) the maximum number of APS, together with all other Preferred Shares subject to redemption or retirement, that can be redeemed out of funds expected to be legally available therefor. In determining the APS required to be redeemed in accordance with the foregoing, the Fund shall allocate the number required to be redeemed to satisfy the APS Basic Maintenance Amount or the 1940 Act APS Asset Coverage, as the case may be, pro rata among each series of APS and other Preferred Shares subject to

redemption provisions similar to those contained in this subparagraph (a)(iv) of this Section 3. The Fund shall effect such redemption not earlier than 20 days and not later than 40 days after such Cure Date, except that if the Fund does not have funds legally available for the redemption of all of the required number of APS and other Preferred Shares which are subject to redemption provisions similar to those contained in this subparagraph (a)(iv) of this Section 3 or the Fund otherwise is unable to effect such redemption on or prior to 40 days after such Cure Date, the Fund shall redeem those APS and other Preferred Shares which it was unable to redeem on the earliest practicable date on which it is able to effect such redemption. If fewer than all of the outstanding shares of any series of APS are to be redeemed pursuant to this Section 3(a)(iv), the number of shares of such series to be redeemed shall be

7

redeemed pro rata from the Holders of such shares in proportion to the number of shares held by such Holders.

(b) The Fund is required to give 30 days Notice of Redemption. In the event the Fund obtains appropriate exemptive or no-action relief from the Securities and Exchange Commission, the number of days' notice required for a mandatory redemption may be reduced by the Board of Trustees of the Fund to as few as two Business Days if Moody's and S&P each has agreed in writing that the revised notice provision would not adversely affect its then-current ratings of the APS. The Auction Agent will use its reasonable efforts to provide telephonic notice to each holder of APS called for redemption not later than the close of business on the Business Day on which the Auction Agent determines the shares to be redeemed (as described above) (or, during the occurrence of a Failure to Deposit with respect to such shares, not later than the close of business on the Business Day immediately following the day on which the Auction Agent receives Notice of Redemption from the Fund). Such telephonic notice will be confirmed promptly in writing not later than the close of business on the third Business Day preceding the redemption date by notice sent by the Auction Agent to each holder of record of APS called for redemption, the Broker-Dealers and the Securities Depository. Every Notice of Redemption and other redemption notice with respect to APS will state: (1) the redemption date, (2) the number of APS to be redeemed, (3) the redemption price, (4) that dividends on the APS to be redeemed will cease to accumulate as of such redemption date and (5) the provision of the APS Provisions pursuant to which such shares are being redeemed. No defect in the Notice of Redemption or other redemption notice or in the transmittal or the mailing thereof will affect the validity of the redemption proceedings, except as required by applicable law. If fewer than all shares of any series held by any Holder are to be redeemed, the Notice of Redemption mailed to such Holder shall also specify the number of shares of such series to be redeemed from such Holder.

(c) Notwithstanding the provisions of paragraph (a) of this Section 3, if any dividends on shares of any series of APS are in arrears, no shares of such series of APS shall be redeemed unless all outstanding shares of such series of APS are simultaneously redeemed, and the Fund shall not purchase or otherwise acquire any shares of such series of APS; provided, however, that the foregoing shall not prevent the purchase or acquisition of all outstanding shares of such series of APS pursuant to the successful completion of an otherwise lawful purchase or exchange offer made on the same terms to, and accepted by, Holders of all outstanding shares of such series of APS.

(d) Upon the deposit of funds sufficient to redeem the APS with the Auction Agent and the giving of Notice of Redemption under Paragraph (b) of this Section 3, dividends on such shares shall cease to accumulate and such shares shall no longer be deemed to be outstanding for any purpose, and all rights of

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

the Holders of the shares so called for redemption shall cease and terminate, except the right of such Holders to receive the Optional Redemption Price or Mandatory Redemption Price, as the case may be, but without any interest or other additional amount, except as provided in Section 2(c)(i) and in Section 12. Upon surrender in accordance with the Notice of Redemption of the certificates for any shares so redeemed (properly endorsed or assigned for transfer, if the Board of Trustees shall so require and the Notice of Redemption shall

8

so state), the Optional Redemption Price or Mandatory Redemption Price, as the case may be, shall be paid by the Auction Agent to the Holders of the APS subject to redemption. In the case that fewer than all of the shares represented by any such certificate are redeemed, a new certificate shall be issued, representing the unredeemed shares, without cost to the Holder thereof. The Fund shall be entitled to receive from the Auction Agent, promptly after the date fixed for redemption, any cash deposited with the Auction Agent in excess of (i) the aggregate Optional Redemption Price of the APS called for redemption on such date and (ii) all other amounts to which Holders of the APS called for redemption may be entitled. Any funds so deposited that are unclaimed at the end of 90 days from such redemption date shall, to the extent permitted by law, be repaid to the Fund, after which time the Holders of the APS so called for redemption may look only to the Fund for payment of the Optional Redemption Price or Mandatory Redemption Price, as the case may be, and all other amounts to which they may be entitled. The Fund shall be entitled to receive, from time to time after the date fixed for redemption, any interest on the funds so deposited.

(e) To the extent that any redemption for which Notice of Redemption has been given is not made by reason of the absence of legally available funds therefor, such redemption shall be made as soon as practicable to the extent such funds become available. Failure to redeem the APS shall be deemed to exist at any time after the date specified for redemption in a Notice of Redemption when the Fund shall have failed, for any reason whatsoever, to deposit in trust with the Auction Agent the Redemption Price with respect to any shares for which such Notice of Redemption has been given. Notwithstanding the fact that the Fund may not have redeemed the APS for which a Notice of Redemption has been given, dividends may be declared and paid on the APS and shall include those APS for which a Notice of Redemption has been given.

(f) All moneys paid to the Auction Agent for payment of the Optional Redemption Price or Mandatory Redemption Price, as the case may be, of the APS called for redemption shall be held in trust by the Auction Agent for the benefit of Holders of shares so to be redeemed.

(g) In effecting any redemption pursuant to this Section 3, the Fund shall use its best efforts to comply with all applicable procedural conditions precedent to effecting such redemption under the 1940 Act and Massachusetts law, but shall effect no redemption except to the extent permitted by the 1940 Act and Massachusetts law.

(h) In the case of any redemption pursuant to this Section 3, only whole APS shall be redeemed, and in the event that any provision of the Declaration of Trust would require redemption of a fractional share, the Auction Agent shall be authorized to round up so that only whole shares are redeemed.

4. Designation of Special Dividend Periods. (a) The Fund, at its option, may designate any succeeding Subsequent Dividend Period of any series of APS as a Special Dividend Period; provided, however, that such designation shall be effective only if (A) notice thereof shall have been given in accordance with

paragraph (b) and

9

clause (i) of paragraph (c) of this Section 4, (B) any Failure to Deposit that shall have occurred with respect to shares of such series during any Dividend Period shall have been cured in accordance with the provisions of the third sentence of paragraph (c)(i) of Section 2 of this Part I, (C) Sufficient Clearing Bids (as defined in Section 1 of Part II hereof) for such series shall have existed in an Auction held on the Auction Date immediately preceding the first day of such proposed Special Dividend Period, (D) if any Notice of Redemption shall have been mailed by the Fund pursuant to paragraph (b) of Section 3 of this Part I with respect to any shares of such series of APS, the Redemption Price with respect to such shares shall have been deposited with the Auction Agent and (E) in the event the Fund wishes to designate any succeeding Subsequent Dividend Period for such series as a Special Dividend Period consisting of more than 28 Rate Period Days, the Fund has received written confirmation from S&P (if S&P is then rating the APS) and Moody's (if Moody's is then rating the APS) that such designation would not affect the rating then assigned by S&P and Moody's to such series.

(b) If the Fund proposes to designate any succeeding Subsequent Dividend Period of any series of APS as a Special Dividend Period of more than 28 Rate Period Days pursuant to paragraph (a) of this Section 4, not less than 20 nor more than 30 days prior to the date the Fund proposes to designate as the first day of such Special Dividend Period (which shall be such day that would otherwise be the first day of a Minimum Dividend Period), notice shall be (i) published or caused to be published by the Fund in a newspaper of general circulation to the financial community in The City of New York, New York, which carries financial news, and (ii) communicated by the Fund by telephonic or other means to the Auction Agent and confirmed in writing promptly thereafter. Each such notice shall state (A) that the Fund may exercise its option to designate a succeeding Subsequent Dividend Period of such series of APS as a Special Dividend Period, specifying the first day thereof and (B) that the Fund will by 11:00 A.M., New York City time, on the second Business Day next preceding such date notify the Auction Agent of either (x) its determination, subject to certain conditions, to exercise such option, in which case the Fund shall specify the Special Dividend Period designated and the terms of the Specific Redemption Provisions, if any, or (y) its determination not to exercise such option.

(c) No later than 11:00 A.M., New York City time, on the second Business Day next preceding the first day of any proposed Special Dividend Period the Fund shall delivery to the Auction Agent either:

(i) a notice stating (A) that the Fund has determined to designate the next succeeding Dividend Period of such series as a Special Dividend Period, specifying the same and the first day thereof, (B) the Auction Date immediately prior to the first day of such Special Dividend Period, (C) the terms of the Specific Redemption Provisions, if any, for such series, (D) that such Special Dividend Period shall not commence if (1) on such Auction Date Sufficient Clearing Bids for such series shall not exist (in which case the succeeding Rate Period shall be a Minimum Dividend Period) or (2) a Failure to Deposit shall have occurred prior to the first day of such Special Dividend Period with respect to shares of such series and (E) the scheduled Dividend Payment Dates for such series of APS during such Special Dividend Period;

10

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

provided that, if such Special Dividend Period consists of more than 28 Rate Period Days, such notice will be accompanied by an APS Basic Maintenance Report showing that, as of the third Business Day next preceding such proposed Special Dividend Period, (1) Moody's Eligible Assets, assuming for the purposes of calculating Moody's Eligible Assets, in connection with an APS Basic Maintenance Report required to be prepared pursuant to this Section 4(c)(1), a Moody's Exposure Period of "eight weeks or less but greater than seven weeks" (if Moody's is then rating such series) and (2) S&P Eligible Assets (if S&P is then rating such series) each at least equal to the APS Basic Maintenance Amount as of such Business Day (assuming for purposes of the foregoing calculation that the Maximum Rate is the Maximum Rate on such Business Day as if such Business Day were the Auction Date for the proposed Special Dividend Period); or

(ii) a notice stating that the Fund has determined not to exercise its option to designate a Special Dividend Period for such series of APS and that the next succeeding Dividend Period of such series shall be a Minimum Dividend Period.

If the Fund fails to deliver either such notice with respect to any designation of any proposed Special Dividend Period to the Auction Agent by 11:00 A.M., New York City time, on the second Business Day next preceding the first day of such proposed Special Dividend Period, the Fund shall be deemed to have delivered a notice to the Auction Agent with respect to such Special Dividend Period to the effect set forth in clause (ii) of the preceding sentence.

5. Voting Rights. (a) Except as otherwise provided in the Declaration of Trust or as otherwise required by law, (i) each holder of APS shall be entitled to one vote for each of the APS held on each matter submitted to a vote of shareholders of the Fund, and (ii) the holders of outstanding Preferred Shares, including APS, and of Common Shares shall vote together as a single class; provided that, at a meeting of the shareholders of the Fund held for the election of the trustees, the holders of outstanding Preferred Shares, including APS, represented in person or by proxy at said meeting, shall elect two trustees of the Fund, each Preferred Share, including each of the APS, entitling the holder thereof to one vote. Subject to paragraph (b) of this Section 5, the holders of outstanding Common Shares shall elect the balance of the trustees.

(b) During any period in which any one or more of the conditions described below shall exist (such period being referred to herein as a "Voting Period"), the number of trustees constituting the Board of Trustees shall be automatically increased by the smallest number that, when added to the two trustees elected exclusively by the holders of Preferred Shares, including APS, would constitute a majority of the Board of Trustees as so increased by such smallest number, and the holders of Preferred Shares, including APS, shall be entitled, voting as a class on a one-vote-per-share basis (to the exclusion of the holders of all other securities and class of capital shares of the Fund), to elect such smallest number of additional trustees, together with the two trustees that such holders are in any event entitled to elect. A Voting Period shall commence:

(i) if at the close of business on any Dividend Payment Date accumulated dividends (whether or not earned or declared) on any outstanding APS,

equal to at least two full years' dividends shall be due and unpaid and sufficient cash or specified securities shall not have been deposited with the Auction Agent for the payment of such accumulated dividends; or

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

(ii) if at any time holders of any other Preferred Shares are entitled under the 1940 Act to elect a majority of the trustees of the Fund.

Upon the termination of a Voting Period, the voting rights described in this paragraph (b) of Section 5 shall cease, subject always, however, to the re-vesting of such voting rights in the Holders upon the further occurrence of any of the events described in this paragraph (b) of Section 5.

(c) (i) As soon as practicable after the accrual of any right of the holders of Preferred Shares to elect additional trustees as described in paragraph (b) of this Section 5, the Fund shall notify the Auction Agent and the Auction Agent shall call a special meeting of such holders, by mailing a notice of such special meeting to such holders, such meeting to be held not less than 10 nor more than 20 days after the date of mailing of such notice. If the Fund fails to send such notice to the Auction Agent or if the Auction Agent does not call such a special meeting, it may be called by any such holder on like notice. The record date for determining the holders entitled to notice of and to vote at such special meeting shall be the close of business on the fifth Business Day preceding the day on which such notice is mailed. At any such special meeting and at each meeting of holders of Preferred Shares held during a Voting Period at which trustees are to be elected, such holders, voting together as a class (to the exclusion of the holders of all other securities and classes of capital shares of the Fund), shall be entitled to elect the number of trustees prescribed in paragraph (b) of this Section 5 on a one-vote-per-share basis.

(ii) For purposes of determining any rights of the Holders to vote on any matter, whether such right is created by this Certificate of Vote, by the other provisions of the Declaration of Trust, by statute or otherwise, no Holder shall be entitled to vote and no APS shall be deemed to be "outstanding" for the purpose of voting or determining the number of shares required to constitute a quorum if, prior to or concurrently with the time of determination of shares entitled to vote or shares deemed outstanding for quorum purposes, as the case may be, the Redemption Price for the redemption of such shares has been deposited in trust with the Auction Agent for that purpose and the requisite Notice of Redemption with respect to such shares shall have been given as provided in Section 3 of this Part I. None of the APS held by the Fund or any affiliate of the Fund shall have any voting rights or be deemed to be outstanding for voting or other purposes.

(iii) The terms of office of all persons who are Trustees of the Fund at the time of a special meeting of Holders and holders of other Preferred Shares to elect trustees shall continue, notwithstanding the election at such meeting by the Holders and such other holders of the number of trustees that they are entitled to elect, and the persons so elected by the Holders and such other holders, together with the two incumbent trustees elected by the Holders and such other holders of Preferred Shares

12

and the remaining incumbent trustees elected by the holders of the Common Shares, shall constitute the duly elected trustees of the Fund.

(iv) Simultaneously with the termination of a Voting Period, the terms of office of the additional trustees elected by the Holders and holders of other Preferred Shares pursuant to paragraph (b) of this Section 5 shall terminate, the remaining trustees shall constitute the trustees of the Fund and the voting rights of the Holders and such other holders to elect additional trustees pursuant to paragraph (b) of this Section 5 shall cease, subject to the provisions of the last sentence of paragraph (b) of this Section 5.

(d) (i) So long as any of the APS are outstanding, the Fund shall not, without the affirmative vote of the Holders of the Outstanding APS determined with reference to a "majority of outstanding voting securities" as that term is defined in Section 2(a)(42) of the 1940 Act (voting separately as one class): (a) authorize, create or issue any class or series of shares of beneficial interest ranking prior to or on a parity with the APS with respect to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, or increase the authorized amount of any series of APS (except that, notwithstanding the foregoing, but subject to the provisions of Section 13, the Board of Trustees, without the vote or consent of the Holders of APS, may from time to time authorize and create, and the Fund may from time to time issue, classes or series of Preferred Shares, including APS, ranking on a parity with the APS with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, subject to continuing compliance by the Fund with 1940 Act APS Asset Coverage and APS Basic Maintenance Amount requirements, provided that the Fund obtains written confirmation from Moody's (if Moody's is then rating APS) and S&P (if S&P is then rating APS) that the issuance of such class or series would not impair the rating then assigned by such rating agency to the APS), (b) amend, alter or repeal the provisions of the Declaration of Trust, including this Certificate of Vote, whether by merger, consolidation or otherwise, so as to affect any preferences, right or power of such APS or the Holders thereof; provided that (i) none of the actions permitted by the exception to (a) above will be deemed to affect such preferences, rights or powers and (ii) the authorization, creation and issuance of classes or series of shares ranking junior to the APS with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, will be deemed to affect such preferences, rights or powers only if Moody's or S&P is then rating the APS and such issuance would, at the time thereof, cause the Fund not to satisfy the 1940 Act APS Asset Coverage or the APS Basic Maintenance Amount, or (c) file a voluntary application for relief under Federal bankruptcy law or any similar application under state law for so long as the Fund is solvent and does not foresee becoming insolvent.

(ii) The Board of Trustees, without the vote or consent of the Holders of APS, may from time to time amend, alter or repeal any or all of the definitions of the terms listed below, and any such amendment, alteration or repeal will not be deemed to affect the preferences, rights or powers of the APS or the Holders thereof, provided the Board of Trustees receives written confirmation from Moody's

13

(such confirmation being required to be obtained only in the event Moody's is rating the APS and in no event being required to be obtained in the case of the definitions of Deposit Securities, Discounted Value and Receivables for Municipal Securities Sold as such terms apply to S&P Eligible Assets, Dividend Coverage Amount, Dividend Coverage Assets, Minimum Liquidity Level, S&P Discount Factor, S&P Eligible Assets, S&P Exposure Period and Valuation Date as such term applies to the definitions of Dividend Coverage Amount, Dividend Coverage Assets and Minimum Liquidity Level) and S&P (such confirmation being required to be obtained only in the event S&P is rating the APS and in no event being required to be obtained in the case of the definitions of Discounted Value and Receivables for Municipal Securities Sold as such terms apply to Moody's Eligible Assets, Moody's Discount Factor, Moody's Eligible Asset and Moody's Exposure Period) that any such amendment, alteration or repeal would not impair the ratings then assigned by Moody's or S&P, as the case may be, to the APS (provided that, with respect to the Maximum Rate, such amendment or alteration shall not, in any event, cause the Maximum Rate to fall below the Maximum Rate

(e) Unless otherwise required by law, the Holders of the APS shall not have any relative rights or preferences or other special rights other than those specifically set forth herein. The Holders of the APS shall have no preemptive rights or rights to cumulative voting. In the event that the Fund fails to pay any dividends on the APS, the exclusive remedy of the Holders shall be the right to vote for trustees pursuant to the provisions of this Section 5.

(f) Unless a higher percentage is provided for in the Declaration of Trust, the affirmative vote of the Holders of a majority of the outstanding APS, voting as a separate class, shall be required to approve any plan of reorganization (as such term is used in the 1940 Act) adversely affecting such shares or any action requiring a vote of security holders of the Fund under Section 13(a) of the 1940 Act. In the event a vote of Holders of APS is required pursuant to the provisions of Section 13(a) of the 1940 Act, the Fund shall, not later than ten Business Days prior to the date on which such vote is to be taken, notify Moody's (if Moody's is then rating the APS) and S&P (if S&P is then rating the APS) that such vote is to be taken and the nature of the action with respect to which such vote is to be taken. In addition, the Fund shall notify Moody's (if Moody's is then rating the APS) and S&P (if S&P is then rating the APS) of the results of any vote described in the proceeding sentence.

(g) Right to Vote with Respect to Certain Other Matters. The affirmative vote of the holders of a majority (unless a higher percentage vote is required under the Declaration of Trust or under this Certificate of Vote) of the outstanding shares of each series of APS, each voting as a separate class, is required with respect to any matter that materially affects the series in a

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

manner different from that of other series of classes of the Fund's shares, including without limitation any proposal to do the following: (1) increase or decrease the aggregate number of authorized shares of the series; (2) effect an exchange, reclassification, or cancellation of all or part of the shares of the series; (3) effect an exchange, or create a right of exchange, of all or any part of the shares of the series; (4) change the rights or preferences of the shares of the series; (5) change the shares of the series, whether with or without par value, into the same or a different number of shares, either with or without par value, of the same or another class or series; (6) create a new class or series of shares having rights and preferences prior and superior to the shares of the series, or increase the rights and preferences or the number of authorized shares of a series having rights and preferences prior or superior to the shares of the series; or (7) cancel or otherwise affect distributions on the shares of the series that have accrued but have not been declared. To the extent that the interests of a series of APS affected by a matter are substantially identical to the interests of another series of APS affected by such matter (e.g., a vote of shareholders required under Section 13(a) of the 1940 Act), each such series shall vote together collectively as one class. The vote of holders of APS described above will in each case be in addition to a separate vote of the requisite percentage of Common Shares and APS necessary to authorize the action in question.

15

6. Liquidation Rights. (a) Upon the dissolution, liquidation or winding up of the affairs of the Fund, whether voluntary or involuntary, the Holders of the APS then outstanding shall be entitled to receive and to be paid out of the assets of the Fund available for distribution to its shareholders, before any payment or distribution shall be made on the Common Shares or on any other class of shares of the Fund ranking junior to the APS upon dissolution, liquidation or winding up, an amount equal to the liquidation preference with respect to such shares. The liquidation preference for the APS shall be \$50,000 per share, plus an amount equal to all dividends thereon (whether or not earned or declared) accumulated but unpaid to the date of final distribution in same-day funds, together with any payments required to be made pursuant to Section 12 in connection with the liquidation of the Fund.

(b) Neither the sale of all or substantially all the property or business of the Fund, nor the merger or consolidation of the Fund into or with any other corporation nor the merger or consolidation of any other corporation into or with the Fund shall be a dissolution, liquidation or winding up, whether voluntary or involuntary, for the purposes of this Section 6.

(c) After the payment to the Holders of the APS of the full preferential amounts provided for in this Section 6, the Holders of the APS as such shall have no right or claim to any of the remaining assets of the Fund.

(d) In the event the assets of the Fund available for distribution to the Holders of the APS upon any dissolution, liquidation or winding up of the affairs of the Fund, whether voluntary or involuntary, shall be insufficient to pay in full all amounts to which such Holders are entitled pursuant to paragraph (a) of this Section 6, no such distribution shall be made on account of any shares of any other class or series of Preferred Shares ranking on a parity with the APS with respect to the distribution of assets upon such dissolution, liquidation or winding up unless proportionate distributive amounts shall be paid on account of the APS, ratably, in proportion to the full distributable amounts for which holders of all such parity shares are respectively entitled upon such dissolution, liquidation or winding up.

(e) Subject to the rights of the holders of shares of any series or class

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

or classes of shares ranking on a parity with the APS with respect to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, after payment shall have been made in full to the Holders of the APS as provided in paragraph (a) of this Section 6, but not prior thereto, any other series or class or classes of shares ranking junior to the APS with respect to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund shall, subject to the respective terms and provisions (if any) applying thereto, be entitled to receive any and all assets remaining to be paid or distributed, and the Holders of the APS shall not be entitled to share therein.

7. Auction Agent. For so long as any of the APS is outstanding, the Auction Agent, duly appointed by the Fund to so act, shall be in each case a commercial bank, trust company or other financial institution independent of the Fund and its

16

affiliates (which, however, may engage or have engaged in business transactions with the Fund or its affiliates) and at no time shall the Fund or any of its affiliates act as the Auction Agent in connection with the Auction Procedures. If the Auction Agent resigns or for any reason its appointment is terminated during any period that any of the APS is outstanding, the Board of Trustees shall use its best efforts promptly thereafter to appoint another qualified commercial bank, trust company or financial institution to act as the Auction Agent.

8. 1940 Act APS Asset Coverage. The Fund shall maintain, as of the last Business Day of each month in which any of the APS is outstanding, the 1940 Act APS Asset Coverage.

9. APS Basic Maintenance Amount. (a) So long as APS are Outstanding, the Fund shall maintain, on each Valuation Date, and shall verify to its satisfaction that it is maintaining on such Valuation Date, (i) S&P Eligible Assets having an aggregate Discounted Value equal to or greater than the APS Basic Maintenance Amount (if S&P is then rating the APS) and (ii) Moody's Eligible Assets having an aggregate Discounted Value equal to or greater than the APS Basic Maintenance Amount (if Moody's is then rating the APS). In managing the Fund's portfolio, the Adviser will not alter the composition of the Fund's portfolio if, in the reasonable belief of the Adviser, the effect of any such alteration would be to cause the Fund to have Eligible Assets with an aggregate Discounted Value, as of the immediately preceding Valuation Date, less than the APS Basic Maintenance Amount as of such Valuation Date; provided, however, that in the event that, as of the immediately preceding Valuation Date, the aggregate Discounted Value of the Fund's Eligible Assets exceeded the APS Basic Maintenance Amount by five percent or less, the Adviser will not alter the composition of the Fund's portfolio in a manner reasonably expected to reduce the aggregate Discounted Value of the Fund's Eligible Assets unless the Corporation shall have confirmed that, after giving effect to such alteration, the aggregate Discounted Value of the Fund's Eligible Assets would exceed the APS Basic Maintenance Amount.

(b) On or before 5:00 P.M., New York City time, on the third Business Day after a Valuation Date on which the Fund fails to satisfy the APS Basic Maintenance Amount, and on the third Business Day after the APS Basic Maintenance Cure Date with respect to such Valuation Date, the Fund shall complete and deliver to S&P (if S&P is then rating the APS), Moody's (if Moody's is then rating the APS) and the Auction Agent (if either S&P or Moody's is then rating the APS) an APS Basic Maintenance Report as of the date of such failure or such APS Basic Maintenance Cure Date, as the case may be, which will be

deemed to have been delivered to the Auction Agent if the Auction Agent receives a copy or telecopy, telex or other electronic transcription thereof and on the same day the Fund mails to the Auction Agent for delivery on the next Business Day the full APS Basic Maintenance Report. The Fund shall also deliver an APS Basic Maintenance Report to S&P (if S&P is then rating the APS), and the Auction Agent (if S&P is then rating the APS) as of (i) the fifteenth day of each month (or, if such day is not a Business Day, the next succeeding Business Day) and (ii) the last Business Day of each month, in each case on or before the third Business Day after such day. The Fund will also deliver an APS Basic Maintenance Report to Moody's

17

on any Valuation Date that (i) the Discounted Value of Moody's Eligible Assets, is greater than the APS Basic Maintenance Amount by 5% or less or (ii) on any date which the Fund redeems Common Shares. A failure by the Fund to deliver an APS Basic Maintenance Report under subparagraph (b) of this Section 9 shall be deemed to be delivery of an APS Basic Maintenance Report indicating the Discounted Value for all assets of the Fund is less than the APS Basic Maintenance Amount, as of the relevant Valuation Date.

(c) Within ten Business Days after the date of delivery of an APS Basic Maintenance Report in accordance with paragraph (b) of this Section 9 relating to a Quarterly Valuation Date, the Fund shall cause the Independent Accountant to confirm in writing to S&P (if S&P is then rating the APS), Moody's (if Moody's is then rating the APS) and the Auction Agent (if either S&P or Moody's is then rating the APS) (i) the mathematical accuracy of the calculations reflected in such Report (and in any other APS Basic Maintenance Report, randomly selected by the Independent Accountant, that was delivered by the Fund during the quarter ending on such Quarterly Valuation Date) and (ii) that, in such Report (and in such randomly selected Report), the Fund determined in accordance with this Certificate of Vote whether the Fund had, at such Quarterly Valuation Date (and at the Valuation Date addressed in such randomly-selected Report), S&P Eligible Assets (if S&P is then rating the APS) of an aggregate Discounted Value at least equal to the APS Basic Maintenance Amount and Moody's Eligible Assets (if Moody's is then rating the APS) of an aggregate Discounted Value at least equal to the APS Basic Maintenance Amount (such confirmation being herein called the "Accountant's Confirmation").

(d) Within ten Business Days after the date of delivery of an APS Basic Maintenance Report in accordance with paragraph (b) of this Section 9 relating to any Valuation Date on which the Fund failed to satisfy the APS Basic Maintenance Amount, and relating to the APS Basic Maintenance Cure Date with respect to such failure to exceed or equal the APS Basic Maintenance Amount, the Fund shall cause the Independent Accountant to provide to S&P (if S&P is then rating the APS), Moody's (if Moody's is then rating the APS) and the Auction Agent (if either S&P or Moody's is then rating the APS) an Accountant's Confirmation as to such APS Basic Maintenance Report.

(e) If any Accountant's Confirmation delivered pursuant to subparagraph (c) or (d) of this Section 9 shows that an error was made in the APS Basic Maintenance Report for a particular Valuation Date for which such Accountant's Confirmation was required to be delivered, or shows that a lower aggregate Discounted Value for the aggregate of all S&P Eligible Assets (if S&P is then rating the APS) or Moody's Eligible Assets (if Moody's is then rating the APS), as the case may be, of the Fund was determined by the Independent Accountant, the calculation or determination made by such Independent Accountant shall be final and conclusive and shall be binding on the Fund, and the Fund shall accordingly amend and deliver the APS Basic Maintenance Report to S&P (if S&P is then rating the APS), Moody's (if Moody's is then rating the APS) and the

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Auction Agent (if either S&P or Moody's is then rating the APS) promptly following receipt by the Fund of such Accountant's Confirmation.

18

(f) On or before 5:00 p.m., New York City time, on the first Business Day after the Date of Original Issue of the APS, the Fund shall complete and deliver to S&P (if S&P is then rating the APS) and to Moody's (if Moody's is then rating the APS), an APS Basic Maintenance Report as of the close of business on such Date of Original Issue. Within five Business Days of such Date of Original Issue, the Fund shall cause the Independent Accountant to confirm in writing to S&P (if S&P is then rating the APS) and to Moody's (if Moody's is then rating the APS) (i) the mathematical accuracy of the calculations reflected in such Report and (ii) that the amount of S&P Eligible Assets or Moody's Eligible Assets, as the case may be, reflected thereon equals or exceeds the APS Basic Maintenance Amount reflected thereon.

10. Minimum Liquidity Level. So long as S&P is rating the APS, the Fund shall have, as of each Valuation Date, Dividend Coverage Assets, with respect to each then Outstanding share of each series of APS, having a value not less than the Dividend Coverage Amount with respect to such share (the "Minimum Liquidity Level"). If, as of each Valuation Date, the Fund does not have the required Dividend Coverage Assets, the Fund shall, as soon as practicable, adjust its portfolio in order to meet the Minimum Liquidity Level, but only so long as S&P is rating the APS. So long as S&P is rating the APS, the Fund shall notify S&P on any Valuation Date which the Fund does not have the required Dividend Coverage Assets and does not adjust its portfolio as described in the immediately preceding sentence.

11. Restrictions on Certain Distributions. For so long as any of the APS is Outstanding, and except as set forth in Sections 2(e) and 6(d) of this Part I, (A) the Fund shall not declare, pay or set apart for payment any dividend or other distribution (other than a dividend or distribution paid in shares of, or options, warrants or rights to subscribe for or purchase, Common Shares or other shares, if any, ranking junior to the APS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up) in respect of the Common Shares or any other shares of the Fund ranking junior to or on a parity with the APS as to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up, or call for redemption, redeem, purchase or otherwise acquire for consideration any Common Shares or any other such junior shares (except by conversion into or exchange for shares of the Fund ranking junior to the APS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up), or any such parity shares (except by conversion into or exchange for shares of the Fund ranking junior to or on a parity with APS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up), unless (i) full cumulative dividends on shares of each series of APS through its most recently ended Dividend Period shall have been paid or shall have been declared and sufficient funds for the payment thereof deposited with the Auction Agent and (ii) the Fund has redeemed the full number of shares of each series of APS required to be redeemed by any provision for mandatory redemption pertaining thereto, and (B) if either Moody's or S&P is rating the APS, the Fund shall not declare, pay or set apart for payment any dividend or other distribution (other than a dividend or distribution paid in shares of, or options, warrants or rights to subscribe for or purchase, Common Shares or other shares, if any, ranking junior to the APS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up) in respect of

19

Common Shares or any other shares of the Fund ranking junior to the APS as to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up, or call for redemption, redeem, purchase or otherwise acquire for consideration any shares of Common Shares or any other such junior shares (except by conversion into or exchange for shares of the Fund ranking junior to the APS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up), unless immediately after such transaction the Discounted Value of Moody's Eligible Assets and S&P Eligible Assets would each at least equal the APS Basic Maintenance Amount.

12. Additional Dividends. If the Fund retroactively allocates any net capital gains or other income taxable for federal income tax purposes to the APS without having given advance notice thereof to the Auction Agent as provided in Section 6 of Part II by reason of the fact that such allocation is made as a result of (i) the realization of net capital gains or other income taxable for federal income tax purposes, (ii) the redemption of all or a portion of the outstanding APS or (iii) the liquidation of the Fund (such allocation being referred to herein as a "Retroactive Taxable Allocation"), the Fund will simultaneously, if practicable, with such allocation but in no event later than 270 days after the end of the Fund's taxable year in which a Retroactive Taxable Allocation is made, provide notice thereof to the Auction Agent and to each Holder of such shares during such taxable year at such Holder's address as the same appears or last appeared on the share books of the Fund. Such Holders of such shares shall be entitled to receive, when, as and if declared by the Board of Trustees, out of funds legally available therefor, dividends in an amount equal to the aggregate Additional Dividends with respect to all Retroactive Taxable Allocations made to such shares during the taxable year in question, such dividends to be payable by the Fund to the Auction Agent, for distribution to such Holders, within 30 days after the notice described above is given to the Auction Agent.

13. Certain Other Restrictions. (a) For so long as any of the APS is outstanding and Moody's is then rating such shares, the Fund will not, unless it has received written confirmation from Moody's that any such action would not impair the ratings then assigned by Moody's to the APS, engage in any one or more of the following transactions:

(i) transactions in options on securities, futures contracts or options on futures contracts except that in connection with Moody's Hedging Transactions: (A) the Fund may buy call or put option contracts on securities; (B) the Fund may write covered call options on securities; (C) the Fund may write put options on securities; (D) the Fund may enter into positions in futures contracts based on the Municipal Index provided that the Fund shall not engage in any such transaction which would cause the Fund at the time of such transaction to own or have sold (1) outstanding futures contracts based on the Municipal Index exceeding in number 10% of the rolling average number of daily traded futures contracts based on the Municipal Index in the 30 calendar days prior to the time of effecting such transaction as reported by The Wall Street Journal or (2) outstanding futures contracts based on the Municipal Index and options on such futures contracts having an aggregate fair market value (taking into account the fair market value of futures contracts based on Treasury Bonds) exceeding

the fair market value of Moody's Eligible Assets owned by the Fund; (E) the Fund may enter into futures contracts on Treasury Bonds provided that the Fund shall not engage in any such transaction which would cause the Fund at the time of

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

such transaction to own or have sold (1) outstanding futures contracts based on Treasury Bonds and options on such futures contracts having an aggregate fair market value (taking into account the fair market value of futures contracts based on the Municipal Index) exceeding 40% of the aggregate fair market value of Moody's Eligible Assets owned by the Fund and rated Aa by Moody's (or, if not rated by Moody's but rated by S&P, rated AAA by S&P) or (2) outstanding futures contracts based on Treasury Bonds and options on such futures contracts having an aggregate fair market value (taking into account the fair market value of futures contracts based on the Municipal Index) exceeding 80% of the aggregate fair market value of Moody's Eligible Assets owned by the Fund and rated Baa or A by Moody's (or, if not rated by Moody's but rated by S&P, rated A or AA by S&P); for purposes of the foregoing clauses (D) and (E), the Fund shall be deemed to own the number of futures contracts that underlie any outstanding option written by the Fund; and (F) the Fund may buy call or put options on futures contracts on the Municipal Index or Treasury Bonds, may write put options on such futures contracts (provided, that if the contract would require delivery of a security, that security must be held by the Fund) and may write call options on such futures if it owns the futures contract subject to the option. For so long as the APS are rated by Moody's, the Fund will engage in Closing Transactions to close out any outstanding futures contract based on the Municipal Index if the open interest with respect to such futures contracts based on the Municipal Index as reported by The Wall Street Journal is less than 5,000. For so long as the APS are rated by Moody's, the Fund will engage in a Closing Transaction to close out any outstanding futures contract by no later than the fifth Business Day of the month in which such contract expires and will engage in a Closing Transaction to close out any outstanding option on a futures contract by no later than the first Business Day of the month in which such option expires. For so long as the APS are rated by Moody's, the Fund will engage in transactions with respect to futures contracts or options thereon having only the next settlement date or the settlement date immediately thereafter. For purposes of valuation of Moody's Eligible Assets: (A) if the Fund writes a call option, the underlying asset will be valued as follows: (1) if the option is exchange-traded and may be offset readily or if the option expires before the earliest possible redemption of the APS, at the lower of the Discounted Value of the underlying security of the option and the exercise price of the option or (2) otherwise, it has no value; (B) if the Fund writes a put option, the underlying asset will be valued as follows: the lesser of (1) exercise price and (2) the Discounted Value of the underlying security; (C) if the Fund is a seller under a futures contract, the underlying security will be valued at the lower of (1) settlement price and (2) the Discounted Value of the underlying security; if a contract matures within the Moody's Exposure Period, the security may be valued at the settlement price; (D) if the Fund is the buyer under a futures contract, the underlying security will be valued at the lower of (1) the settlement price and (2) the Discounted Value of the underlying security; if the contract matures within the Moody's Exposure Period, the security may be valued at its Discounted Value and (E) call or put option contracts which the Fund buys have no value. For so long as APS are rated by Moody's: (A) the Fund will not engage in options and futures transactions for leveraging or speculative purposes; (B) the Fund will not

write or sell any anticipatory contracts pursuant to which the Fund hedges the anticipated purchase of an asset prior to completion of such purchase; (C) the Fund will not enter into an option or futures transaction unless, after giving effect thereto, the Fund would continue to have Moody's Eligible Assets with an aggregate Discounted Value equal to or greater than the APS Basic Maintenance Amount; (D) the Fund will not enter into an option or futures transaction unless after giving effect to such transaction the fund would continue to be in compliance with the provisions relating to the APS Basic Maintenance Amount; (E)

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

for purposes of the APS Basic Maintenance Amount (1) assets in margin accounts are not Moody's Eligible Assets, (2) 10% of the settlement price of assets sold under a futures contract, the settlement price of assets purchased under a futures contract, the settlement price of an underlying futures contract if the Fund writes put options on futures contracts will constitute liabilities of the Fund and (3) if the Fund writes call options on futures contracts and does not own the underlying futures contract, 105% of the Market Value of the underlying futures contract will constitute a liability of the Fund; (F) the Fund shall enter into only exchange-traded futures and shall write only exchange-traded options on exchanges approved by Moody's; (G) where delivery may be made to the Fund with any of a class of securities, the Fund shall assume for purposes of the APS Basic Maintenance Amount that it takes delivery of that security which yields it the least value; (H) the Fund will not engage in forward contracts; (I) the Fund will enter into futures contracts as seller only if it owns the underlying security; and (J) there shall be a quarterly audit made of the Fund's futures and options transactions by the Fund's independent accountants to confirm that the Fund is in compliance with these standards; or

(ii) incur any indebtedness, without prior written approval of Moody's that such indebtedness would not adversely affect the then current rating by Moody's of the APS except that the Fund may, without obtaining the written confirmation described above, incur indebtedness for the purpose of clearing securities transactions if the APS Basic Maintenance Amount would continue to be satisfied after giving effect to such indebtedness; provided, however, that any such indebtedness shall be repaid within 60 days and will not be extended or renewed; or

(iii) issue any class or series of shares ranking prior to or on a parity with the APS with respect to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up of the Fund, or reissue any APS previously purchased or redeemed by the Fund; or

(b) For so long as any of the APS is Outstanding and S&P is rating such shares, the Fund will not, unless the Fund has received written confirmation from S&P that any such action would not impair the rating then assigned by such rating agency to the APS, engage in any one or more of the following transactions:

(i) transactions in any reverse repurchase agreements; or

(ii) lend portfolio securities; or

22

(iii) borrow money, except that the Fund may, without obtaining the written confirmation described above, borrow money for the purposes of clearing securities transactions if the APS Basic Maintenance Amount would continue to be satisfied after giving effect to such borrowing; or

(iv) issue any class or series of shares ranking prior to or on a parity with the APS with respect to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up of the Fund, or reissue any APS previously purchased or redeemed by the Fund, or merge or consolidate with any corporation; or

(v) engage in repurchase agreement transactions in which the term of such repurchase obligation is longer than 90 days, in which the underlying security is a security other than United States treasury securities (not inclusive of zero-coupon securities), demand deposits, certificates of deposits or bankers acceptance in which the counter-party or its affiliates have

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

securities rated A-1+ by S&P with respect to such underlying security; or

(vi) engage in short sale transactions; or

(vii) purchase or sell futures contracts or options thereon or write uncovered put or uncovered call options on portfolio securities except that (A) the Fund may engage in any S&P Hedging Transactions based on the Municipal Index, provided that the Fund shall not engage in any S&P Hedging Transaction based on the Municipal Index (other than Closing Transactions) which would cause the Fund at the time of such transaction to own or have sold the least of (1) more than 1,000 outstanding futures contracts based on the Municipal Index, (2) outstanding futures contracts based on the Municipal Index and on the Treasury Bonds exceeding in number 25% of the quotient of the fair market value of the Fund's total assets divided by 100,000 or (3) outstanding futures contracts based on the Municipal Index exceeding in number 10% of the average number of daily traded futures contracts based on the Municipal Index in the month prior to the time of effecting such transaction as reported by The Wall Street Journal and (B) the Fund may engage in S&P Hedging Transactions based on Treasury Bonds, provided that the Fund shall not engage in any S&P Hedging Transaction based on Treasury Bonds (other than Closing Transactions) which would cause the Fund at the time of such transaction to own or have sold the lesser of (1) outstanding futures contracts based on Treasury Bonds and on the Municipal Index exceeding in number 25% of the quotient of the fair market value of the Fund's total assets divided by 100,000 or (2) outstanding futures contracts based on Treasury Bonds exceeding in number 10% of the average number of daily traded futures contracts based on Treasury Bonds in the month prior to the time of effecting such transaction as reported by The Wall Street Journal. For so

23

long as the APS are rated by S&P, the Fund will engage in Closing Transactions to close out any outstanding futures contracts which the Fund owns or has sold or any outstanding option thereon owned by the Fund in the event (A) the Fund does not have S&P Eligible Assets with an aggregate Discounted Value equal to or greater than the APS Basic Maintenance Amount on two consecutive Valuation Dates and (B) the Fund is required to pay Variation Margin on the second such Valuation Date. For so long as the APS are rated by S&P, the Fund will engage in a Closing Transaction to close out any outstanding futures contract or option thereon in the month prior to the delivery month under the terms of such futures contract or option thereon unless the Fund holds securities deliverable under such terms. For purposes of determining S&P Eligible Assets to determine compliance with the APS Basic Maintenance Amount, no amounts on deposit with the Fund's custodian or broker representing Initial Margin or Variation Margin shall constitute S&P Eligible Assets. For so long as the APS are rated by S&P, when the Fund writes a futures contract or option thereon, it will maintain an amount of cash, cash equivalents or short-term, money market securities in a segregated account with the Fund's custodian, so that the amount so segregated plus the amount of Initial Margin and Variation Margin held in the account of the Fund's broker equals the fair market value of the futures contract, except that in the event the Fund writes a futures contract or option thereon which requires delivery of an underlying security, the Fund shall hold such underlying security.

14. Notice. All notices or communications, unless otherwise specified in the By-Laws of the Fund or this Certificate of Vote, shall be sufficiently given if in writing and delivered in person or mailed by first-class mail, postage prepaid. Notice shall be deemed given on the earlier of the date received or the date seven days after which such notice is mailed.

15. Definitions. As used in Parts I and II hereof, the following terms

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

shall have the following meanings (with terms defined in the singular having comparable meanings when used in the plural and vice versa), unless the context otherwise requires:

"AA' Composite Commercial Paper Rate," on any date for any Rate Period, shall mean (i) (A) in the case of any Minimum Dividend Period or any Rate Period between 7 and 28 Rate Period Days, the interest equivalent of the 30-day rate; provided, however, in the case of any Minimum Dividend Period of 7 days or any Rate Period with 7 Rate Period Days and the "AA" Composite Commercial Paper Rate is being used to determine the Applicable Rate when all of the Outstanding APS are subject to Submitted Hold Orders, then the interest equivalent of the 7-day rate, and (B) in the case of any Rate Period with more than 28 Rate Period Days, the interest equivalent of the 180-day rate, on commercial paper placed on behalf of issuers whose corporate bonds are rated "AA" by S&P or the equivalent of such rating by S&P or another rating agency, as made available on a discount basis or otherwise by the Federal Reserve Bank of New York for the Business Day immediately preceding such date; or (ii) in the event that the Federal Reserve Bank of New York does not make available any such rate, then the arithmetic average of such rates, as quoted on a discount basis or otherwise, by the Commercial Paper Dealers to the Auction Agent for the close of business on the Business Day next preceding such date. If any Commercial Paper Dealer does not quote a rate required to determine the "AA" Composite Commercial Paper Rate, the "AA" Composite Commercial Paper Rate shall be determined on the basis of the quotation or quotations furnished by the remaining Commercial Paper Dealer or Commercial Paper Dealers and any Substitute Commercial Paper Dealer or Substitute Commercial Paper Dealers selected by the Fund to provide such rate or rates not being supplied by any Commercial Paper Dealer or Commercial Paper Dealers, as the case may be, or, if the Fund does not

24

select any such Substitute Commercial Paper Dealer or Substitute Commercial Paper Dealers, by the remaining Commercial Paper Dealer or Commercial Paper Dealers. For purposes of this definition, the "interest equivalent" of a rate stated on a discount basis (a "discount rate") for commercial paper of a given days' maturity shall be equal to the quotient (rounded upwards to the next higher one-thousandth (.001) of 1%) of (A) the discount rate divided by (B) the difference between (x) 1.00 and (y) a fraction the numerator of which shall be the product of the discount rate times the number of days in which such commercial paper matures and the denominator of which shall be 360.

"Accountant's Confirmation" shall have the meaning set forth in paragraph (c) of Section 9 of this Part I.

"Additional Dividends" means payment to a Holder of APS of an amount which, when taken together with the aggregate amount of Retroactive Taxable Allocations made to such Holder with respect to the taxable year in question, would cause such Holder's dividends in dollars (after federal income tax consequences) from the aggregate of both the Retroactive Taxable Allocations and the Additional Dividends to be equal to the dollar amount of the dividends which would have been received by such Holder if the amount of the aggregate Retroactive Taxable Allocations would have been excludable from the gross income of such Holder. Such Additional Dividends shall be calculated (i) without consideration being given to the time value of money; (ii) assuming that no Holder of APS is subject to the federal alternative minimum tax with respect to dividends received from the Fund; and (iii) assuming that each Retroactive Taxable Allocation would be taxable in the hands of each Holder of APS at the maximum marginal regular federal individual income tax rate applicable to ordinary income or net capital gains, as applicable, or the maximum marginal regular federal corporate income tax rate, whichever is greater, in effect during the taxable year in question.

25

the Fund's transactions in futures and options and including any payables for municipal securities purchased as of such Valuation Date) less (ii) either (A) the face value of any of the Fund's assets irrevocably deposited by the Fund for the payment of any of (i) (A) through (i) (G) if such assets mature prior to or on the date of payment of the liability for which such assets are deposited and are either securities issued or guaranteed by the United States Government or have a rating assigned by Moody's of P-1, VMIG-1 or MIG-1 (or, with respect to S&P, SP-1+ or A-1+) or (B) the Discounted Value of such assets. For purposes of the APS Basic Maintenance Amount in connection with S&P's ratings of the APS, with respect to any transactions by the Fund in futures contracts, the Fund shall include as liabilities (i) 30% of the aggregate settlement value, as marked to market, of any outstanding futures contracts based on the Municipal Index which are owned by the Fund plus (ii) 25% of the aggregate settlement value, as marked to market, of any outstanding futures contracts based on Treasury Bonds which contracts are owned by the Fund. Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

to purchase:

(B) such number or a lesser number of Outstanding shares of such series of APS as set forth in clause (v) of paragraph (a) of Section 5 of this Part II if the Applicable Rate for such series determined on such Auction Date shall be equal to the rate specified therein.

(c) No Order for any number of shares of any series of APS other than whole shares shall be valid.

3. Submission of Orders by Broker-Dealers to Auction Agent. (a) Each Broker-Dealer shall submit in writing to the Auction Agent prior to the Submission Deadline on each Auction Date all Orders for shares of any series of APS subject to an Auction on such Auction Date obtained by such Broker-Dealer and shall specify with respect to each Order for such shares:

(i) the name of the Bidder placing such Order;

(ii) the aggregate number of shares of such series of APS that are the subject of such Order;

(iii) to the extent that such Bidder is an Existing Holder of shares of such series of APS:

43

(A) the number of shares, if any, of such series of APS subject to any Hold Order placed by such Existing Holder;

(B) the number of shares, if any, of such series of APS subject to any Bid placed by such Existing Holder and the rate specified in such Bid; and

(C) the number of shares, if any, of such series of APS subject to any Sell Order placed by such Existing Holder; and

(c) If an Order or Orders covering all of the Outstanding shares of any series of APS held by any Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Holder covering the number of Outstanding shares of such series of APS held by such Existing Holder and not subject to Orders submitted to the Auction Agent.

(d) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the number of

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Outstanding shares of any series of APS subject to an Auction held by such Existing Holder, such Orders shall be considered valid in the following order of priority:

(i) all Hold Orders for shares of such series of APS shall be considered valid, but only up to and including in the aggregate the number of Outstanding shares of such series of APS held by such Existing Holder, and if the number of shares of such series of APS subject to such Hold Orders exceeds the number of Outstanding shares of such series of APS held by such Existing Holder, the number of shares subject to each such Hold Order shall be reduced pro rata to cover the number of Outstanding shares of such series of APS held by such Existing Holder;

(ii) (A) any Bid for shares of such series of APS shall be considered valid up to and including the excess of the number of Outstanding shares of such series of APS held by such Existing Holder over the number of shares of such series of APS subject to any Hold Orders referred to in clause (i) above;

(B) subject to subclause (A), if more than one Bid for shares of such series of APS with the same rate is submitted on behalf of such Existing Holder and the number of Outstanding shares of such series of APS subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess, and the number of shares of

44

such series of APS subject to each Bid with the same rate shall be reduced pro rata to cover the number of shares of such series of APS equal to such excess;

(C) subject to subclauses (A) and (B), if more than one Bid for shares of such series of APS with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid in the ascending order of their respective rates up to and including the amount of such excess; and

(D) in any such event, the number, if any, of such Outstanding shares of such series of APS subject to any portion of Bids considered not valid in whole or in part under the clause (ii) shall be treated as the subject of a Bid for shares of such series of APS by a Potential Holder at the rate therein specified; and

(iii) all Sell Orders for shares of such series of APS shall be considered valid up to and including the excess of the number of Outstanding shares of such series of APS held by such Existing Holder over the sum of the APS subject to valid Hold Orders referred to in clause (i) above and valid Bids by such Existing Holder referred to in clause (ii) above.

(e) If more than one Bid for one or more shares of any series of APS is submitted on behalf of any Potential Holder, each such Bid submitted shall be a separate Bid with the rate and number of shares therein specified.

(f) An Order submitted by a Broker-Dealer to the Auction Agent prior to the Submission Deadline on any Auction Date shall be irrevocable.

4. Determination of Sufficient Clearing Bids, Winning Bid Rate and

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Applicable Rate. (a) Not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to individually as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, or as a "Submitted Order" and collectively as "Submitted Hold Orders," "Submitted Bids" or "Submitted Sell Orders," as the case may be, or as "Submitted Orders" and shall for each series of APS for which an Auction is being held determine:

(i) the excess of the number of Outstanding shares of such series of APS over the number of Outstanding shares of such series of APS subject to Submitted Hold Orders (such excess being hereinafter referred to as the "Available APS" of such series);

(ii) from the Submitted Orders for such series whether:

45

(A) the number of Outstanding shares of such series of APS subject to Submitted Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Rate for such series

exceeds or is equal to the sum of

(B) the number of Outstanding shares of such series of APS subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Rate for such series; and

(C) the number of Outstanding shares of such series of APS subject to Submitted Sell Orders

(in the event such excess or such equality exists (other than because the number of shares of such series of APS in subclauses (B) and (C) above is zero because all of the Outstanding shares of such series of APS are subject to Submitted Hold Orders), such Submitted Bids in subclause (A) above being hereinafter referred to collectively as "Sufficient Clearing Bids" for such series); and

(iii) if Sufficient Clearing Bids for such series exist, the lowest rate specified in such Submitted Bids (the "Winning Bid Rate" for such series) which if:

(A) (I) each such Submitted Bid from Existing Holders specifying such lowest rate and (II) all other such Submitted Bids from Existing Holders specifying lower rates were rejected, thus entitling such Existing Holders to continue to hold the shares of such series of APS that are subject to such Submitted Bids; and

(B) (I) each such Submitted Bid from Potential Holders specifying such lowest rate and (II) all other such Submitted Bids from Potential Holders specifying lower rates were accepted;

would result in such Existing Holders described in subclause (A) above continuing to hold an aggregate number of Outstanding shares of such series of APS which, when added to the number of Outstanding shares of such series of APS to be purchased by such Potential Holders described in subclause (B) above,

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

would equal not less than the Available APS of such series.

(b) Promptly after the Auction Agent has made the determinations pursuant to paragraph (a) of this Section 4, the Auction Agent shall advise the Fund of the Maximum Rate for each series of APS for which an Auction is being held on the Auction Date and, based on such determination, the Applicable Rate for each such series for the next succeeding Rate Period thereof as follows:

(i) if Sufficient Clearing Bids for such series exist, that the Applicable Rate for such series for the next succeeding Rate Period thereof shall be equal to the Winning Bid Rate for such series to determined;

46

(ii) if Sufficient Clearing Bids for such series do not exist (other than because all of the Outstanding shares of such series of APS are subject to Submitted Hold Orders), that the Applicable Rate for such series for the next succeeding Rate Period, which shall be a Minimum Dividend Period, thereof shall be equal to the Maximum Rate for such series; or

(iii) if all of the Outstanding shares of such series of APS are subject to Submitted Hold Orders, that the Applicable Rate for such series for the next succeeding Rate Period thereof shall be equal to the product of (A) (I) the "AA" Composite Commercial Paper Rate on such Auction Date for such Rate Period, if such Rate Period is less than one year or (II) the Treasury Rate on such Auction Date for such Rate Period, if such Rate Period is one year or greater and (B) 1 minus the maximum marginal regular federal individual income tax rate applicable to ordinary income or the maximum marginal regular federal corporate income tax rate, whichever is greater; provided, however, that if the Fund has notified the Auction Agent of its intent to allocate to the APS in such Rate Period any net capital gains or other income taxable for Federal income tax purposes, the Applicable Rate in respect of that portion of the dividend on the APS for such Rate Period that represents the allocation of net capital gains or other income taxable for Federal income tax purposes shall be the rate described in the preceding clause (A)(I) or (II), as applicable, without being multiplied by the factor set forth in the preceding clause (B).

5. Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Shares. Existing Holders shall continue to hold the APS that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to paragraph (a) of Section 4 of this Part II, the Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other action as set forth below:

(a) If Sufficient Clearing Bids for any series of APS have been made, all Submitted Sell Orders shall be accepted and, subject to the provisions of paragraphs (d) and (e) of this Section 5, Submitted Bids shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids for such series shall be rejected:

(i) Existing Holders' Submitted Bids for shares of such series of APS specifying any rate that is higher than the Winning Bid Rate for such series shall be accepted, thus requiring each such Existing Holder to sell the APS subject to such Submitted Bids;

(ii) Existing Holders' Submitted Bids for shares of such series of APS specifying any rate that is lower than the Winning Bid Rate for such series shall be rejected, thus entitling each such Existing Holder to continue to hold the APS subject to such Submitted Bids;

(iii) Potential Holders' Submitted Bids for shares of such series of APS specifying any rate that is lower than the Winning Bid Rate shall be accepted;

(iv) each Existing Holder's Submitted Bid for shares of such series of APS specifying a rate that is equal to the Winning Bid Rate for such series shall be rejected, thus entitling such Existing Holder to continue to hold the APS subject to such Submitted Bid, unless the number of Outstanding shares of such series of APS subject to all such Submitted Bids shall be greater than the number of shares of such series of APS ("remaining shares") in the excess of the Available APS of such series over the number of the APS subject to Submitted Bids described in clauses (ii) and (iii) of this paragraph (a), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the APS subject to such Submitted Bid, but only in an amount equal to the number of shares of such series of APS obtained by multiplying the number of remaining shares by a fraction, the numerator of which shall be the number of Outstanding shares of such series of APS held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the aggregate number of Outstanding shares of such series of APS subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate for such series; and

(v) each Potential Holder's Submitted Bid for shares of such series of APS specifying a rate that is equal to the Winning Bid Rate for such series shall be accepted but only in an amount equal to the number of shares of such series of APS obtained by multiplying the number of shares in the excess of the Available APS of such series over the number of the APS subject to Submitted Bids described in clauses (ii) through (iv) of this paragraph (a) by a fraction, the numerator of which shall be the number of Outstanding shares of such series of APS subject to such Submitted Bid and the denominator of which shall be the aggregate number of Outstanding shares of such series of APS subject to such Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate for such series; and

(b) If Sufficient Clearing Bids for any series of APS have not been made (other than because all of the Outstanding shares of such series of APS are subject to Submitted Hold Orders), subject to the provisions of paragraph (d) of this Section 5, Submitted Orders for such series shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids for such series shall be rejected:

(i) Existing Holders' Submitted Bids for shares of such series of APS specifying any rate that is equal to or lower than the Maximum Rate for such series shall be rejected, thus entitling such Existing Holders to continue to hold the APS subject to such Submitted Bids;

(ii) Potential Holders' Submitted Bids for shares of such series of APS specifying any rate that is equal to or lower than the Maximum Rate for such series shall be accepted; and

(iii) Each Existing Holder's Submitted Bid for shares of such series of APS specifying any rate that is higher than the Maximum Rate of such series and the Submitted Sell Orders for shares of such series of APS of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted any

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

such Submitted Bid or Submitted Sell Order to sell the shares of such series of APS subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the number of shares of such series of APS obtained by multiplying the number of shares of such series of APS subject to Submitted Bids described in clause (ii) of this paragraph (b) by a fraction, the numerator of which shall be the number of Outstanding shares of such series of APS held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate number of Outstanding shares of such series of APS subject to all such Submitted Bids and Submitted Sell Orders.

(c) If all of the Outstanding shares of any series of APS are subject to Submitted Hold Orders, all Submitted Bids for such series shall be rejected.

(d) If, as a result of the procedures described in clause (iv) or (v) of paragraph (a) or clause (iii) of paragraph (b) of this Section 5, any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a fraction of a share of APS of any series on any Auction Date, the Auction Agent shall, in such manner as it shall determine in its sole discretion, round up or down the number of shares of such series of APS to be purchased or sold by any Existing Holder or Potential Holder on such Auction Date as a result of such procedures so that the number of shares of such series so purchased or sold by each Existing Holder or Potential Holder on such Auction Date shall be whole shares of APS.

(e) If, as a result of the procedures described in clause (v) of paragraph (a) of this Section 5, any Potential Holder would be entitled or required to purchase less than a whole share of any series of APS on any Auction Date, the Auction Agent shall, in such manner as it shall determine in its sole discretion, allocate shares of such series of APS for purchase among Potential Holders so that only whole shares of such series of APS are purchased on such Auction Date as a result of such procedures by any Potential Holder, even if such allocation results in one or more Potential Holders not purchasing the APS on such Auction Date.

(f) Based on the results of each Auction for a series of APS, the Auction Agent shall determine the aggregate number of shares of such series of APS to be purchased and the aggregate number of shares of such series of APS to be sold by Potential Holders and Existing Holders on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker-Dealer, to the extent that such aggregate number of shares to be purchased and such aggregate number of shares to be sold differ, determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers of shares of such series of APS such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers of shares of such series of APS such Broker-Dealer shall receive, as the case may be, shares of such series of APS.

6. Notification of Allocations. In normal circumstances, whenever the Fund intends to include any net capital gains or other income taxable for Federal income tax purposes in any dividend on the APS, the Fund will notify the Auction Agent of the amount to be so included 15 days prior to the Auction Date on which the Applicable Rate for such dividend is to be established. Whenever the Auction Agent receives such notice from the Fund, it will in turn notify each Broker-Dealer, who, on or prior to such Auction Date, in accordance with its Broker-Dealer Agreement, will notify its Existing Holders and Potential Holders believed by it to be interested in submitting an Order in the Auction to be held on such Auction Date.

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

7. Miscellaneous. (a) To the extent permitted by applicable law, the Board of Trustees may interpret or adjust the provisions of this Certificate of Vote to resolve any inconsistency or ambiguity or to remedy any formal defect, and may amend this Certificate of Vote with respect to any series of APS prior to the issuance of such series.

(a) An Existing Holder may sell, transfer or otherwise dispose of the APS only in whole shares and only pursuant to a Bid or Sell Order in accordance with the procedures described in this Part II or to or through a Broker-Dealer or to a Person that has delivered a signed copy of a Master Purchaser's Letter to the Auction Agent; provided that, in the case of all transfers other than pursuant to Auctions, such Existing Holder, its Broker-Dealer or its Agent Member advises the Auction Agent of such transfer.

(b) All of the shares of each series of APS outstanding from time to time shall be represented by one global certificate registered in the name of the Securities Depository or its nominee.

(c) Neither the Fund nor any affiliate thereof may submit an Order in any Auction, except that any Broker-Dealer that is an affiliate of the Fund may submit Orders in an Auction, but only if such Orders are not for its own account.

MORGAN STANLEY INVESTMENT MANAGEMENT
PROXY VOTING POLICY AND PROCEDURES

IV. POLICY STATEMENT

Introduction -- Morgan Stanley Investment Management's ("MSIM") policy and procedures for voting proxies ("Proxy Voting Policy and Procedures") with respect to securities held in the accounts of clients apply to those MSIM entities that provide discretionary investment management services and for which a MSIM entity has authority to vote proxies. The policies and procedures and general guidelines in this section will be reviewed and updated, as necessary, to address new or revised proxy voting issues. The MSIM entities covered by these policies and procedures currently include the following: Morgan Stanley Investment Advisors Inc., Morgan Stanley AIP GP LP, Morgan Stanley Investment Management Inc., Morgan Stanley Investment Management Limited, Morgan Stanley

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

Investment Management Company, Morgan Stanley Asset & Investment Trust Management Co., Limited, Morgan Stanley Investment Management Private Limited, Morgan Stanley Hedge Fund Partners GP LP, Morgan Stanley Hedge Fund Partners LP, Van Kampen Asset Management, and Van Kampen Advisors Inc. (each a "MSIM Affiliate" and collectively referred to as the "MSIM Affiliates").

Each MSIM Affiliate will use its best efforts to vote proxies as part of its authority to manage, acquire and dispose of account assets. With respect to the MSIM registered management investment companies (Van Kampen, Institutional and Advisor Funds) (collectively referred to as the "MSIM Funds"), each MSIM Affiliate will vote proxies pursuant to authority granted under its applicable investment advisory agreement or, in the absence of such authority, as authorized by the Boards of Directors or Trustees of the MSIM Funds. A MSIM Affiliate will not vote proxies if the "named fiduciary" for an ERISA account has reserved the authority for itself, or in the case of an account not governed by ERISA, the Investment Management or Investment Advisory Agreement does not authorize the MSIM Affiliate to vote proxies. MSIM Affiliates will, in a prudent and diligent manner, vote proxies in the best interests of clients, including beneficiaries of and participants in a client's benefit plan(s) for which the MSIM Affiliates manage assets, consistent with the objective of maximizing long-term investment returns ("Client Proxy Standard"). In certain situations, a client or its fiduciary may provide a MSIM Affiliate with a proxy voting policy. In these situations, the MSIM Affiliate will comply with the client's policy unless to do so would be inconsistent with applicable laws or regulations or the MSIM Affiliate's fiduciary responsibility.

Proxy Research Services -- To assist the MSIM Affiliates in their responsibility for voting proxies and the overall global proxy voting process, Institutional Shareholder Services ("ISS") and the Investor Responsibility Research Center ("IRRC") have been retained as experts in the proxy voting and corporate governance area. ISS and IRRC are independent advisers that specialize in providing a variety of fiduciary-level proxy-related services to institutional investment managers, plan sponsors, custodians, consultants, and other institutional investors. The services provided to MSIM Affiliates include in-depth research, global issuer analysis, and voting recommendations. While the MSIM Affiliates may review and utilize the ISS and IRRC recommendations in making proxy voting decisions, they are in no way obligated to follow the ISS and IRRC recommendations. In addition to research, ISS provides vote execution, reporting, and recordkeeping. MSIM's Proxy Review Committee (see Section IV.A. below) will carefully monitor and supervise the services provided by the proxy research services.

G-1

Voting Proxies for Certain Non-US Companies -- While the proxy voting process is well established in the United States and other developed markets with a number of tools and services available to assist an investment manager, voting proxies of non-US companies located in certain jurisdictions, particularly emerging markets, may involve a number of problems that may restrict or prevent a MSIM Affiliate's ability to vote such proxies. These problems include, but are not limited to: (i) proxy statements and ballots being written in a language other than English; (ii) untimely and/or inadequate notice of shareholder meetings; (iii) restrictions on the ability of holders outside the issuer's jurisdiction of organization to exercise votes; (iv) requirements to vote proxies in person, (v) the imposition of restrictions on the sale of the securities for a period of time in proximity to the shareholder meeting; and (vi) requirements to provide local agents with power of attorney to facilitate

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

the MSIM Affiliate's voting instructions. As a result, clients' non-U.S. proxies will be voted on a best efforts basis only, after weighing the costs and benefits of voting such proxies, consistent with the Client Proxy Standard. ISS has been retained to provide assistance to the MSIM Affiliates in connection with voting their clients' non-US proxies.

III. GENERAL PROXY VOTING GUIDELINES

To ensure consistency in voting proxies on behalf of its clients, MSIM Affiliates will follow (subject to any exception set forth herein) these Proxy Voting Policies and Procedures, including the guidelines set forth below. These guidelines address a broad range of issues, including board size and composition, executive compensation, anti-takeover proposals, capital structure proposals and social responsibility issues and are meant to be general voting parameters on issues that arise most frequently. The MSIM Affiliates, however, may, pursuant to the procedures set forth in Section IV. below, vote in a manner that is not in accordance with the following general guidelines, provided the vote is approved by the Proxy Review Committee and is consistent with the Client Proxy Standard.

- o Proposals for confidential voting and independent tabulation of voting results.

- o Proposals related to the conduct of the annual meeting except those proposals that relate to the "transaction of such other business which may come before the meeting."
2. Election of Directors. In situations where no conflict exists, and where no specific governance deficiency has been noted, unless otherwise determined by the Proxy Review Committee, will be voted in support of nominees of management.

Unless otherwise determined by the Proxy Review Committee, a withhold vote will be made where:

- (i) A nominee has, or any time during the previous three years had, a relationship with the issuer (e.g., investment banker, counsel or other professional service provider, or familial relationship with a senior officer of the issuer) that may impair his or her independence;
 - (ii) A direct conflict exists between the interests of the nominee and the public shareholders; or
 - (iii) Where the nominees standing for election have not taken action to implement generally accepted governance practices for which there is a "bright line" test. These would include elimination of dead hand or slow hand poison pills, requiring Audit, Compensation or Nominating Committees to be composed of independent directors and requiring a majority independent board.
3. The following non-routine proposals, which potentially may have a substantive financial or best interest impact on a shareholder, unless otherwise determined by the Proxy Review Committee, will be voted in support of management.

CAPITALIZATION CHANGES

- o Proposals relating to capitalization changes that eliminate other classes of stock and voting rights.
- o Proposals to increase the authorization of existing classes of common stock (or securities convertible into common stock) if. (i) a clear and legitimate business purpose is stated; (ii) the number of shares requested

G-3

is reasonable in relation to the purpose for which authorization is requested; and (iii) the authorization does not exceed 100% of shares currently authorized and at least 30% of the new authorization will be outstanding.

- o Proposals to create a new class of preferred stock or for issuances of preferred stock up to 50% of issued capital.
- o Proposals for share repurchase plans.
- o Proposals to reduce the number of authorized shares of common or preferred stock, or to eliminate classes of preferred stock.
- o Proposals to effect stock splits.
- o Proposals to effect reverse stock splits if management proportionately reduces the authorized share amount set forth in the corporate charter. Reverse stock splits that do not adjust proportionately to the authorized share amount will generally be approved if the resulting increase in authorized shares coincides with the proxy guidelines set forth above for common stock increases.

COMPENSATION

- o Proposals relating to Director fees, provided the amounts are not excessive relative to other companies in the country or industry.
- o Proposals for employee stock purchase plans that permit discounts up to 15%, but only for grants that are part of a broad based employee plan, including all non-executive employees.
- o Proposals for the establishment of Employee Stock Option Plans and other employee ownership plans.

ANTI-TAKEOVER MATTERS

- o Proposals to modify or rescind existing supermajority vote requirements to amend the charters or bylaws.
 - o Proposals relating to the adoption of anti-greenmail provisions provided that the proposal: (i) defines greenmail; (ii) prohibits buyback offers to large block holders not made to all shareholders or not approved by disinterested shareholders; and (iii) contains no anti-takeover measures or other provisions restricting the rights of shareholders.
4. The following non-routine proposals, which potentially may have a substantive financial or best interest impact on the shareholder, unless otherwise determined by the Proxy Review Committee, will be voted against (notwithstanding management support).

G-4

- o Proposals to establish cumulative voting rights in the election of directors.
- o Proposals relating to capitalization changes that add

classes of stock which substantially dilute the voting interests of existing shareholders.

 - o Proposals relating to changes in capitalization by 100% or more.
 - o Compensation proposals that allow for discounted stock options that have not been offered to employees in general.
 - o Proposals to amend bylaws to require a supermajority shareholder vote to pass or repeal certain provisions.
 - o Proposals to indemnify auditors.
5. The following types of non-routine proposals, which potentially may have a substantive financial or best interest impact on an issuer, will be voted as determined by the Proxy Review Committee.

CORPORATE TRANSACTIONS

- o Proposals relating to mergers, acquisitions and other special corporate transactions (i.e., takeovers, spin-offs, sales of assets, reorganizations, restructurings and recapitalizations) will be examined on a case-by-case basis. In all cases, ISS and IRRC research and analysis will be used along with MSIM Affiliates' research and analysis, including, among other things, MSM internal company-specific knowledge.
- o Proposals relating to change-in-control provisions in non-salary compensation plans, employment contracts, and severance agreements that benefit management and would be costly to shareholders if triggered.
- o Proposals relating to shareholders rights plans that allow appropriate offers to shareholders to be blocked by the board or trigger provisions that prevent legitimate offers from proceeding.
- o Proposals relating to Executive/ Director stock option plans. Generally, stock option plans should meet the following criteria:
 - (i) Whether the stock option plan is incentive based;
 - (ii) For mature companies, should be no more than 5% of the issued capital at the time of approval;

- (iii) For growth companies, should be no more than 10% of the issued capital at the time of approval.

VII. ADMINISTRATION OF PROXY POLICIES AND PROCEDURES

A. PROXY REVIEW COMMITTEE

1. The MSIM Proxy Review Committee ("Committee") is responsible for creating and implementing MSIM's Proxy Voting Policy and Procedures and, in this regard, has expressly adopted them.
- (a) The Committee, which is appointed by MSIM's Chief Investment Officer ("CIO"), consists of senior investment professionals who represent the different investment disciplines and geographic locations of the firm. The Committee is responsible for establishing MSIM's proxy voting policy and guidelines and determining how MSIM will vote proxies on an ongoing basis.

G-7

- (b) The Committee will periodically review and have the authority to amend, as necessary, these Proxy Voting Policy and Procedures and establish and direct voting positions consistent with the Client Proxy Standard.
- (c) The Committee will meet at least monthly to (among other matters): (1) address any outstanding issues relating to MSIM's Proxy Voting Policy and Procedures; and (2) review proposals at upcoming shareholder meetings of MSIM portfolio companies in accordance with this Policy including, as appropriate, the voting results of prior shareholder meetings of the same issuer where a similar proposal was presented to shareholders. The Committee, or its designee, will timely communicate to ISS MSIM's Proxy Voting Policy and Procedures (and any amendments to them and/or any additional guidelines or procedures it may adopt).
- (d) The Committee will meet on an ad hoc basis to (among other matters): (1) authorize "split voting" (i.e., allowing certain shares of the same issuer that are the subject of the same proxy solicitation and held by one or more MSIM portfolios to be voted differently than other shares) and/or "override voting" (i.e., voting all MSIM portfolio shares in a manner contrary to the Proxy Voting Policy and Procedures); (2) review and approve upcoming votes, as appropriate, for matters for which specific direction has been provided in these Policy and Procedures; and (3) determine how to vote matters for which specific direction has not been provided in these Policy and Procedures. Split votes will generally not be approved within a single Global Investor Group team. The Committee may take into account ISS and IRRC recommendations and the research as well as any other relevant information they may request or receive.
- (e) In addition to the procedures discussed above, if the Committee determines that an issue raises a potential material conflict of interest, or gives rise to the appearance of a potential material conflict of interest, the Committee will request a special committee to review, and recommend a course of action with respect to, the conflict(s) in question ("Special Committee"). The Special Committee shall be comprised of the Chairman of the Proxy Review Committee, the Compliance Director for the area of the firm involved or his/her designee, a senior portfolio manager (if practicable, one who is a member of the Proxy Review Committee) designated by the Proxy Review Committee and MSIM's Chief Investment Officer or his/her designee. The Special Committee may request the assistance of MSIM's General Counsel or

his/her designee and will have sole discretion to cast a vote. In addition to the research provided by ISS and IRRC, the Special Committee may request analysis from MSIM Affiliate investment professionals and outside sources to the extent it deems appropriate.

- (f) The Committee and the Special Committee, or their designee(s), will document in writing all of their decisions and actions, which documentation will be maintained by the Committee and the Special Committee, or their designee(s), for a period of at least 6 years. To the

G-8

extent these decisions relate to a security held by a MSIM U.S. registered investment company, the Committee and Special Committee, or their designee(s), will report their decisions to each applicable Board of Trustees/ Directors of those investment companies at each Board's next regularly scheduled Board meeting. The report will contain information concerning decisions made by the Committee and Special Committee during the most recently ended calendar quarter immediately preceding the Board meeting.

- (g) The Committee and Special Committee, or their designee(s), will timely communicate to applicable portfolio managers, the Compliance Departments and, as necessary, ISS, decisions of the Committee and Special Committee so that, among other things, ISS will vote proxies consistent with their decisions.

B. IDENTIFICATION OF MATERIAL CONFLICTS OF INTEREST

1. If there is a possibility that a vote may involve a material conflict of interest, the vote must be decided by the Special Committee in consultation with MSIM's General Counsel or his/her designee.
2. A material conflict of interest could exist in the following situations, among others:
 - (a) The issuer soliciting the vote is a client of MSIM or an affiliate of MSIM and the vote is on a material matter affecting the issuer;
 - (b) The proxy relates to Morgan Stanley common stock or any other security issued by Morgan Stanley or its affiliates; or
 - (c) Morgan Stanley has a material pecuniary interest in the matter submitted for a vote (e.g., acting as a financial advisor to a merger or acquisition for which Morgan Stanley will be paid a success fee if completed).

C. PROXY VOTING REPORTS

1. MSIM will promptly provide a copy of these Policy and

Procedures to any client requesting it. MSIM will also, upon client request, promptly provide a report indicating how each proxy was voted with respect to securities held in that client's account.

2. MSIM's legal department is responsible for filing an annual Form N-PX on behalf of each registered management investment company for which such filing is required, indicating how all proxies were voted with respect to such investment company's holdings.

NOTES TO PRO FORMA FINANCIAL STATEMENTS
JANUARY 31, 2005 (UNAUDITED)

1. SIGNIFICANT ACCOUNTING POLICIES

The Acquiring Fund, Van Kampen Municipal Opportunity Trust (the "Acquiring Fund") is registered as a diversified, closed-end management investment company under the Investment Company Act of 1940, as amended. The Acquiring Fund's investment objective is to provide a high level of current income exempt from federal income tax, consistent with preservation of capital. The Acquiring Fund commenced investment operations on April 24, 1992.

The following is a summary of significant accounting policies consistently followed by the Acquiring Fund in the preparation of its financial statements. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

A. SECURITY VALUATION Municipal bonds are valued by independent pricing services or dealers using the mean of the bid and asked prices or, in the absence of market quotations, at fair value based upon yield data relating to municipal bonds with similar characteristics and general market conditions. Securities

Edgar Filing: VAN KAMPEN MUNICIPAL OPPORTUNITY TRUST - Form N-14 8C

which are not valued by independent pricing services or dealers are valued at fair value using procedures established in good faith by the Board of Trustees. Futures contracts are valued at the settlement price established each day on the exchange on which they are traded. Short-term securities with remaining maturities of 60 days or less are valued at amortized cost, which approximates market value.

B. SECURITY TRANSACTIONS Security transactions are recorded on a trade date basis. Realized gains and losses are determined on an identified cost basis. The Acquiring Fund may purchase and sell securities on a "when-issued" or "delayed delivery" basis, with settlement to occur at a later date. The value of the security so purchased is subject to market fluctuations during this period. The Acquiring Fund will segregate assets with the custodian having an aggregate value at least equal to the amount of the when-issued or delayed delivery purchase commitments until payment is made.

C. INVESTMENT INCOME Interest income is recorded on an accrual basis. Bond premium is amortized and discount is accreted over the expected life of each applicable security.

D. FEDERAL INCOME TAXES It is the Acquiring Fund's policy to comply with the requirements of Subchapter M of the Internal Revenue Code applicable to regulated investment companies and to distribute substantially all of its taxable income to its shareholders. Therefore, no provision for federal income taxes is required.

E. DISTRIBUTION OF INCOME AND GAINS The Acquiring Fund declares and pays monthly dividends from net investment income to common shareholders. Net realized gains, if any, are distributed annually on a pro rata basis to common and preferred shareholders. Distributions from net realized gains for book purposes may include short-term capital gains, which are included as ordinary income for tax purposes.

ITEM 15. INDEMNIFICATION

Section 5.3 of the Registrant's Declaration of Trust, a copy of which is filed as an exhibit hereto, provides for indemnification, as set forth below:

Section 5.3 Mandatory Indemnification.

(a) Subject to the exceptions and limitations contained in paragraph (b) below:
