Summary of Managing Director 2006 Incentive Compensation Plan

Table of Contents

Item 1.01 Entry into a Material Definitive Agreement.

On August 4, 2006, the Compensation Committee of the Board of Directors of First Industrial Realty Trust, Inc. (the Company) adopted an incentive compensation plan for the year ended December 31, 2006 for the Company's three Managing Directors. The plan is designed to reward the Company's Managing Directors for profitable development, sale and lease transactions consummated in their regions and to increase their ownership in the Company.

Pursuant to the plan, each Managing Director is eligible to receive (i) an amount equal to 7.0% of the new business generation incentive compensation paid to officers of the Managing Director's region and (ii) an additional 20% of the new business generation incentive compensation paid to officers on certain types of transactions (collectively, NBG Compensation). Losses from comparable transactions will offset gains for the purpose of determining compensation payable under the plan. In addition, each Managing Director may receive compensation up to \$300,000 upon the achievement of profitability and sales leadership goals and acquisitions and development projects.

The plan does not have an aggregate bonus pool and incentive compensation payable is not subject to any pre-set limit based on the Managing Director's salary. Any plan compensation will be paid annually 60% in cash and 40% in restricted stock. Payments are contingent upon the continued employment of the officer on the payment date. Restricted stock will vest ratably over 3 years and be denominated based on a price to be determined by senior management with the approval of the Compensation Committee.

A summary of 2006 incentive compensation plan elements is attached hereto as Exhibit 10.1 and is incorporated herein by reference.
