DIVIDEND REINVESTMENT AND COMMON STOCK PURCHASE PLAN

The following, in question and answer form, are the provisions of the Greene County Bancshares, Inc. Dividend Reinvestment and Common Stock Purchase Plan (the Plan). At times, the Plan may refer to Greene County Bancshares, Inc. as Greene County Bancshares, Greene County, the Company, we or us. Those holders of Greene County common stock who do not wish to participate in the Plan will continue to receive cash dividends, if and when declared, by check or by direct deposit if the holder so chooses.

Purpose

1. What is the purpose of the Plan?

The Plan provides record owners of Greene County common stock with a simple and convenient way of investing cash dividends in shares of common stock and of investing optional cash payments in common stock, all without payment of any brokerage commissions, service charge or other expense. To the extent such shares are purchased from us, we will receive additional funds to finance our continuing operations. The Plan offers eligible holders an opportunity to invest conveniently for the long-term. The Plan is not intended to provide a mechanism for generating short-term profits or engaging in other strategies involving rapid turnover of shares or proliferation of accounts. We accordingly reserve the right to refuse to allow participation in the Plan and to modify, suspend or terminate participation by otherwise eligible record owners who engage in, or who we believe may engage in, such practices or other practices we deem to be inconsistent with the purposes of the Plan or detrimental to the Plan or other participants.

Advantages

2. What are the advantages of the Plan?

As a participant in the Plan you may:

Reinvest all or part of your dividends on shares of common stock automatically.

Invest additional cash, from \$100 per payment up to \$10,000 per payment with a limit of \$50,000 per year, in common stock.

Avoid charges for brokerage commissions or fees on all investments or purchases under the Plan.

Invest the full amount of all dividends and optional cash payments since the Plan allows fractions of a share to be held under the Plan.

Avoid cumbersome safekeeping requirements through optional custodial services under the Plan.

Avoid inconvenience and expense of recordkeeping through the reporting provisions of the Plan.

Participation

3. Who is eligible to participate?

Edgar Filing: GREENE COUNTY BANCSHARES INC - Form S-3D

If you are a record owner of Greene County common stock, you are eligible to participate in the Plan. If you are a beneficial owner whose shares are registered in a name other than your own (for example, in the name of a broker or bank nominee) you must become an owner of record by having the number of shares as to which you wish to participate transferred into your name. You can participate with respect to all or less than all of your shares.

4. How do I join the Plan?

If you are eligible to participate, you may join the Plan by signing an Authorization Card and returning it to Illinois Stock Transfer Company as follows:

Greene County Bancshares
c/o Illinois Stock Transfer Company
Attn: Dividend Reinvestment Department
209 West Jackson Blvd, Suite 903
Chicago, IL 60606-6905
Telephone: (312) 427-2953 / (800) 757-5755
Facsimile: (312) 427-2879
Web site: www.illinoisstocktransfer.com
Hours: 7:30 A.M. to 4:00 P.M. Central Time

An Authorization Card may be obtained at any time by written request to Illinois Stock Transfer Company at the above address or by calling Illinois Stock Transfer Company.

5. When may I join the Plan?

If you are eligible to participate, you may join the Plan at any time. When you receive your Authorization Card from Illinois Stock Transfer Company sign it and return it to Illinois Stock Transfer Company at the above address. Sign your name exactly as it appears on your Authorization Card. If the stock is owned jointly, each joint owner must sign the Authorization Card.

If Illinois Stock Transfer Company receives your Authorization Card specifying reinvestment of dividends before the record date for a dividend payment, reinvestment will commence with that dividend payment. However, if Illinois Stock Transfer Company receives your Authorization Card on or after a dividend record date, the reinvestment of dividends through the Plan will begin with the dividend payment following the next record date.

The record date for determining shareholders who will receive dividends normally precedes the dividend payment date by two weeks. Dividend payment dates ordinarily are on or about:

March 20; September 20; and
June 20; December 20.

(See Questions 11, 12, 13, and 14 for information concerning the investment of optional cash payments.)

Our ability to pay dividends is restricted by federal laws and regulations applicable to bank holding companies and by Tennessee laws relating to the payment of dividends by Tennessee corporations. These restrictions are described in more detail in the quarterly and annual reports that we file with the Securities and Exchange Commission.

We may, in the future, choose to suspend the payment of dividends. During any periods in which we have suspended the payment of dividends, participants may be prohibited from making optional cash payments. If a participant has submitted an optional cash payment to us and we thereafter suspend the ability of participants to make optional cash payments prior to such payment being invested, we will return the optional cash payment that was not invested to the participant without interest.

6. What does the Authorization Card provide?

By marking the appropriate spaces of the Authorization Card you may choose among the following investment options:

To reinvest automatically cash dividends on all shares registered in your name.

To reinvest automatically cash dividends on less than all of the shares registered in your name (a specified number of whole shares) and continue to receive cash dividends on the remaining shares.

Table of Contents

To invest by making optional cash payments in any amount from \$100 per payment, up to a total of \$10,000 per payment; provided, however, that you may not make purchases under the Plan in excess of \$50,000 in any calendar year. Optional cash payments will be invested as explained under Question 11.

To deposit for safekeeping certificates for common stock with the Agent (as defined below) as explained under Question 18.

Dividends on all shares purchased for your account under the Plan, whether through dividend reinvestment or optional cash payments, will be reinvested automatically in additional shares of common stock.

7. May I change my method of participation after enrollment?

Yes. You may change your investment option at any time by signing a new Authorization Card and returning it to Illinois Stock Transfer Company as provided under Question 4. If you elect to participate through the reinvestment of dividends but later decide to reduce the number of shares on which dividends are being reinvested a new Authorization Card indicating a change of options must be received by Illinois Stock Transfer Company prior to a particular dividend record date in order to stop any unwanted reinvestment of dividends paid on that dividend payment date. If you want to terminate your participation in the Plan, see Question 19.

Agent

8. Who administers the Plan?

Illinois Stock Transfer Company (the Agent) administers the Plan for participants, keeps records, sends statements of account to participants and performs other duties relating to the Plan. Shares purchased under the Plan will be registered in the name of the Agent or its nominee as agent for participants in the Plan.

The Agent's mailing address is:

Greene County Bancshares
c/o Illinois Stock Transfer Company
Attn: Dividend Reinvestment Department
209 West Jackson Blvd, Suite 903
Chicago, IL 60606-6905

The Agent may be reached at either of (312) 427-2953 or (800) 757-5755. All completed Authorization Cards, requests for withdrawal, optional cash payments, requests for certificates and all other written communications regarding the Plan should be sent to the Agent at the above address (please include the name Greene County Bancshares and your Plan account number in your correspondence with the Agent).

The Agent may at any time (1) resign by giving written notice to us, or (2) be removed by us. In the event a vacancy occurs in the office of Agent, we shall appoint a successor Agent, which may be us, one of our subsidiaries or another designated entity.

Costs

9. Are there any expenses to participants in connection with purchases under the Plan?

No. You will incur no brokerage commissions or service charges for the purchases made under the Plan. We will pay all costs of administration of the Plan. However, if you request the Agent to sell your Plan shares, you will pay certain charges as explained under Question 17. Also, you may incur tax liability as a result of our payment of expenses in connection with open market purchases of shares for you as a Plan participant, as explained under Question 20.

Table of Contents

Purchases

10. How many shares of common stock will be purchased for my Plan account and what is the source of shares purchased under the Plan?

If you become a participant in the Plan, the number of shares purchased for you will depend on the amount of your dividends, optional cash payments, or both, and market prices of the common stock. The number of shares purchased for your account, including fractions computed to three (3) decimal places, will be equal to the total amount to be invested by you, divided by the purchase price per share. (See Question 12.)

Shares purchased under the Plan will be, at our discretion, either newly issued shares or shares purchased for Plan participants in the open market, or a combination of the foregoing. Newly issued shares will be purchased directly from the Company. We will decide whether to purchase shares for Plan participants in the open market based upon general market conditions, the relationship between purchase price and book value per share, regulatory requirements and other factors.

Shares purchased under the Plan in the open market will be purchased by an agent (the Purchasing Agent) who normally will not be affiliated with us. The Purchasing Agent may at any time (1) resign by giving written notice to us, or (2) be removed by us. In the event a vacancy occurs in the office of Purchasing Agent, we will appoint a successor Purchasing Agent, which may be us, one of our subsidiaries or another designated entity. We may change the Purchasing Agent without notifying Plan participants.

11. When will shares of common stock be purchased under the Plan?

When shares are purchased directly from us, purchases will be made on the dividend payment date with dividends paid on, and optional cash payments received by the Agent on or before the fifth business day prior to, that dividend payment date in those months when dividends are also paid and on or before the fifth business day prior to the fourteenth day of the month in those months when dividends are not paid.

When shares are purchased in the open market, the Purchasing Agent will use dividends paid on, and optional cash payments received on or before the fifth business day prior to, a dividend payment date in those months when dividends are also paid and on or before the fifth business day prior to the fourteenth day of the month in those months when dividends are not paid to purchase shares in the open market as soon as practical and within 30 days after that dividend payment date or optional cash payment investment date, unless a longer period is necessary or advisable because of federal securities laws or market conditions. In the event that federal securities laws or market conditions dictate that open market purchases be delayed for longer than 45 days from the dividend date, we will return your unallocated optional cash payments to you. Such open market purchases may be made on any securities exchange or market where shares of the common stock are traded, in the over-the-counter market or in negotiated transactions and may be subject to such terms with respect to price, delivery and other matters as the Purchasing Agent may agree to. Neither Greene County Bancshares, the Agent nor any Plan participant shall have the authority to direct the time, price or manner of such open market purchases, or the selection of the broker or dealer through or from whom purchases are to be made, all of which are in the sole discretion of the Purchasing Agent.

Price

12. At what price will shares of common stock be purchased under the Plan?

Common stock will be purchased under the Plan from us at a price per share equal to the then current market price for the common stock which is defined as the average of the bid and ask prices for the common stock on the Nasdaq Stock Market's National Market System or such other market as the common stock is then traded, for the applicable investment date. If no trading occurs on the applicable investment date, the current market price will be determined as of the trading day **immediately preceding** the investment date. No shares will be purchased from us under the Plan at less than their par value (\$2.00 per share).

Table of Contents

The price to you of shares purchased in the open market for your Plan account will be the weighted average price of common stock purchased in the open market for all Plan participants in respect of a particular dividend payment or investment date. For the purpose of making purchases, the Agent or Purchasing Agent, as the case may be, will commingle each participant's funds with those of all other holders of Greene County common stock who are participants in the Plan. The price per share of shares purchased for each participant's account shall be the average price of all shares purchased with the funds available from that dividend and any optional cash payments being concurrently invested. The Agent will hold the total shares purchased in the market for all participants in its name or the name of its nominee and will have no responsibility for the value of such shares after their purchase.

Optional Cash Payments

13. Who is eligible to make optional cash payments and how does a participant make optional cash payments?

Record owners of common stock who have submitted a signed Authorization Card are eligible to make optional cash payments. However, you may not make optional cash payments unless you also reinvest dividends on common stock registered in your name. After an Authorization Card has been received by Illinois Stock Transfer Company, optional cash investments may be made by mailing to Illinois Stock Transfer Company at the address set forth in Question 4 above a check or money order together with a properly executed cash payment form which will accompany the statement of account sent to participants. Your check or money order should be made payable to Illinois Stock Transfer Company (be sure to include the name of Greene County Bancshares and your Plan account number on your check or money order). Do not send cash. Checks or money orders drawn against non-United States banks must have the United States currency imprinted on such checks or money orders. Monthly optional cash investments must be received no later than five (5) business days prior to a dividend payment date in those months when a dividend is paid and no later than five (5) business days prior to the fourteenth day of the month in those months in which a dividend is not paid and checks or other drafts must clear prior to such investment date, for an optional cash investment to be invested on such investment date. Optional cash investments received thereafter will be reinvested as of the next following investment date.

In the event that any check or money order is returned unpaid for any reason, Illinois Stock Transfer Company will consider the request for investment of such optional cash investment void and shall immediately remove from the participant's account shares of common stock, if any, purchased upon the prior credit of such money. In addition, you will be charged a returned check fee by the Agent. Illinois Stock Transfer Company shall thereupon be entitled to sell such shares to satisfy any uncollected amounts. If the net proceeds of the sale of such shares are insufficient to satisfy the balance of such uncollected amounts, Illinois Stock Transfer Company shall be entitled to sell such additional shares from the participant's account to satisfy the uncollected balance.

Any optional cash payment received from you on or before the fifth business day prior to a dividend payment date in those months in which a dividend is paid, or on or before the fifth business day prior to the fourteenth day of the month in those months in which a dividend is not paid, will be applied to the purchase of common stock for your Plan account on that dividend payment date or investment date, as the case may be, if such common stock is purchased from the Company and as soon as practical (as explained under Question 11) after that dividend payment date or investment date, as the case may be, if such common stock is purchased in the open market.

If you choose to make optional cash payments, dividends on shares purchased with optional cash payments will be reinvested automatically. (See Question 16.)

You may make an initial optional cash payment when you join the Plan by enclosing a check or money order with the Authorization Card, **if the Authorization Card is received by the Agent on or before the fifth business day**

prior to the next dividend payment date or investment date, as the case may be. You must return your check or money order along with the Authorization Card. Thereafter, you may make optional cash payments through the use of cash payment forms sent to you with statements of your account as described above.

WE RECOMMEND THAT YOU SEND OPTIONAL CASH PAYMENTS SO THEY WILL BE RECEIVED SHORTLY BEFORE A DIVIDEND PAYMENT DATE IN THOSE MONTHS IN WHICH A

Table of Contents

DIVIDEND IS PAID OR THE FOURTEENTH DAY OF THE MONTH IN THOSE MONTHS IN WHICH A DIVIDEND IS NOT PAID, BUT BEFORE THE FIFTH BUSINESS DAY PRIOR TO THE NEXT DIVIDEND DATE OR INVESTMENT DATE, AS THE CASE MAY BE. NO INTEREST WILL BE PAID ON THESE PAYMENTS. YOU MAY OBTAIN THE RETURN OF ANY OPTIONAL CASH PAYMENT BY WRITTEN REQUEST RECEIVED BY THE AGENT AT LEAST 48 HOURS BEFORE THE NEXT DIVIDEND PAYMENT DATE OR OPTIONAL CASH INVESTMENT DATE, AS THE CASE MAY BE.

14. What are the limitations on making optional cash payments?

You may not make optional cash payments unless you also reinvest dividends on common stock registered in your name. The Agent must receive your optional cash payment on or before the fifth business day before a dividend payment date in those months in which a dividend is paid and on or before the fifth business day before the fourteenth day of the month in those months in which a dividend is not paid. You do not need to send the same amount of money each time, and you are under no obligation to make an optional cash payment at any time. Any optional cash payments you wish to make must not be less than \$100 nor greater than \$10,000 per payment, nor may your payments aggregate more than \$50,000 in any calendar year.

Reports to Participants

15. What reports will be sent to participants in the Plan?

As soon as practicable after (i) receipt by the Agent of any optional cash payment; or (ii) each purchase you will receive a statement of your account showing amounts invested, purchase prices, shares purchased and other information for the year to date. **This statement will provide a record of the cost of purchases under the Plan and should be retained for tax purposes.** In addition, you will receive, or be entitled to receive, copies of the same communications sent to every other holder of common stock, including our annual and quarterly reports to shareholders, proxy statements and information for income tax reporting purposes.

Dividends

16. Will I be credited with dividends on shares held in my account under the Plan?

Yes. The Agent will receive dividends (less the amount of any tax withheld) for all Plan shares held on the dividend record date and credit them to participants' accounts on the basis of full shares and fractions of a share credited to those accounts on that record date. Such dividends received will be reinvested automatically in additional shares of common stock as a dividend reinvestment. (See Question 12.)

Certificates

17. Will certificates be issued for shares of common stock purchased under the Plan?

Certificates for shares of common stock purchased under the Plan will not be issued to you unless you request them. All shares credited to your account under the Plan will be issued to the Agent or its nominee, as your agent. The number of shares credited to your account will be shown on your statement of account. This convenience protects against loss, theft or destruction of stock certificates, permits ownership of fractional shares and reduces the costs to be borne by us.

Edgar Filing: GREENE COUNTY BANCSHARES INC - Form S-3D

A certificate for any number of whole shares credited to your account under the Plan will be issued on your written request, and the shares represented by that certificate will be withdrawn from your account. Your written request should be mailed to the Agent. Any remaining full shares and fractions of a share will continue to be credited to your account. If you have authorized the reinvestment of dividends on all shares registered in your name, dividends on shares represented by the certificate issued to you will continue to be reinvested. Otherwise, dividend reinvestment will continue with respect to the number of shares registered in your name specified for dividend reinvestment on your Authorization Card. Certificates for fractions of a share will not be issued under any circumstances. (See Question 19.)

Table of Contents

You may not pledge shares credited to your account. If you wish to pledge the whole shares credited to your account, you must request that certificates for those shares be issued in your name.

Accounts under the Plan are maintained in the name in which your certificates were registered at the time you entered the Plan. Consequently, certificates for whole shares will be similarly registered when issued to you.

You may at any time request the Agent to sell up to 10,000 of the shares credited to your account under the Plan in any period of five (5) consecutive trading days. The sale will be made for your account as soon as practicable after receipt by the Agent of your request but in no event later than ten (10) business days. You will receive the proceeds of the sale, less any related brokerage commission, Agent's fee and transfer tax.

Participants selling shares through the Plan should be aware that the common stock price may fluctuate during the period between a request for sale, its receipt by the Agent and the ultimate sale in the open market. This risk should be evaluated by the participant and the risk of a price decline is borne solely by the participant. The net proceeds will be mailed after the settlement of funds from the brokerage firm selected by the Agent.

18. May I deposit certificates for shares of common stock with the Agent?

If you are a record holder of certificates for common stock, you may send the unendorsed certificates to the Agent at the address set forth under Question 4 and have them held for safekeeping by the Agent. The method of delivery of your certificates is at your election and at your risk. We recommend that you send certificates by registered mail. You may send your certificates to the Agent when you join the Plan by enclosing your certificates and the completed safekeeping transmittal form with the Authorization Card. If you are already a participant in the Plan and wish to have your certificates held by the Agent, you should mail the certificates along with the completed safekeeping transmittal form to the Agent. Additional forms may be obtained by written request to the Agent at the address set forth under Question 4 or by calling the Agent at either (312) 427-2953 or (800) 757-5755. Dividends on all shares represented by certificates deposited with the Agent will be reinvested automatically in additional shares of common stock pursuant to the Plan.

Termination of Participation

19. How do I terminate participation in the Plan?

You may at any time terminate your participation in the Plan by notifying the Agent in writing. If your notice of termination is received on or after the record date for the next dividend, that dividend will be reinvested for your account, but all subsequent dividends on those shares will be paid to you in cash in the event that it is a cash dividend. If you elect to terminate your participation in the Plan, any optional cash payment received by the Agent before it receives your notice of termination will be invested for your account unless you specifically request return of the payment by written request received by the Agent at least 48 hours prior to the next dividend payment date in those months in which a dividend is paid and at least 48 hours prior to the fourteenth day of the month in those months in which a dividend is not paid.

If you terminate your participation in the Plan or if we terminate the Plan, certificates for whole shares credited to your account under the Plan will be issued to you and a cash payment will be made for any fraction of a share. The cash payment will be based on the closing price of the common stock reported on the Nasdaq Stock Market's National Market System, or such other market as the common stock is then traded, on the day the notice of termination is received by the Agent or on the next day trading in the common stock is open if it is closed when the notice is received. However, if upon termination you prefer to receive cash for all your Plan shares, you may request the Agent

to sell your shares as explained under Question 17.

Other Information

20. What are the federal income tax consequences of participation in the Plan?

Under Internal Revenue Service rulings in connection with similar plans, dividends which you reinvest in additional shares of common stock under the Plan will be treated for federal income tax purposes as having been received by you as a dividend. Under these rulings, an amount equal to the fair market value on the dividend

Table of Contents

payment date of shares acquired from Greene County Bancshares with reinvested dividends on that date will be treated as a dividend paid to you which must be included in your gross income. When the Purchasing Agent purchases shares for your Plan account in the open market with reinvested dividends, you must include in gross income a dividend equal to the actual price paid by the Purchasing Agent for those shares.

The Internal Revenue Service has issued a letter ruling which held that brokerage commissions and service charges paid by a corporation in connection with the open market purchase of shares pursuant to a dividend reinvestment plan are includible in the gross income of participants in that plan. To the extent that ruling is a correct interpretation of the law and applicable to the Plan, when shares are purchased for your Plan account in the open market, you must include in your gross income a dividend equal to that portion of any brokerage commissions and service charges paid by us which are attributable to the purchase of such shares. Any such service charges (but not brokerage commissions) included in income would be deductible by participants who itemize deductions, subject to certain other limitations thereon.

You will not realize any taxable income when you receive certificates for whole shares credited to your account, either upon your request for such certificates or upon withdrawal from or termination of the Plan. However, you will recognize tax gain or loss (which, for most participants, will be capital gain or loss) when whole shares acquired under the Plan are sold or exchanged either by the Agent at your request or by you. (See Questions 17 and 19.) You also will recognize gain or loss when you receive a cash payment for a fractional share credited to your account. The amount of such gain or loss will be the difference between the amount which you receive for your shares or fractional share and the tax basis thereof.

Under the rulings referred to above, the tax basis of shares acquired from Greene County Bancshares under the Plan by reinvestment of dividends will be equal to the fair market value of the shares on the dividend payment date on which the shares are purchased for your Plan account. The tax basis of shares acquired by the Purchasing Agent in the open market with reinvested dividends will be the purchase price thereof paid by the Purchasing Agent plus an allocable share of any brokerage commissions paid by Greene County Bancshares. The tax basis of shares purchased with an optional cash payment will be the amount of such optional cash payment plus allocable brokerage commissions. The holding period of shares of common stock acquired under the Plan, whether purchased with dividends or optional cash payments, will begin on the day following the date as of which the shares are purchased for you.

The federal tax laws impose certain reporting obligations upon brokers and other middlemen. As a result, the Agent will be required to report to the Internal Revenue Service and you any sales of common stock by the Agent for your Plan account. If your dividends become subject to the backup withholding tax of the tax laws, dividends reinvested for you under the Plan will be reduced by the amount of tax required to be withheld.

The foregoing is only an outline of our understanding of some of the applicable federal tax provisions. For further information as to the tax consequences of participation in the Plan, including state, local and foreign tax consequences and any future changes in applicable law or interpretations thereof, you should consult with your own tax advisors.

21. What happens if I as a Plan participant sell a portion of the shares of common stock registered in my name?

If you have authorized the reinvestment of dividends on all shares registered in your name and then dispose of a portion of those shares, the dividends on the remaining shares will continue to be reinvested.

If you have authorized the reinvestment of dividends on part of the shares registered in your name and then dispose of a portion of those shares, the dividends on the lesser of (1) the shares with respect to which reinvestment of dividends was originally authorized, or (2) all of the remaining shares, will continue to be reinvested.

22. What happens when I as a Plan participant sell or transfer all of the shares held by me in certificated form?

If a participant disposes of all or a portion of the shares of common stock for which such participant holds certificates without disposing of shares in the Plan account, the Agent will continue to reinvest dividends on shares

Table of Contents

of common stock credited to such participant's Plan account in additional shares unless and until a written request to withdraw such shares from the participant's Plan account is received by the Agent.

23. What happens if Greene County has a rights offering?

If we have a rights offering in which separately tradable and exercisable rights are issued to registered holders of shares of common stock, the rights attributable to whole shares of common stock held in a participant's account will be transferred to the participant as promptly as practicable after the rights are issued. Rights attributable to fractional shares will be sold, and the proceeds therefrom will be treated as an optional cash investment. Rights attributable to shares of common stock registered in the participant's own name will be treated in the same manner as rights attributable to the shares of common stock of nonparticipants.

24. What happens if the Company issues a stock dividend or declares a stock split?

Any stock dividends or split shares distributed by us on shares of common stock credited to your account under the Plan will be added to your account. Stock dividends or split shares distributed on shares of common stock registered in your name will also be credited to your Plan account if you participate in the Plan.

25. How will shares in my Plan account be voted at meetings of shareholders?

You will receive a proxy indicating the total number of your shares of common stock, including shares of common stock registered in your name and shares of common stock credited to your account under the Plan.

If your proxy is returned properly signed and marked for voting, all the shares covered by the proxy—those registered in your name and those credited to your account under the Plan—will be voted as marked.

If your proxy is returned properly signed but without indicating instructions as to the manner in which shares are to be voted with respect to any item thereon, all of your shares—those registered in your name and those credited to your account under the Plan—will be voted in accordance with the recommendations of the board of directors of Greene County Bancshares. If the proxy is not returned, or if it is returned unsigned or improperly signed, your shares may be voted only if you vote in person.

26. What is the responsibility of Greene County Bancshares, the Agent and the Purchasing Agent under the Plan?

The Agent and the Purchasing Agent have had no responsibility with respect to the preparation and contents of this Plan. Neither Greene County Bancshares, the Agent nor the Purchasing Agent, in administering the Plan, will be liable for any act done in good faith, or for any good faith omissions to act, including, without limitation, (1) any claims of liability arising out of failure to terminate a participant's account upon the participant's death prior to receipt of notice in writing of the death, (2) with respect to the prices at which shares are purchased for participant accounts and the time such purchases are made and (3) with respect to any fluctuation in the market value of the common stock.

Neither Greene County Bancshares, the Agent nor the Purchasing Agent can assure any participant of a profit or protect any participant against a loss on the shares purchased by him or her under the Plan.

27. Who regulates and interprets the Plan?

We reserve the right to interpret and regulate the Plan as we deem necessary or desirable with the assistance of the Agent.

28. May the Plan be amended, suspended or terminated?

We may amend, suspend or terminate the Plan at any time or times. Appropriate notice of such action will be mailed to each participant at his or her last address of record. Any such amendment may include the appointment by us in Illinois Stock Transfer Company's place and stead of a successor company organized under the laws of the United States or any state thereof under the terms and conditions of the Plan, in which event we are authorized to

Table of Contents

pay such successor agent for the account of the participants, all dividends and distributions payable on the shares of common stock held by any participants for application by the successor agent as provided under the Plan.

29. May the Plan be changed or discontinued?

We reserve the right to suspend, modify or terminate the Plan at any time. Notice of any suspension, modification or termination will be mailed to all participants at a participant's last address of record.

USE OF PROCEEDS

We do not know either the number of shares that will ultimately be purchased under the Plan or the prices at which the shares will be sold, and therefore we cannot determine how the proceeds will be used. We intend to add the net proceeds of sales under the Plan of these shares to our general funds to be available for general corporate purposes. We will not receive any proceeds from open market purchases made through the Purchasing Agent for the Plan.

INDEMNIFICATION

Our bylaws provide that we shall indemnify each present and future director and officer of Greene County, or any person who may have served at our request as a director or officer of another company (and, in either case, his heirs, executors and administrators) to the full extent allowed by the laws of the State of Tennessee, both as now in effect and as hereafter adopted unless otherwise prohibited by federal law or regulations.

Our amended and restated charter provides that each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director or officer of Greene County or is or was serving at the request of Greene County as a director or officer of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving as a director or officer, shall be indemnified and held harmless by Greene County to the fullest extent authorized by Tennessee law against all expense, liability and loss reasonably incurred or suffered by such indemnitee in connection therewith. The right to indemnification conferred by our amended and restated charter continues as to an indemnitee who has ceased to be a director or officer and inures to the benefit of the indemnitee's heirs, executors and administrators. However, the right to indemnification conferred by our amended and restated charter does not extend to any proceeding (or part thereof) initiated by such indemnitee unless the proceeding (or part thereof) was authorized by the board of directors of Greene County. The right to indemnification conferred in our amended and restated charter includes the right to be paid by Greene County the expenses incurred in defending any such proceeding in advance of its final disposition if the following conditions are satisfied:

(i) an undertaking is delivered to Greene County, by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal, that such indemnitee is not entitled to be indemnified for such expenses;

(ii) delivery to Greene County by the indemnitee of a written affirmation by the indemnitee (a) of his good faith belief that he has conducted himself in good faith, (b) that he reasonably believed, in the case of his official capacity with Greene County, that his conduct was in Greene County's best interest, (c) that he reasonably believed, in all other cases, that his conduct was at least not opposed to Greene County's best interest, and (d) that, in the case of any

criminal proceeding, he had no reasonable cause to believe his conduct was unlawful; and

(iii) a determination is made that the facts then known to those making the determination would not preclude indemnification under Tennessee law.

Table of Contents

Our amended and restated charter also provides that Greene County may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification, and to the advancement of expenses to any employee or agent of Greene County to the fullest extent of the provisions of our amended and restated charter with respect to the indemnification and advancement of expenses of directors and officers of Greene County.

Our amended and restated charter eliminates, with exceptions, the potential personal liability of a director for monetary damages to Greene County and its shareholders for breach of a duty as a director. There is, however, no elimination of liability for:

- a breach of the director's duty of loyalty to Greene County or its shareholders;
- an act or omission not in good faith or which involves intentional misconduct or a knowing violation of law; or
- any payment of a dividend or approval of a stock repurchase that is illegal under the Tennessee Business Corporation Act.

The TBCA provides that a corporation may indemnify any of its directors and officers against liability incurred in connection with a proceeding if (i) the director or officer acted in good faith, (ii) in the case of conduct in his or her official capacity with the corporation, the director or officer reasonably believed such conduct was in the corporation's best interests, (iii) in all other cases, the director or officer reasonably believed that his or her conduct was not opposed to the best interest of the corporation, and (iv) in connection with any criminal proceeding, the director or officer had no reasonable cause to believe that his or her conduct was unlawful. In actions brought by or in the right of the corporation, however, the TBCA provides that no indemnification may be made if the director or officer was adjudged to be liable to the corporation. In cases where the director or officer is wholly successful, on the merits or otherwise, in the defense of any proceeding instigated because of his or her status as an officer or director of a corporation, the TBCA mandates that the corporation indemnify the director or officer against reasonable expenses incurred in the proceeding. The TBCA also provides that in connection with any proceeding charging improper personal benefit to an officer or director, no indemnification may be made if such officer or director is adjudged liable on the basis that personal benefit was improperly received. Notwithstanding the foregoing, the TBCA provides that a court of competent jurisdiction, upon application, may order that an officer or director be indemnified for reasonable expenses if, in consideration of all relevant circumstances, the court determines that such individual is fairly and reasonably entitled to indemnification, whether or not the standard of conduct set forth above was met.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling Greene County pursuant to the foregoing provisions, Greene County has been informed that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.

PLAN OF DISTRIBUTION

Except to the extent shares are purchased in the open market by the Purchasing Agent, the shares of common stock sold under the Plan are being distributed directly by us rather than through an underwriter, broker or dealer. We will pay all costs of administration of the Plan. There will be no brokerage commissions or other fees or expenses charged to participants in connection with the purchase of shares under the Plan. Upon withdrawal by a participant from the Plan by the sale of common stock held under the Plan, the participant will receive proceeds of such sale less a nominal fee per transaction paid to the Agent (if such sale is made by the Agent at the request of a participant), any related brokerage commissions and any applicable transfer taxes.

LEGAL OPINION

The validity of the shares of common stock offered under the Plan has been passed upon for us by Bass, Berry & Sims PLC.

Item 15. Indemnification of Directors and Officers

Our bylaws provide that we shall indemnify each present and future director and officer of Greene County, or any person who may have served at our request as a director or officer of another company (and, in either case, his heirs, executors and administrators) to the full extent allowed by the laws of the State of Tennessee, both as now in effect and as hereafter adopted unless otherwise prohibited by federal law or regulations.

The right to indemnification conferred by our amended and restated charter continues as to an indemnitee who has ceased to be a director or officer and inures to the benefit of the indemnitee's heirs, executors and administrators. However, the right to indemnification conferred by our amended and restated charter does not extend to any proceeding (or part thereof) initiated by such indemnitee unless the proceeding (or part thereof) was authorized by the board of directors of Greene County. (iii) a determination is made that the facts then known to those making the determination would not preclude indemnification under Tennessee law.

Our amended and restated charter also provides that Greene County may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification, and to the advancement of expenses to any employee or agent of Greene County to the fullest extent of the provisions of our amended and restated charter with respect to the indemnification and advancement of expenses of directors and officers of Greene County.
