Item 1.01 Entry Into A Material Agreement

On December 22, 2005, the Company issued a press release with respect to the information set forth below in response to this Item 1.01. The press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference. On December 22, 2005, Grupo General Cable Sistemas S.A. (Sistemas), a wholly-owned Spanish subsidiary of General Cable Corporation (the Company), entered into a Long-Term Financing Agreement (the Sabadell Financing Agreement) among Sistemas, as the Borrower, General Cable Celcat Energ. Tel. S.A. (Celcat), a wholly-owned Portuguese subsidiary of the Company, as the Guarantor, and Banco de Sabadell S.A. (the Bank), as the Agent and the Financial Institution. The primary purposes of the Sabadell Financing Agreement are to provide funding up to 75,000,000 in two tranches. The first, for 50,000,000 and having a seven year maturity, is to fund the acquisition of the Cables Division of Sagem Communications (described below) and other potential acquisitions by Sistemas. The second, for 25,000,000 and having a five year maturity, is for general corporate purposes. Interest on both tranches is tied to short term (1, 2, 3 and 6 month) EURIBOR rates plus a margin (not to exceed 1.5%) based on Sistemas' Net Debt/EBITDA ratios.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 22, 2005, the Company issued a press release with respect to the information set forth below in response to this Item 2.01. The press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

On December 22, 2005, Sistemas, as Purchaser, pursuant to the terms and conditions of a definitive Share Purchase Agreement dated as of November 18, 2005 (Share Purchase Agreement) with Safran SA, a French corporation, and Sagem Communication, a French corporation, as Seller, acquired the Cables Division of Sagem Communication. The Share Purchase Agreement is attached hereto as Exhibit 99.2 and is incorporated herein by reference.

Pursuant to the Share Purchase Agreement, Purchaser purchased the shares of a newly formed company (Silec Cable), which received via contribution the assets of the Cables Division and certain specified liabilities included in a final closing balance sheet prepared under a set of accounting principles agreed to by the parties. Certain assets were excluded and certain liabilities will remain the responsibility of the Seller, including liability for certain types of litigation and environmental claims and intercompany debt, under the terms of the Share Purchase Agreement. Consideration for the purchase of the shares of Silec Cable was approximately 66.4 million which represented 85% of the estimated purchase price. Such amount of purchase consideration is subject to adjustment, which adjustment, if any, will be determined under the process provided for in the Share Purchase Agreement based on the net equity shown in the closing balance sheet.
